

**CHAPTER cxviii.**

An Act to confirm a Provisional Order made by the Board of Trade under the General Pier and Harbour Act 1861 relating to Pwllheli. [9th August 1907.]

WHEREAS a Provisional Order made by the Board of Trade under the General Pier and Harbour Act 1861 is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

A.D. 1907.

24 & 25 Vict.
c. 45.

And whereas it is expedient that the Provisional Order made by the Board of Trade under the said Act and set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. The Order as amended and set out in the schedule to this Act shall be and the same is hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and force.

Confirmation
of Order in
schedule.

2. This Act may be cited as the Pier and Harbour Order Confirmation (No. 1) Act 1907.

Short title.

A.D. 1907.

SCHEDULE.

PWLLHELI HARBOUR.

Pwllheli. Order for the amendment of the rates dues and charges authorised to be taken by the Corporation of Pwllheli in respect of the Harbour of Pwllheli and for the maintenance and regulation of the Harbour and for conferring further powers on that Corporation with reference to the Harbour and for other purposes.

Preliminary.

Short title and citation.

1.—(1) This Order may be cited as the Pwllheli Harbour Order 1906.

(2) This Order and the Pwllheli Corporation Act 1897 shall be construed together and may be cited together as the Pwllheli Corporation Act and Order 1897 and 1906.

Commencement.

2. This Order shall come into force upon the day when the Act confirming this Order is passed and that day is in this Order referred to as "the commencement of this Order."

Interpretation.

3. In this Order unless the context otherwise requires—

The expression "the Corporation" means the Mayor Aldermen and Burgesses of the borough of Pwllheli in the county of Carnarvon;

The expression "the Pwllheli Act" means the Pwllheli Corporation Act 1897;

The expression "the harbour" means the harbour of Pwllheli as defined in the Pwllheli Act;

The expression "the borough" means the borough of Pwllheli;

The expression "the council" means the council of the borough;

The expressions "the town clerk" "the borough fund" "the borough rate" "the district fund" and "the general district rate" mean respectively the town clerk borough fund borough rate district fund and general district rate of the borough.

Undertakers.

4. The Corporation acting by the council shall be the undertakers for the purpose of carrying this Order into execution.

Subsidiary Works and Maintenance and Provisions for Management.

Power to construct subsidiary works.

5.—(1) The Corporation may in addition to and in connexion with the works authorised by section 9 of the Pwllheli Act construct maintain alter and improve all necessary breakwaters promenades parapets booms fish-curing stations custom houses slipways dolphins floats stages staiths drops and stations for the efficient working and use of the harbour.

(2) A railway tramway or siding constructed under the Pwllheli Act shall not be used for the public conveyance of passengers until it has been inspected and certified by the Board of Trade to be fit for that use. A.D. 1907.
Pwllheli.

(3) The provisions of sections 13 to 17 (both inclusive) of the Pwllheli Act shall apply to all works authorised by this Order.

6.—(1) Subject to the provisions of the Pwllheli Act and this Order the Corporation may maintain deepen and improve the harbour and may dredge scour deepen and excavate any portion of the foreshore and bed of the sea to the extent necessary to secure a sufficient waterway and approach to the harbour for vessels using the same. Maintenance of
harbour.

(2) All sand mud and other materials dredged up or removed within the harbour shall be the property of the Corporation and they may sell or otherwise dispose of or remove or deposit the same as they think fit Provided that no sand mud stone or other material shall be laid down or deposited in any place below high water mark without the consent in writing of the Board of Trade having been first obtained.

(3) All money arising from any sale or other disposition of sand mud and other material under the last preceding subsection after payment of the expenses connected therewith shall be applied in the same manner as the revenue received in respect of the harbour is by section 73 of the Pwllheli Act to be applied.

7. The Corporation may construct and maintain or purchase or take on lease all warehouses houses offices sheds weighing-machines cranes and other works buildings and conveniences which may be found necessary or desirable in connexion with the harbour for the accommodation of vessels and traffic landed at or embarked from the harbour or any other purposes of the harbour. Power to con-
struct ware-
houses &c.

