resignation death or determination of their appointment by the council appointing them : A.D. 1912.

- (B) Fifteen members elected in manner provided by this Order by the persons who under this Order are entitled to vote for the election of members representative of private fisheries :
- (C) Members representative of public fisheries within the Fishery District to be elected in the same numbers and under the same rules as to election as representative members under sections 29 to 33 of the Salmon Fishery Act 1873 except that after the year nineteen hundred and twelve the elections shall be triennial and the number of members to be elected shall be determined according to the average amount of licence duty paid in the year of election and the two preceding years :
- (D) Members representative of the interests of persons fishing with rod and line for trout char or freshwater fish to be appointed by [the Board of Agriculture and Fisheries Such members shall be appointed triennially and except in the case of an appointment to fill a vacancy caused by death or resignation shall come into office on the appointed day in each year The number of members to be so appointed shall (subject as hereinafter provided) be regulated by the average amount of licence duty paid for fishing with rod and line for trout char or freshwater fish in the year of election before the first day of December and in the two preceding years which amount shall if so required be certified to the Board of Agriculture and Fisheries by the clerk to the Fishery Board If the amount of licence duty so paid does not exceed two hundred pounds four members may be so appointed and if it exceeds that sum one additional member may be appointed for every additional fifty pounds so paid The number of such members to be first appointed shall be four of whom one member shall be specially appointed to represent the interests of persons fishing with rod and line for trout char or freshwater fish in each of the Rivers Kent Leven and Duddon :
- (E) Any person who is entered in the register of assessments as an owner of a private fishery or private fisheries assessed for the purpose of fishery contributions under this Order at a total yearly value of fifty pounds or more shall subject to the provisions of this subsection be entitled to act as an additional member of the Fishery Board ;

A.D. 1912.

Where a person entitled to act as an additional member is an infant or a lunatic the guardian or committee of the estate as the case may be shall be entitled to act in the place of such person ;

An additional member may nominate by power of attorney an agent to act for him as a member and an agent so nominated shall be entitled so to act until the power is duly determined. A copy of every such nomination and notice of the determination of a nomination shall be sent as soon as may be by the owner making or determining the nomination to the clerk of the Fishery Board and an agent shall not be entitled to act until a copy of his nomination has been received by the clerk ;

Where persons entitled to act as additional members are so entitled as joint tenants or tenants in common of a fishery or fisheries they shall act only by an agent nominated by them in manner hereinbefore provided who may be one of the persons by whom the nomination is made.

(3) Where an additional member is elected as a member representative of private fisheries he shall not be entitled to vote in each capacity on any question to be determined by the Fishery Board and for the purpose of a quorum shall be counted as one member. This provision shall not affect a nomination by the additional member of an agent to act for him as an additional member.

Election of
members re-
presentative
of private
fisheries.

3. The following rules shall be observed with respect to the election of members representative of private fisheries :—

(1) The electors shall be the owners of private fisheries assessed for the purposes of fishery contributions under this Order who on the first day of December in any year of election are entered in the register of assessments and have then paid the fishery contributions (if any) due from them :

(2) Each elector shall be entitled to vote according to the following scale :—

If the fishery or fisheries in respect of which he is entitled to vote is or are assessed for the purposes of this Order at the yearly value of twenty pounds or less one vote for each member to be elected ;

If the assessment exceeds twenty pounds one vote for each such member in respect of each twenty pounds or part thereof :

Provided that this scale may from time to time be varied by an order of the Fishery Board approved by the Board of Agriculture and Fisheries :

(3) An elector may give all his votes to any one of the persons nominated or may distribute them among such of the persons nominated not exceeding the number to be elected as he shall think fit: A.D. 1912.

(4) The nomination and election shall be in accordance with the regulations set forth in the Second Schedule to this Order.

4. The term of office of an elected member of the Fishery Board shall be three years and on the appointed day in each third year the elected members shall go out of office and their places shall be filled by the newly elected members Any member going out of office shall be eligible for re-election. Term of office of elected members.

