[16th December 1952.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Grants for
public works.

1.—(1) There may be issued by the National Debt Commissioners for the purpose of local loans by the Public Works Loan Commissioners any sum or sums not exceeding in the whole the sum of five hundred million pounds.

(2) The sums so issued shall be issued during the period beginning with the passing of this Act and ending on the day on which a further Act granting money for the purposes of those loans comes into operation, and in accordance with the provisions of the National Debt and Local Loans Act, 1887.

2. The period aforesaid shall be an issue period within the meaning of section two of the Public Works Loans (No. 2) Act, 1946 (which enables the Public Works Loan Commissioners to undertake to grant loans which include loans falling to be advanced after the expiration of the current issue period), and the aggregate of—

Debt not to be reckoned among assets of Local Loans Fund.

Now, therefore, the principal of the said loan to the extent aforesaid shall be written off from the account of assets of the Local Loans Fund, and the provisions of section fifteen of the National Debt and Local Loans Act, 1887, shall, so far as applicable, apply thereto.

4. Whereas the principal of the local loan specified in the table contained in the First Schedule to this Act is irrecoverable to the extent of the sum specified in the third column of that table:

And whereas the principal of the local loans specified in the table contained in Part I of the Second Schedule to this Act, which was written off from the assets of the Local Loans Fund by the Acts specified in the fourth column of that table, remains unpaid and is irrecoverable to the extent of the sums specified in the third column of that table:

Now, therefore, the principal of the said loans shall, to the extent aforesaid, be extinguished and all arrears of interest thereon shall be remitted.

Remission of
interest on
certain
local loans.

5. Whereas there are arrears of interest on the local loans specified in the table contained in Part II of the Second Schedule to this Act of the amounts specified in the third column of that table, and those arrears of interest are irrecoverable:

Now, therefore, those arrears of interest shall be remitted.

(2) Any payment under the foregoing subsection shall be made good by deduction from the Northern Ireland residuary share of reserved taxes.

(3) Subsection (2) of section twenty-seven of the Government of Ireland Act, 1920 (which provides for annual payments to the Local Loans Fund, and deductions from the Northern Ireland residuary share of reserved taxes, on account of the amount due in each year in respect of the loans to which this section applies), shall not apply to amounts due in respect of those loans after the date specified in any certificate under subsection (1) of this section; and any sums collected after the said date by the Government of Northern Ireland on account of those loans may, instead of being paid into the Exchequer of Northern Ireland under subsection (1) of the said section twenty-seven, be dealt with in such manner as the Parliament of Northern Ireland may determine.

(4) The loans to which this section applies are all loans made out of the Local Loans Fund before the twenty-second day of November, nineteen hundred and twenty-one, to authorities and persons in Northern Ireland, other than advances made for the purposes of the enactments relating to land purchase in Ireland.