8. The Corporation may for the purposes of this Order provide purchase lease or hire such steam or other dredgers engines tugs lighters and other vessels diving bells ballast lighters rubbish lighters tools plant or other materials and machinery as they think fit and may demand and receive such sums for the use of them as they think fit and may sell or dispose of them and the money thereby realised shall be applied towards the payment and discharge of any debt which may be outstanding in respect of the dredger or other property so sold or disposed of and subject as aforesaid shall be applied towards carrying into effect any purposes of Part II. of the Pwllheli Act or this Order to which capital is properly applicable. Dredging &c.

9. The harbour master may prevent the removal or sailing out of the harbour of any vessel (including fishing vessels) in respect of which or the goods imported or exported therein any rates are payable until evidence has been produced to him of the payment of those rates to the collector of rates and in the case of a vessel with a take or cargo of fish until the Harbour mas-
ter may prevent
sailing of ves-
sel.

A.D. 1907. master or owner of the vessel has given in a statement of his take or cargo of fish in accordance with the provisions of this Order.

Pwllheli.

Meters and
weighers.

10. The Corporation shall have the appointment of meters and weighers within the limits to which the Pwllheli Act or this Order extends.

Limits.

11.—(1) The limits within which the Corporation shall have authority and within which the powers of the harbour master may be exercised shall comprise the harbour.

(2) The limits within which the power to levy rates may be exercised shall comprise that part of the harbour which lies to the west of a straight line drawn from the eastern end of Gimlet Rock to the point where the boundary of the borough crosses the Abererch Road and those limits are in this Order referred to as "the rating limits" Provided nevertheless as follows :—

- (A) If any vessel shall outside the rating limits load or unload any part of its cargo from or into lighters which have carried or are about to carry the goods animals or things within the rating limits that vessel shall be deemed to have come within the rating limits and shall be liable accordingly :
- (B) Stone quarried at the existing quarries or any quarries which may hereafter be opened and worked on any land vested in the Commissioners of Woods at or in the neighbourhood of Gimlet Rock and shipped from the existing pier at that Rock or any pier or jetty which may be hereafter constructed on any land belonging to those Commissioners although within the rating limits for the purposes of serving those quarries shall not be liable to any rate exceeding $\frac{1}{2}d.$ per ton :
- (C) Save as in paragraph (B) of this subsection mentioned no animals or goods shipped or unshipped at the said existing pier or any such other pier or jetty as in that paragraph mentioned for the purposes of the working of or for use at the said quarries or any buildings connected therewith shall be liable to any rate :
- (D) No vessel loading or unloading at the said existing pier or any such other pier or jetty as in paragraph (B) of this subsection mentioned shall be liable for any toll or rate exceeding $1\frac{1}{2}d.$ per registered ton.

Rates.

New schedule
of tolls and du-
ties for Pwllheli
Harbour.

12. From and after the commencement of this Order the rates and tolls specified in the First Schedule to the Pwllheli Act shall cease to be demanded recovered or received and in lieu thereof the Corporation may within the rating limits subject and according to the provisions of this Order and the Pwllheli Act demand receive and recover for the use of the harbour and the works and conveniences connected therewith and in respect of vessels boats persons goods animals fish and things and for services

rendered described in the schedule to this Order any rates not exceeding those specified in that schedule. A.D. 1907.

Pwllheli.

13.—(1) The Corporation may (so far as the rates specified in the schedule to this Order do not extend) demand and receive such rates or other consideration as they think reasonable for the use of any warehouses sheds buildings weighing-machines mooring-posts buoys cranes works and conveniences belonging to or provided by the Corporation or in respect of any services rendered by them in connexion with the harbour. Rates for use of warehouses &c. and additional beaching ground.

(2) If the Corporation acquire under the powers of the Pwllheli Act or this Order any additional beaching ground they may with the consent of the Board of Trade demand and receive for the use of it such rates as the Corporation think reasonable.