ASSESSMENTS AND FINANCIAL PROVISIONS.

5. For defraying expenses incurred in carrying into effect this Order and the Salmon and Freshwater Fisheries Acts 1861 to 1892 or any Act amending the same the Fishery Board may impose collect and recover contributions to be paid by the owners of the whole of the fisheries in the Fishery District liable to be assessed and such contributions shall be apportioned on the several owners in proportion to the assessed value of their fisheries: Imposition collection and recovery of contributions assessed on private fisheries.

Provided that no order imposing a contribution shall be made at any meeting unless notice of an intention to impose a contribution at such meeting shall have been given in the notice convening the meeting which notice shall be issued one fortnight at least before the date of the meeting and unless there are nine members present at the meeting:

Provided also that except with the consent of the Board of Agriculture and Fisheries the Fishery Board shall not incur expenses or liabilities which would involve the imposition of a contribution in any financial year of more than five shillings in respect of every pound of the assessed value.

6.—(1) The fisheries liable to be assessed shall be all private fisheries for salmon and trout or either of them in the Fishery District which are of the yearly value of five pounds or upwards Provided that the Fishery Board may by order made in the manner hereby prescribed for making an order imposing a contribution exempt from assessment for such period not exceeding three years as is stated in the order the fisheries in any part of the Fishery District specified in the order Provided also that the fisheries in any reservoir or other waters in the Fishery District which form part of the water undertaking of a water authority shall while owned by the authority be exempt from assessment unless and until revenue is derived from the fisheries by the authority Provided also that the fisheries in any Fisheries: liable to be assessed.

A.D. 1912. canal shall not be liable to assessment unless and until an order to that effect is made by the Board of Agriculture and Fisheries either with the consent of the owner of the canal or after notice to the owner of the intention of the Board to make such order and consideration by the Board of any objection sent to the Board by or on behalf of the owner.

(2) If the owner or occupier of a fishery by agreement with the Fishery Board restricts the use of the fishery such restriction shall be taken into account in determining the yearly value of the fishery.

(3) On the application of the owner or occupier of a fishery in any reservoir which is shown to the satisfaction of the Fishery Board to have no connexion with any water above or below through which fish can pass into or out of the reservoir the Fishery Board shall by a certificate exempt the fishery from assessment and any such certificate may be withdrawn by the Fishery Board if in their opinion the reservoir ceases to fall within the scope of this provision.

Yearly value
for purposes
of assess-
ment.

7. The yearly value of a fishery shall be the rent at which the same might reasonably be expected to let from year to year free of all usual tenants' rates and taxes and tithe rentcharge (if any) and deducting therefrom the probable average annual cost of the repairs and other expenses (if any) necessary to maintain the fishery in a state to command such rent. Provided that where a fishery is separately rated to the relief of the poor the rateable value as ascertained for such purposes shall for the purposes of this Order and subject to the provisions of this Order be deemed to be the yearly value of the fishery.

Assessment
committee.

8.—(1) The Fishery Board shall appoint an assessment committee of not less than five members of the Board of whom three shall form a quorum and such committee shall cause the yearly value of every fishery which appears to them to be liable to be assessed to be determined either by written agreement with the owner thereof or in default of such agreement then in accordance with the provisions of this Order in manner provided by this section.

(2) If the assessment committee and the owner of a fishery fail to agree as to the yearly value of the fishery the committee may provisionally assess the yearly value of a fishery at such amount as they think reasonable and notify such provisional assessment by registered post to the reputed owner of the fishery by a notice in the form set forth in the Third Schedule hereto. If no objection to such provisional assessment is received by the clerk of the assessment committee within fourteen days after the date on which the notice was posted the yearly value of the fishery shall for the purposes of this Order be deemed to have been determined by agreement at

the amount stated in the notice and the person to whom the notice was sent shall be entered in the register of assessments as the owner of the fishery. If objection is duly made to such provisional assessment and the assessment committee and the owner of the fishery fail to agree as to the yearly value of the fishery the yearly value may be determined by a single arbitrator appointed in default of agreement on the application of either party by the Board of Agriculture and Fisheries under and in accordance with the provisions of the Arbitration Act 1889 or any statutory modification of that Act. A.D. 1912.

