

CHAPTER cxvii.

An Act to alter and increase the rates tolls and dues leviable by the Shoreham Harbour Trustees to authorise them to acquire lands and for other purposes. A.D. 1925.
[7th August 1925.]

WHEREAS by an Act passed in the fifty-sixth year of the reign of King George III. chapter lxxxi. intituled "An Act for the more effectual security and improvement of the Harbour of New Shoreham in the County of Sussex" (hereinafter referred to as "the Act of 1816") Commissioners were appointed to improve and maintain the harbour of New Shoreham (hereinafter referred to as "the harbour") and to exercise with reference thereto the powers conferred by that Act:

And whereas by an Act passed in the fifty-ninth year of the reign of King George III. chapter xxxi. intituled "An Act to enable the Commissioners for improving the Harbour of New Shoreham in the County of Sussex to raise more money for completing the said harbour and the works thereto belonging" (hereinafter referred to as "the Act of 1819") further powers were conferred on the said Commissioners:

And whereas by the New Shoreham Harbour Act 1873 (hereinafter referred to as "the Act of 1873") the Shoreham Harbour Trustees (hereinafter referred to as "the Trustees") were incorporated and the property powers and duties of the said Commissioners were

— conferred on them by such Act :

And whereas by the New Shoreham Harbour Act 1876 the Acts of 1819 and 1873 were repealed and the constitution of the Trustees was altered and by that Act the Shoreham Harbour Act 1887 (hereinafter referred to as " the Act of 1887 ") and the New Shoreham Harbour Order 1918 (confirmed by the Pier and Harbour Orders Confirmation Act 1918) further powers were conferred on the Trustees :

And whereas the rates dues tolls and charges which the Trustees may levy demand and recover in respect of vessels entering and using the harbour and in respect of goods loaded or unloaded within the harbour and in respect of various other matters and things and of services rendered by the Trustees are regulated by the Acts of 1816 and 1887 subject to increases in the amount of certain of such rates dues tolls and charges authorised temporarily by orders made by the Minister of Transport under the Harbours Docks and Piers (Temporary Increase of Charges) Acts 1920 to 1922 :

And whereas the cost of maintaining the harbour and maintaining and improving the access thereto has greatly increased and in order to enable the Trustees to fulfil their statutory obligations to maintain their undertaking in a state of efficiency it is expedient to increase the maximum rates authorised by the Acts of 1816 and 1887 as in this Act provided for the period and subject to the conditions in this Act mentioned :

And whereas it is expedient that the Trustees should be authorised to acquire compulsorily or by agreement the outstanding estate interest right or title (if any) in or to certain of the lands and premises granted to them under a deed of grant dated the twenty-fifth day of March one thousand eight hundred and seventy-three and forming part of the harbour undertaking and any part of the said lands and premises which is not vested in the Trustees as in this Act provided :

And whereas it is expedient that further powers should be conferred on the Trustees as in this Act contained :

And whereas plans showing the said lands and premises in respect of which the outstanding right title

or interest (if any) are authorised to be acquired under the powers of this Act and also a book of reference to the plans containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of such lands and premises were duly deposited with the clerk of the peace to the county of East Sussex and are hereinafter respectively referred to as the deposited plans and book of reference : A.D. 1925.