14.—(1) The Corporation may exclude the public from any part of the lands within the harbour surrounded by the waters of the harbour or may take tolls or charges for admission in to or upon any such lands but the tolls or charges to be so taken shall in no case exceed one penny per person for each occasion upon which such lands are used. Island in harbour reclaimed.

(2) The Corporation may issue yearly or other periodical tickets for entry in to and upon such lands at compound rates but so that no preference is shown to any grantee of such tickets.

15. The Corporation may take such rates as they think proper for the supply and removal of ballast for the accommodation of vessels. Rates for ballast.

16.—(1) The Corporation may levy demand recover and receive the rates for white fish and for fresh herrings direct from the sea transhipped or unshipped within the harbour (without prejudice to their rights to levy demand recover and receive the rates from any other person) either from the fish salesmen or auctioneers who dispose of the fish or from the persons purchasing or receiving delivery of the fish from any vessel. Provisions as to collection of rates on white fish and fresh herrings.

(2) Any such fish salesman auctioneer purchaser or receiver respectively shall be entitled to deduct the amount of the rates from the price at which the fish were sold or purchased but shall when required furnish the Corporation or their collector of rates with an account by the production of their books accounts or other documents to the Corporation or to their collector of rates.

(3) If any such fish salesman auctioneer purchaser or receiver when so required refuses or fails to give and verify an account under this section or gives or subscribes a false account he shall for each offence be liable to a penalty not exceeding ten pounds.

17.—(1) The master or owner of every vessel with a take or cargo of fish shall on the arrival of the vessel within the rating limits forthwith furnish to the collector of rates a true and accurate statement of his take or cargo of fish and the name of any person obtaining delivery thereof. Master or owner to report take of fish.

A.D. 1907.

Pwllheli.

(2) If the master or owner of a vessel fails to comply with this section he shall be liable for each offence to a penalty not exceeding ten pounds.

Lifeboat crew
exempt from
rates.

18. All persons going to or returning from any lifeboat or using any apparatus for saving life and being persons either belonging to the crew of the lifeboat or to the coastguard or being persons for the time being actually employed in saving life or in exercising or using the lifeboat or the apparatus for saving life and also all persons brought ashore from any vessel in distress shall at all times have free ingress passage and egress to or along and on and from the wharves without payment.

Certain fishing
vessels under
stress of
weather exempt
from rates.

19. Fishing vessels belonging to countries with which for the time being treaties exist exempting from duties and port charges those vessels when forced by stress of weather to seek shelter in the ports or on the coasts of the United Kingdom shall when forced by stress of weather to make use of the harbour and not breaking bulk while making use thereof be exempt from rates leviable under this Order.

Adjustment of
rates.

20.—(1) The rates to be received by the Corporation shall be adjusted by them in such manner that as far as possible the income of the harbour shall be sufficient and not more than sufficient for the purposes of the harbour.

(2) If at any time it appears to the Board of Trade from the annual account to be sent to them under this Order that the clear annual income derived from the rates leviable by the Corporation under this Order on the average of the then three last preceding years after payment of all expenses and outgoings exceeds the amount sufficient for the purposes of the *Pwllheli Act* and this Order the Board may if in their discretion they think fit reduce the rates leviable under this Order to such amounts as will be sufficient to provide the amount aforesaid and may again at any time raise the rates to any amount not exceeding the rates specified in the schedule to this Order.

Annual account
to be sent to
Board of Trade.
25 & 26 Vict.
c. 19.

21.—(1) The Corporation shall within one month after sending to the clerk of the peace the copy of their annual account in abstract send a copy of the same to the Board of Trade and the sixteenth section of the *General Pier and Harbour Act 1861 Amendment Act* shall apply to and include any such account.

(2) The account shall be made up to the end of the thirty-first day of March in each year.

(3) The Corporation shall as from the expiration of one month be liable to a penalty not exceeding twenty pounds for every week or part of a week during which they refuse or neglect to comply with that section.

