

**CHAPTER clv.**

An Act to confirm a Provisional Order made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Romford and District. [15th August 1913.] A.D. 1913.

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the Provisional Order set out in the schedule to this Act: 45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.
9 Edw. 7.
c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the Provisional Order made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Order Confirmation (No. 7) Act 1913.

2. The Order as amended and set out in the schedule to this Act is hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Order in
schedule
confirmed.

3.—(1) Nothing in the Romford and District Electric Lighting Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Essex County Council (in this For protec-
tion of Essex
County
Council.

A.D. 1913. — section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice in writing under the hand of their clerk or surveyor of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor or county bridge-master necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) Any difference which may arise between the Undertakers and the county council under this section shall be determined by arbitration.

S C H E D U L E.

A.D. 1913.

ROMFORD AND DISTRICT ELECTRIC LIGHTING.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the County of London Electric Supply Company Limited in respect of the urban districts of Romford and Tilbury and the rural districts of Orsett and Romford in the county of Essex.

Romford and District.

1. This Order may be cited as the Romford and District Electric Lighting Order 1913. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are (subject as hereinafter mentioned) incorporated with and form part of this Order. Incorporation of Electric Lighting (Clauses) Act 1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the County of London Electric Supply Company Limited a company registered under the Companies Acts 1862 to 1890 with limited liability and having its registered offices at Moorgate Court Moorgate Place in the city of London The said Company shall notwithstanding the exercise by the local authorities within the area of supply of their power of purchase continue to be the Undertakers for the purposes of this Order as regards the supply of electricity in bulk to authorised undertakers so long as the generating station authorised by this Order or any other generating station which may hereafter be authorised for the purpose of giving a supply of electricity under this Order is vested in them. Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up for the purposes of general supply the streets not repairable by the local authority and the railways and tramways which are mentioned in Part I. of the Second Schedule to this Order and which are situate in the area of supply. Power to break up streets &c. within area of supply for distribution of electricity.

6. For the purpose of laying mains to connect the generating station authorised by this Order to be erected in the urban district. Power to break up streets &c. in Barking

A.D. 1913.

[Ch. clv.]

Electric Lighting Order
Confirmation (No. 7) Act, 1913.

[3 & 4 GEO. 5.]

*Romford and
District.*

Town to connect generating station with area of supply.

Power to break up streets &c. in Grays Thurrock for more conveniently distributing electricity.

Power to break up streets &c. to supply electricity in bulk.

Further power to break up streets &c. with consent.

As to Undertakers' rights and obligations in respect of streets &c. outside area of supply.

of Barking Town with the area of supply the Undertakers may break up the streets and railways in that district which are mentioned in Part II. of the Second Schedule to this Order.

7.—(1) For the purpose of more conveniently supplying electricity within that part of the area of supply which is situate to the east of the urban district of Grays Thurrock the Undertakers may break up the streets railways and tramways in that district which are mentioned in Part II. of the Second Schedule to this Order.

(2) The power conferred upon the Undertakers by this section shall only be exerciseable with the consent of the local authority or if that consent is withheld with the consent of the Board of Trade.

8. For the purpose of giving a supply of electricity in bulk under the provisions of this Order the Undertakers may break up all the streets railways and tramways which are mentioned in the Second Schedule to this Order subject however as to those in the urban district of Grays Thurrock to the provisions of subsection 2 of section 7 of this Order.

9. In addition to the powers in that behalf conferred upon the Undertakers by this Order or by the Electric Lighting Acts they may in the area of supply for the purpose mentioned in section 8 in the urban district of Barking Town for the purposes mentioned in sections 6 and 8 and in the urban district of Grays Thurrock for the purposes mentioned in sections 7 and 8 of this Order break up any street repairable by the local authority with the consent of that authority or with the written consent of the Board of Trade and any street not so repairable or any railway or tramway with the consent of the authority company or person by whom such street railway or tramway is repairable or with the written consent of the Board of Trade and the Board of Trade shall not in any case give any such consent until notice has been given to such authority company or person by advertisement or otherwise as the Board of Trade may direct and an opportunity has been given to such authority company or person to state any objections they may have thereto Provided that when the Board of Trade give any such consent the provisions of this Order and of the Electric Lighting Acts shall apply to the street railway or tramway to which the consent relates as if the Undertakers had been specially authorised to break it up by this Order.