(3) A clerk may be appointed by the assessment committee but in the absence of such appointment the clerk of the Fishery Board shall be the clerk of the committee.

(4) Assessment committees may be appointed for separate parts of the Fishery District and a committee so appointed shall act in accordance with any rules made by the Fishery Board.

(5) A member of an assessment committee shall not act as such in relation to a fishery if he is owner or occupier of the fishery or the agent of the owner or occupier.

9.—(1) The yearly value of a fishery when determined shall if amounting to five pounds or upwards be entered by the clerk of the Fishery Board in the register of assessments with a description of the fishery and the name and address of the owner thereof. The clerk of the Fishery Board may upon the application of any person claiming to be the owner of a fishery entered in such register and upon such evidence of ownership as appears to him to be sufficient insert the name and address of the applicant in the register as the owner of the fishery in the place of any person so entered as owner thereof. Register of assessments.

(2) The register of assessments shall be kept at the office of the clerk of the Fishery Board and be open to inspection free of charge by any person bonâ fide claiming to be an owner of a fishery registered or liable to be registered therein or by the agent of the owner and this right of inspection shall include a right to make copies of entries in the register.

10.—(1) On the date determined by the Fishery Board every contribution shall be payable by the owners of the fisheries assessed to the collector appointed by the Fishery Board to receive the same. Provided that if the collector is unable to ascertain the owner of any fishery or if the owner of a fishery makes default in paying the amount due from him the amount may be recovered by the collector as a debt from the occupier of the fishery and the occupier shall subject to any agreement to the contrary be entitled to deduct from the rent of the Recovery of contributions.

A.D. 1912. fishery (if any) payable by him any sum so paid on behalf of the owner thereof or recover the same from the owner as a debt.

(2) Notice of demand for payment of a contribution in the form set forth in the Third Schedule to this Order shall be sent by post to the persons entered in the register of assessments as owners of fisheries and in any proceedings for the recovery of a contribution a certificate in the form set forth in such Schedule purporting to be signed by the clerk of the Fishery Board shall be sufficient evidence of the facts therein stated and unless the contrary is proved the person entered in the register of assessments as owner of a fishery shall for the purpose of any such proceedings be deemed to be the owner of the fishery.

Apportion-
ment &c. of
assessments.

11.—(1) The assessment committee shall on the application of any person claiming to be the owner of a fishery liable to be assessed under this Order proceed as soon as is practicable to—

(i) determine the yearly value of the fishery in the manner herein-before provided if it has not been determined either separately or in one assessment with another fishery; or

(ii) apportion the assessed yearly value between the fishery of the applicant and any other fishery included in the same assessment; or

(iii) re-determine the yearly value of the fishery in the manner herein-before provided.

(2) In the case of apportionment notice of the application shall be given to the owner of any other fishery included in the same assessment and the committee shall apportion the yearly value between the fisheries but the owner of any fishery may by notice in writing delivered or sent by post to the clerk of the Fishery Board within seven days after receipt of notification of the apportionment require the apportionment to be made by a valuer appointed by the Board of Agriculture and Fisheries and the apportionment shall thereupon be so made. The remuneration of the valuer shall be fixed by the last-mentioned Board and be paid by such one of the owners of the fisheries or by such owners in such shares as the valuer shall direct.

(3) The yearly value of a fishery may be re-determined from time to time without an application by the owner of a fishery. Provided that no re-determination shall be made whether on the application of the owner or not until after the expiration of three years from the date of the previous determination except with the consent of the Fishery Board and the owner of the fishery unless by the making or revocation of a byelaw the yearly value thereof is increased or diminished.

