

## CHAPTER xxxii.

An Act to empower the mayor aldermen and burgesses of the borough of Sunderland to construct a quay extension and other works to make further provision with reference to the local government of the borough and for other purposes. [31st July 1947.]

**W**HEREAS the borough of Sunderland (in this Act called "the borough") is a county borough under the local government and management of the mayor aldermen and burgesses of the borough (hereinafter called "the Corporation"):

And whereas by the Sunderland Corporation Act 1927 the Corporation were authorised to make and maintain a quay and quay wall and other works on the south-east side of the river Wear in the borough together with railways and other works and conveniences on the said quay and to carry on the quay undertaking so authorised and to make and levy rates dues tolls and charges in respect thereof: 17 & 18 Geo. 5.  
c. xcvi.

And whereas it is expedient that the Corporation should be empowered to make and maintain the quay railways and other works authorised by this Act for the purpose of extending the quay and quay undertaking authorised by the said Act of 1927 and that the powers contained in this Act should be conferred on the Corporation:

And whereas it is expedient to make further and better provision with regard to the local government of the borough and that the powers of the Corporation with regard thereto should be enlarged as in this Act provided:

And whereas it is expedient that the other provisions contained in this Act should be enacted:

And whereas the purposes of this Act cannot be effected without the authority of Parliament:

And whereas estimates have been prepared by the Corporation for and in connection with the following purposes and such estimates are as follows:—

|                                                                                                                                                          | £       |
|----------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| The purchase of land ... ..                                                                                                                              | 30,000  |
| The construction of the quay quay wall and retaining wall authorised by this Act and the works appliances and conveniences in connection therewith .. .. | 166,600 |
| The provision of machinery and plant in connection with the said quay ... ..                                                                             | 35,700  |
| The construction of the railways authorised by this Act and the excavation and improvement of land near the said railways ...                            | 29,000  |

And whereas the several works included in such estimates are permanent works and it is expedient that the Corporation should be empowered to borrow money for those purposes as provided by this Act:

23 & 24 Geo. 5.  
c. 51. And whereas in relation to the promotion of the Bill for this Act the requirements of Part XIII of the Local Government Act 1933 have been observed:

And whereas plans and sections showing the lines and levels of the works authorised by this Act and plans showing the lands which may be acquired under the powers of this Act and a book of reference to the plans containing the names of the owners or reputed owners lessees or reputed lessees and occupiers of the lands required or which may be taken for the purposes or under the powers of this Act were duly deposited with the town clerk of the borough which plans sections and book of reference are in this Act respectively referred to as the deposited plans sections and book of reference:

May it therefore please Your Majesty that it may be enacted and be it enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows (that is to say):—