10. The Undertakers shall in respect of all streets railways and tramways lawfully broken up by them in the urban districts of Barking Town and Grays Thurrock and in respect of all electric lines and other works laid down or placed by them therein have the same rights and be subject to the same obligations and liabilities as if such streets railways and tramways were situate within the area of supply and were broken up for the purposes of general supply.

A.D. 1913.

11. Notwithstanding a purchase by any local authority of the part of the undertaking within their district the Undertakers may for the purpose of giving a supply of electricity (a) in their remaining area of supply (if any) and (b) in bulk to authorised undertakers exercise the same powers as regards the breaking up of streets railways and tramways in the district of such local authority and of laying down and placing therein electric lines and other works as if the purchase had not been made.

Romford and District.

As to laying mains within district of local authority who have exercised power of purchase.

12.—(1) The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in Part I. of the Third Schedule to this Order.

Compulsory works.

(2) In addition to the mains hereinbefore specified the Undertakers shall within a period of three years after the commencement of this Order lay down suitable and sufficient distributing mains for the purposes of general supply throughout the parts of streets specified in Part II. of the Third Schedule to this Order and shall thereafter maintain those mains.

13.—(1) If at the expiration of three years from the commencement of this Order distributing mains shall not have been laid down in each of the parishes comprised in the rural district of Orsett mentioned in the First Schedule to this Order and forming part of the area of supply the Board of Trade may if they think fit revoke this Order in respect of any of the said parishes where such mains shall not have been laid.

Power to revoke Order where no mains are laid.

(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions of the Electric Lighting (Clauses) Act 1899.

14. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Maximum prices.

15. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is five hundred and fifty pounds made up as follows (that is to say) Two hundred and fifty pounds in respect of the urban district of Romford one hundred pounds in respect of the urban district of Tilbury one hundred pounds in respect of the rural district of Orsett and one hundred pounds in respect of the rural district of Romford.

Deposit.

16. The Undertakers may enter upon take hold and use the lands described in the Fifth Schedule to this Order (hereinafter referred to as "the said lands") or any part or parts thereof and may thereon

Lands for generating station.

A.D. 1913. erect maintain and use a station or stations together with all such buildings engines batteries dynamos accumulators and other plant machinery apparatus works and conveniences as may be necessary or suitable for generating electricity and section 81 of the schedule to the Electric Lighting (Clauses) Act 1899 incorporated with this Order shall not apply to the said generating station or other works.

Correction of errors in deposited plans and book of reference.

17. If there be any omission mis-statement or wrong description of any lands or of the owners lessees or occupiers of the said lands on the deposited plans or in the deposited book of reference the Undertakers after giving ten days' notice to the owners lessees and occupiers of the lands in question may apply to two justices acting for the county of Essex for the correction thereof and if it appear to the justices that the omission mis-statement or wrong description arose from mistake they shall certify the same accordingly and they shall in their certificate state the particulars of the omission and in what respect any such matter is mis-stated or wrongly described and such certificate shall be deposited with the clerk of the peace for the said county and a duplicate thereof shall also be deposited with the clerk of the urban district council of Barking Town in which the said lands are situate and such certificate and duplicate respectively shall be kept by such clerk of the peace and such clerk of the urban district council respectively with the other documents to which the same relate and thereupon the deposited plans and book of reference shall be deemed to be corrected according to such certificate and it shall be lawful for the Undertakers to take the said lands in accordance with the certificate.

Period for compulsory purchase of lands.

18. The powers by this Order conferred upon the Undertakers for the compulsory purchase of the said lands shall cease after the expiration of five years after the commencement of this Order.

Supply to railways &c for incidental purposes.

19. If the Undertakers obtain the consent of the Board of Trade under subsection 1 of section 5 of the Electric Lighting Act 1909 to the supply by them within their area of supply of electricity for the purposes of haulage or traction on any railway tramway or canal situate partly within and partly without that area or for the purpose of lighting vehicles and vessels used on any such railway tramway or canal they may so supply electricity to be used for purposes incidental to the working or lighting of such railway tramway or canal other than the purposes aforesaid.

Supply of electricity in bulk.

20.—(1) The Undertakers may enter into and carry into effect agreements with any undertakers authorised for the time being to supply electricity in the urban districts of Barking Town Grays Thurrock or Romford to give to such undertakers a supply of electricity in bulk.

(2) Nothing in this section shall be construed as affecting the power of the Undertakers to supply electricity in bulk with the permission of the Board of Trade under subsection 3 of section 4 of the Electric Lighting Act 1909. A.D. 1913.
Romford and District.