12. Subject to the provisions of this Order the Fishery Board may expend any moneys in their hands on any matter they may think conducive to the maintenance improvement or development of the fisheries within the Fishery District. A.D. 1912.
Powers of Fishery Board as to expenditure.

13. Section 28 of the Salmon Fishery Act 1865 shall extend to mortgages of contributions authorised to be imposed under this Order. Mortgages of contributions.

14. The accounts of the Fishery Board shall be balanced in each year to the thirty-first day of December and shall forthwith be audited by some person appointed by the Board of Agriculture and Fisheries whose remuneration shall be fixed by that Board and paid by the Fishery Board. A copy of the audited accounts with the report (if any) of the auditor thereon shall as soon as possible be sent to the Board of Agriculture and Fisheries by the Fishery Board. Audit.

RETURNS BY PERSONS TAKING FISH IN THE DISTRICT.

15. The Board of Agriculture and Fisheries may as regards any specified kind of fish require returns to be made and sent to the Board by every person taking such fish within the Fishery District within one month after the receipt by such person of a form of return sent to him by the Board by registered post and if any person to whom such a form is so sent fail without lawful excuse to make and send to the Board a full and true return in the form so provided he shall be liable on summary conviction to a penalty not exceeding five pounds unless he proves to the satisfaction of the court that he did not receive the form of return so sent. If any person in making a return shall require that the particulars comprised in his return shall not be disclosed the Board shall not disclose them except for the purposes of a prosecution under this provision or for determining the value of a fishery for the purposes of this Order and except that in compiling any report or summary of statistics the Board may include such particulars so arranged that no person will be able to identify any particulars so published as particulars relating to the person making the return or his business. Power for Board of Agriculture and Fisheries to require fishery returns.

LICENCES FOR FISHING FOR FRESHWATER FISH.

16.—(1) The Fishery Board shall in addition to their power to issue licences to fish for trout or char have power to issue licences to all persons fishing for freshwater fish within the Fishery District and in the event of the power being exercised the provisions of sections 33 to 37 of the Salmon Fishery Act 1865 and sections 21 22 and 25 of the Salmon Fishery Act 1873 (relative to licences under those Acts) shall except as hereinafter provided apply in relation to licences Power to require licences for instruments used for freshwater fish.

A.D. 1912. under this provision with the substitution therein of the words "freshwater fish" for the word "salmon" and of "waters in the Fishery District" for "river or part of a river" and subject to the terms of this Order.

(2) The sum payable for a licence to fish for freshwater fish shall not exceed the sum which is payable for a licence to fish for trout or char.

(3) The power conferred by this section may be exercised in respect of all freshwater fish or of specified kinds of freshwater fish and in the latter case the specified kinds of fish shall be stated in any scale of licence duties fixed under this section and this section shall apply only to those kinds of fish.

(4) Every scale of licence duties for fishing for freshwater fish or variation of such scale shall take effect on the first day of January after the date of its approval by the Board of Agriculture and Fisheries.

Provisions
affecting
licences for
fishing for
freshwater
fish.

17.—(1) A licence to fish for salmon within the Fishery District shall also have effect as a licence to fish for freshwater fish.

(2) The Fishery Board shall not enforce any scale of licence duties for fishing for freshwater fish under the preceding section unless they have previously given notice of their intention in this behalf by advertisement in one or more local newspapers not less than once in each week for four consecutive weeks before the commencement of the year in which the scale is to take effect and the production of a copy of a newspaper containing any such advertisement as aforesaid shall be conclusive evidence of due notice having been given in accordance with this provision and such advertisement shall be in substitution for the advertisement required by section 25 of the Salmon Fishery Act 1873.

(3) The provisions of this Order and of the Salmon and Freshwater Fisheries Acts 1861 to 1892 with respect to licences shall not apply to any canal unless and until an order to that effect is made by the Board of Agriculture and Fisheries either with the consent of the owner of the canal or after notice to the owner of the intention of the Board to make such order and consideration by the Board of any objection sent to the Board by or on behalf of the owner.

of law as to
gratings.