Power to lease Rates.

Power to lease
rates.

22. The Corporation may lease the rates authorised by this Order for any period not exceeding seven years on such terms and conditions as they

think fit and on any such lease the lessee during the continuance of and to the extent provided in the lease shall have and may exercise the same powers of levying and recovering rates as the Corporation have or might exercise under the Harbours Docks and Piers Clauses Act 1847 and the Pwllheli Act and this Order and shall be subject to all and the same provisions (if any) as to accounts and otherwise to which the Corporation are made subject by the Pwllheli Act and this Order.

A.D. 1907.

*Pwllheli.**Finance.*

23. The Corporation may from time to time in addition to any other borrowing power borrow at interest not exceeding five pounds per centum per annum on security of the harbour rates and revenue to be derived by the Corporation under the Pwllheli Act and this Order and if thought fit as collateral security on the borough fund and borough rate of the borough of Pwllheli—

(A) For the purpose of carrying this Order into effect such sum as they with the sanction of the Board of Trade may think fit not exceeding in the whole ten thousand pounds; and

(B) Such sum as may be required for the payment of the costs charges and expenses of this Order.

24. The Corporation shall pay off all moneys borrowed by them under this Order within the respective periods (in this Order referred to as "the prescribed periods") following (that is to say):—

Periods prescribed for payment off of borrowed money.

As to moneys borrowed for the purpose—

(A) in the last preceding section mentioned within such period not exceeding sixty years from the date when they are borrowed as the Board of Trade may sanction:

As to moneys borrowed for the purpose—

(B) in the last preceding section mentioned within five years from the commencement of this Order.

25.—(1) The Corporation if they think fit may borrow the moneys which they are by this Order authorised to borrow or any part thereof under the powers and subject to the provisions of the Local Loans Act 1875 by means of a loan or loans to be raised by the issue of debentures or annuity certificates or partly in one way and partly in another.

Power to borrow under Local Loans Act 1875.

(2) Any moneys borrowed by the Corporation in manner by this section authorised for the purposes of this Order shall be a charge upon and shall be paid out of the harbour rates and revenue to be derived by the Corporation under the Pwllheli Act and this Order and if so thought fit by the Corporation as a collateral security on the borough fund and borough rate aforesaid and such revenue and rates or revenue funds and rates as the case may be shall be the local rate within the meaning and for the purposes of the Local Loans Act 1875.

A.D. 1907.

Pwllheli.

(3) Every such loan shall be discharged within the period herein-before prescribed for the repayment of moneys borrowed under this Order and where any such loan is made repayable by means of a sinking fund the provisions of section 65 of the Pwllheli Act shall apply to such sinking fund in lieu of the provisions of section 15 of the Local Loans Act 1875.

Certain regulations of Public Health Act as to borrowing not to apply.

26. The powers of borrowing money by this Order given shall not be restricted by any of the regulations contained in section 234 of the Public Health Act 1875 and in calculating the amount which the Corporation may borrow under that Act or any other enactment any sums which they may borrow under this Order shall not be reckoned.

Application of certain provisions of Public Health Act 1875 to borrowing.

27. Sections 236 237 and 238 of the Public Health Act 1875 shall apply to all mortgages made under this Order but in those sections as so applied the word rates shall mean and include as well the harbour rates and revenue to be derived by the Corporation under the Pwllheli Act and this Order as the borough fund and borough rate.

Mode of payment off of borrowed money.

28.—(1) The Corporation shall pay off all moneys borrowed by them on mortgage under the powers of this Order by equal yearly or half-yearly instalments of principal or of principal and interest or by means of a sinking fund or partly by such instalments and partly by a sinking fund and the payment of the first instalment or the first payment to the sinking fund shall be made within one year or half-year (as the case may be) after the date of borrowing the sum in respect of which the payment is made.

(2) The provisions of sections 65 66 67 68 69 70 71 and 72 of the Pwllheli Act shall *mutatis mutandis* apply in regard to all moneys to be borrowed and any sinking fund to be formed under this Order.