21.—(1) The Romford Urban District Council (in this section referred to as "the council") as the local authority for that part of the area of supply which is constituted by the Romford Urban District may if they think fit (in addition to and not in derogation of the power of the council to purchase under section 2 of the Electric Lighting Act 1888 as a local authority within the meaning of that section) at the expiration of twenty-one years from the commencement of this Order on having given to the Undertakers twelve months' notice in writing require the Undertakers to sell and thereupon the Undertakers shall sell to them so much of the undertaking authorised by this Order as is within the district of the council (including all lands buildings works materials and plant within the district which are suitable to and used by the Undertakers for the purpose of that part of the undertaking) upon terms of paying to the Undertakers the fair value thereof as a going concern with such allowance for goodwill as may attach thereto on the sale thereof as a going concern. Power of
purchase by
Romford
Urban
District
Council.

(2) The amount to be paid on any such purchase shall be determined in default of agreement by arbitration and the Board of Trade may determine any other question which arises with reference to the purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) From the date on which the purchase takes effect the part of the undertaking purchased shall vest in the council freed from all debts mortgages or similar obligations of the Undertakers or attaching to that part of the undertaking and the powers of the Undertakers in relation to the supply of electricity within the district of the council under this Order shall absolutely cease and determine and shall vest in the council.

(4) The council shall not in exercise of the special power of purchase conferred upon them by this Order or of the power of purchase conferred upon them by section 2 of the Electric Lighting Act 1888 be entitled or required to acquire any substation or part thereof constructed or any mains laid by the Undertakers within the district of the council or any apparatus connected therewith except such or so much thereof as shall be suitable to or used for the supply of electricity within the district of the council and the Undertakers shall not be entitled to claim any compensation for severance in respect of any partition of any substation used by them at the date on which the purchase takes effect for giving a supply outside the district of the council or for the loss of any consumers outside such district supplied by the Undertakers prior to such purchase through

A.D. 1913. their distributing mains within such district or in consequence of the cutting or disconnecting of any such mains.
Romford and District.

(5) In the event of the special power of purchase hereinbefore contained or the power of purchase conferred by section 2 of the Electric Lighting Act 1888 being exercised by the council the council shall thereafter be entitled to require the Undertakers to give them a supply of electricity sufficient for the purposes of the district of the council for such period (to be determinable however on the Undertakers ceasing to possess the power under this Order of supplying electricity in bulk) and on such terms as in default of agreement may be determined by arbitration and on such requisition being made to them by the council the Undertakers shall take all necessary steps to enable them to give such supply accordingly.

(6) If when the council give notice of their intention to exercise the power of purchase conferred upon them by section 2 of the Electric Lighting Act 1888 they make a binding offer to the Undertakers to take a supply of electricity in bulk sufficient for the purposes of the district of the council for a period of fifteen years from the completion of the purchase (or for such period not exceeding the said period of fifteen years as the Undertakers shall continue to possess the power under this Order of supplying electricity in bulk) on terms to be determined in default of agreement by arbitration the amount to be paid on such purchase shall not directly or indirectly include compensation in respect of any loss occasioned by severance.

Saving rights
of the Crown.

22. Nothing in this Order affects prejudicially any estate right power privilege or exemption of the Crown and in particular nothing herein contained authorises the Undertakers to take use or in any manner interfere with any land or hereditaments (including the subsoil of any road or street) or any rights of whatsoever description belonging to His Majesty in right of His Crown and under the management of the Commissioners of Woods without the consent in writing of the Commissioners of Woods on behalf of His Majesty first had and obtained for that purpose (which consent such Commissioners are hereby authorised to give).

Protection
for Port of
London
Authority.

23. Nothing in this Order shall authorise the Undertakers to interfere in any manner with the bed soil banks or shores of the River Thames or the navigation thereof or any property of the Port of London Authority within the limits of the Port of London as defined by the Port of London Act 1908 or affect in any manner the rights powers or privileges of the Port of London Authority.

For pro-
tection of
Corporation
of London.

24. Before commencing the execution of any works in the streets described in the Second Schedule to this Order as the Manor Way Hornchurch Manor Way Rainham and the Causeway across the canal on the eastern boundary of the parish of Dagenham near the intersection of the canal with the River Thames the Undertakers shall serve

upon the Corporation of the City of London the like notice as is provided by section 15 of the schedule to the Electric Lighting (Clauses) Act 1899 incorporated with this Order to be served upon the owners within the meaning of that section and the said Corporation shall have the same rights and remedies in respect of the said streets under that section as if they were the owners within the meaning thereof.

