CHAPTER 22.

An Act to grant Money for the purpose of certain Local Loans out of the Local Loans Fund, and for other purposes relating to Local Loans. [15th August 1913.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grants for
public works.

1.—(1) For the purpose of local loans, there may be issued by the National Debt Commissioners the following sums, namely:—

(a) For the purpose of loans by the Public Works Loan Commissioners, any sum or sums not exceeding in the whole the sum of six million pounds:

- (b) For the purpose of loans by the Commissioners of Public Works in Ireland, any sum or sums not exceeding in the whole the sum of six hundred thousand pounds.

(2) The sums so issued shall be issued during a period ending on the day on which a further Act granting money for the purposes of those loans comes into operation and in accordance with the provisions of the National Debt and Local Loans Act, 1887. 50 & 51 Vict.
c. 16.

2. Whereas it is expedient that the principal of the several local loans specified in the Schedule to this Act should, to the extent specified in the last column of that schedule, not be reckoned as assets of the local loans fund established under the National Debt and Local Loans Act, 1887; therefore, the principal of the said loans shall to that extent be written off from the assets of the local loans fund, and the provisions of section fifteen of the said Act shall, so far as applicable, apply thereto. Certain debts
not to be
reckoned as
assets of local
loans fund.

3. Whereas in pursuance of an agreement made in the year eighteen hundred and ninety-two the sum of ten thousand pounds was advanced by the Public Works Loan Commissioners to the Eyemouth Harbour Trustees on the security of the harbour revenues with the collateral security of the Fishery Board for Scotland: Remission of
arrears of
principal and
interest in
respect of
Eymouth
Harbour loan.

And whereas by an arrangement confirmed by section three of the Public Works Loans Act, 1901, the liability of the Eyemouth Harbour Trustees in respect of the said loan was extinguished without prejudice to the liability of the Fishery Board for Scotland to repay that loan, and, in consequence thereof, the said collateral security is the sole security for the repayment of the said loan: 1 Edw. 7. c. 35.

And whereas the terms of the said collateral security are embodied in a memorandum of agreement between the Secretary for Scotland and the Public Works Loan Commissioners, dated the eleventh day of March eighteen hundred and ninety-two, whereby a portion of the "surplus herring brand fees," as defined in clause three of the said memorandum, was pledged in security for the repayment of the said loan with interest by the instalments and at the times mentioned in the security given by the Eyemouth Harbour Trustees for the said loan, and it was provided that the said portion of the "surplus herring brand fees" of any one year should only be applicable to the repayment of the one-fiftieth part of principal and interest on outstanding principal falling due under the security for the said loan in the same year, and should not be applicable to the repayment of arrears of principal:

And whereas the said portion of the "surplus herring brand fees" so pledged as aforesaid, was in the year ending the thirty-first day of March nineteen hundred and thirteen insufficient

to discharge in full the instalment of principal with interest which fell due under the security for the said loan in that year, and the principal sum of two hundred pounds, with interest amounting to one hundred and ninety-five pounds four shillings and sixpence, now remains unpaid and under the terms of the said memorandum of agreement is irrecoverable :

Therefore the said principal sum of two hundred pounds shall be extinguished, and the said arrears of interest amounting to one hundred and ninety-five pounds four shillings and sixpence shall be remitted.

Remission
of certain
claims under
5 & 6 Vict.
c. 89.

4. Whereas by the Public Works Loans Act, 1905, it was provided that the principal of (amongst others) certain loans under the Drainage (Ireland) Act, 1842, should, to the extent specified in the last column of the schedule to the first-mentioned Act, be written off from the assets of the local loans fund :

And whereas the sums specified in that column of that schedule constitute the balance remaining unpaid out of the total amount advanced under the Drainage (Ireland) Act, 1842, and relate to charges which expired prior to the year eighteen hundred and eighty-eight, and are irrecoverable :

Therefore the principal of the said local loans to the extent aforesaid shall be extinguished, and all arrears of interest thereon shall be remitted.

Short title.

5. This Act may be cited as the Public Works Loans Act, 1913.