Proceeds of sale of surplus lands to be treated as capital.

29. The Corporation may sell or lease any of the lands reclaimed from the harbour not required for the purposes of the harbour and the proceeds of sale of any such lands and the fines and premiums of any leases granted by the Corporation or other moneys received on capital account not being borrowed moneys shall be distinguished as capital in the accounts of the Corporation and shall be applied in the first place in discharge of moneys borrowed by the Corporation in respect of the harbour undertaking and thereafter in the improvement of the harbour and accesses Provided that such proceeds when used to pay off borrowed moneys shall not be applicable to the payment of instalments or to payments into the sinking fund except to such extent and upon such terms as may be approved by the Local Government Board.

Application of revenues.

30. The Corporation shall apply all moneys from time to time received by them by way of revenue in respect of the harbour undertaking in accordance with the provisions of section 73 of the Pwllheli Act.

Miscellaneous.

Extension of 10 & 11 Vict. c. 27 (ss. 28 and 99) as to exemption of Government officers &c.

31. Sections 28 and 99 of the Harbours Docks and Piers Clauses Act 1847 as incorporated with the Pwllheli Act shall apply to and for the

benefit of any Government department in the same manner as they apply to and for the benefit of the Government departments specially named in those sections. A.D. 1907.
Pwllheli.

32. All penalties under the *Pwllheli Act* and this Order shall be recovered and applied as penalties are recoverable and applicable under the *Harbours Docks and Piers Clauses Act 1847* and for all the purposes of that Act this Order shall be deemed the special Act. Recovery of
penalties.
10 & 11 Vict.
c. 27.

33. Nothing in this Order affects prejudicially any estate right power privilege or exemption of the Crown and in particular nothing herein contained authorises the Undertakers to take use or in any manner interfere with any portion of the shore or bed of the sea or of any river channel creek bay or estuary or any lands hereditaments subjects or rights of whatsoever description belonging to His Majesty in right of His Crown and under the management of the Commissioners of Woods or of the Board of Trade respectively without the consent in writing of the Commissioners of Woods or the Board of Trade as the case may be on behalf of His Majesty first had and obtained for that purpose (which consent the said Commissioners and Board are hereby respectively authorised to give). Saving rights
of Crown.

34. All costs charges and expenses of and incident to the preparing and obtaining of this Order and otherwise incurred in reference thereto (the same to be taxed by the proper officer) shall be paid by the Corporation. Costs of Order.

The SCHEDULE referred to in the foregoing Order.

I.—HARBOUR TOLLS.

All goods or articles not enumerated in the above table of rates 2d. per cwt.

All rates on goods to be shipped to be paid before shipment and all rates on goods to be unshipped to be paid before removal.

Exemption from Payment of Rates.

Any vessel for which the rates have been paid and which shall be obliged from stress of weather or any sufficient cause after leaving the harbour to return with same cargo and which does not after such return break bulk.

Any fishing-boats whether propelled by sails or by steam or by other mechanical power for which the rates have been paid which shall be compelled from stress of weather or any sufficient cause after leaving the harbour to return without shooting lines or nets or other fishing apparatus.

A.D. 1907.

Pwllheli.

The personal luggage of each passenger landing from any vessel within the rating limits not exceeding one hundredweight in weight shall be exempted from rates.

All empty boxes barrels sacks and packages returned to the original shipper within three months from date of import are exempted from rates.

All goods landed from any vessel and re-shipped in the same or another vessel in the original packages and without being transferred from the lander or if the said goods have been put into other packages through the original packages having been destroyed or damaged shall only pay rates on landing and may be re-shipped in the same or another vessel upon her departure outwards without paying rates again.

If any goods for which rates shall have been paid when loaded shall from any accident or otherwise be unloaded no rates shall be charged a second time for such goods on being re-loaded.

Goods of all description rated by weight shall be charged according to gross weight fractional parts of any weight measure number or value shall be charged proportionately and the minimum charge for a single package shall be one penny.