A.D. 1913.

Romford and District.

25. For the purpose of section 18 of the schedule to the Electric Lighting (Clauses) Act 1899 the Commissioners of Sewers for the levels of Havering and Dagenham Ripple Barking East Ham Leyton and Walthamstow and the Commissioners of Sewers for the levels of Rainham Wennington West Thurrock and Aveley Chadwell Little Thurrock and Grays East Tilbury West Tilbury and Childerditch in the county of Essex shall be deemed to be a local authority in regard to any sewers watercourses culverts or other works belonging to them on under or along any street.

For protec-
tion of Com-
missioners
of Sewers as
regards
works in
streets.

26. For the further protection of the Commissioners of Sewers for the levels of Havering Dagenham Ripple Barking East Ham Leyton and Walthamstow in the county of Essex (in this section called "the Commissioners") the following provisions shall unless otherwise agreed between the Undertakers and the Commissioners have effect (that is to say):—

For protec-
tion of Com-
missioners of
Sewers as
regards
works on
site for
generating
station.

- (1) One month before they commence any works on the said lands which may affect any river walling banks or defences within and under the jurisdiction of the Commissioners the Undertakers shall submit to the Commissioners particulars together with plans sections and drawings showing all details of any such works which the Undertakers propose to carry out and no such works shall be carried out otherwise than in accordance with particulars plans sections and drawings approved by the Commissioners or settled by arbitration as hereinafter provided:
- (2) If within 21 days after the receipt of such particulars plans sections and drawings the Commissioners shall not have approved the same or intimated to the Undertakers their requirements thereon or in respect of any such works they shall be deemed to have approved such works particulars plans sections and drawings and such works may be carried out accordingly:
- (3) The Undertakers shall where they stop up alter or divert any river walling banks foreshore works or defences within the jurisdiction of the Commissioners construct and provide such new altered or substituted works for the defence and drainage of the levels as may be reasonably required by the Commissioners and any new altered or substituted work

A.D. 1913.

Romford and
District.

as aforesaid shall when so constructed be under the jurisdiction and control of the Commissioners and any expense involved in the maintenance of such new altered or substituted works shall be borne by the Undertakers :

- (4) Within the limits of the lands acquired by the Undertakers in the levels the Undertakers shall at all times maintain to the reasonable satisfaction of the Commissioners' engineer all river walling banks and works and if any river walling or banks adjacent to such lands shall be affected or the cost of maintenance thereof be increased by the construction existence or use of any works buildings plant or machinery of the Undertakers they shall pay on demand any additional cost incurred in respect of the maintenance and upkeep of any such river walling or banks :
- (5) In case the Undertakers shall neglect or omit after written notice sent by post in a registered letter by the Commissioners' clerk or engineer addressed to the secretary of the Undertakers and not returned as undelivered to maintain or reinstate any such river walling bank or work or to do any other work provided for by this section the Commissioners may cause the same to be done and the reasonable expense thereof shall be repaid by the Undertakers to the Commissioners on demand :
- (6) For the purpose of securing the due observance of the provisions of this section the Commissioners' engineer or other accredited officer of the Commissioners shall be entitled at all reasonable times to enter upon the said lands and to inspect any works of the Undertakers which shall be carried out to the reasonable satisfaction of the said engineer or other officer in so far as the same may affect the sea walls and works :
- (7) If any difference shall arise in respect to any matter under this section between the Undertakers on the one hand and the Commissioners on the other hand or concerning any particulars to be delivered to the Commissioners under the foregoing provisions of this section the matter in difference shall be referred to and settled by an arbitrator to be agreed upon or failing agreement to be appointed on the application of either party by the Board of Trade and the costs of such arbitration shall be borne as the arbitrator shall direct.

Restriction
on linking up
with London
stations and
areas.

27. The powers contained in the London Electric Supply Act 1908 as regards making any connection between the area of supply specified in or any generating station authorised to be erected under this Order and any area of supply of or any generating station of any authorised

undertakers or specified companies referred to in the said Act of 1908 shall only be exercised subject to the approval of the Board of Trade and the undertakers when submitting any proposals for any such connection shall furnish particulars of such proposals to the London County Council who shall be entitled to make representations to and be heard by the said Board thereon.

A.D. 1913.

Romford and District.

28. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

Commence-
ment of
Order.