28. Sections 58 and 60 of the Salmon Fishery Act 1873 shall apply within the Fishery District with the substitution of "salmon or freshwater fish" for "salmon" and as if the words "from the nature of the channel" were omitted from section 60.

Modification
of Salmon
Fishery Act
1861 s. 25 and
Salmon
Fishery Act
1873 s. 46.

29. In any case in which by the provisions of the Salmon and Freshwater Fisheries Acts 1861 to 1892 a fish pass is required to be attached to or made as part of the structure of any dam weir or other obstruction to the passage of salmon the Board of Agriculture and Fisheries may by written permit exempt such dam weir or obstruction from the operation of such provisions so long as there is maintained in an efficient state a fish pass not attached to or forming part of the structure of the dam weir or obstruction but of such form and dimensions and in such position as in the opinion of the said Board are efficient to facilitate the passage of salmon past such dam weir or obstruction and are approved accordingly under the seal of the said Board.

Modification
of Salmon
Fishery Act
1861 s. 23.

30. The power of erecting a fish pass attached to a dam conferred by section 23 of the Salmon Fishery Act 1861 as amended by the Salmon Fishery Act 1873 shall extend to the erection and maintenance of a fish pass adjacent to but not attached to the dam.

Confirmation
of byelaws.

31. A byelaw made by the Fishery Board may be confirmed by the Board of Agriculture and Fisheries either without modification or with such modification as may be assented to by the Fishery Board and in the latter case notice of the proposed modification shall be given by the Fishery Board by advertisement or otherwise in accordance with the directions (if any) of the Board of Agriculture and Fisheries in that behalf.

Proof of
byelaws.

32. A copy of any byelaw made by the Fishery Board purporting to be signed by the clerk of the Fishery Board and certified by him to be a true copy and to have been duly confirmed shall be evidence until the contrary is proved in all legal proceedings of the due making confirmation publication and existence of such byelaws without further or other proof.

Application
of provisions
of Salmon
and Fresh-
water Fisher-
ies Acts.

33.—(1) The provisions of the Salmon and Freshwater Fisheries Acts 1861 to 1892 with respect to conservators boards of conservators and fishery districts except as herein expressly provided and so far as they are consistent with the provisions of this Order shall apply to the Fishery Board the members of the Board and the Fishery District as if such Board and District were formed under those Acts and as if the waters in the Fishery District were a river and subject to the provisions of this Order the Fishery Board shall as regards the Fishery District have all such powers and duties as may be exercised or discharged by a board of conservators constituted under the said Acts or any of them.

(2) The provisions of the said Acts with respect to the formation alteration combination and dissolution of fishery districts and the sections or parts of sections of the said Acts mentioned in the Fourth Schedule to this Order shall not apply to the Fishery Board or within the Fishery District. A.D. 1912.

34.—(1) Nothing in the Salmon and Freshwater Fisheries Acts 1861 to 1892 or this Order or any byelaw made by the Fishery Board penalising the use of any instrument or its use without a licence or prohibiting or restricting the catching or killing of or the attempting to catch or kill any kind of fish shall apply in relation to the removal of fish from any reservoir or other waters in the Fishery District which form part of the water undertaking of a water authority or of a canal by the direction of the authority or owner of the canal for the purposes of their undertaking. For protection of public water undertakings.

(2) An officer of the Fishery Board shall not under the powers conferred by the said Acts or this Order have any power to interfere with any lands machinery appliances or works which form part of the water undertaking of any local authority or water board or of a canal.

(3) The Fishery Board shall on the application of (a) a water authority being the owner of any reservoir or (b) the owner of any canal appoint a water bailiff for the protection of such reservoir or canal who shall be paid by the applicant for such appointment. But unless otherwise directed by the instrument appointing him the powers of any such water bailiff shall not extend beyond the reservoir or canal of the applicant for his appointment.
