

CHAPTER v

An Act to confer further powers on the Port of London Authority and for other purposes.

[17th April 1957.]

WHEREAS by the Port of London Act 1908 the Port of London Authority (hereinafter referred to as "the Port Authority") were established for the purpose of administering preserving and improving the port of London and for other purposes in that Act set forth and by that Act (inter alia) the undertaking and powers of the London and India Docks Company and other undertakings and powers were transferred to and vested in the Port Authority and other powers were conferred on the Port Authority and other provisions were made with reference to the port of London:

And whereas by various subsequent Acts and Orders further powers were conferred on the Port Authority and the Port Authority have executed divers works for the improvement of the port of London:

And whereas it is expedient that certain of the rates which may be demanded and taken by the Port Authority should be increased and that further or new provisions as in this Act contained should be made with respect thereto:

And whereas it is expedient that the power of the Port Authority to obtain advances of such sums of money as they may require for meeting their obligations and carrying on their business and the power to issue bills and bonds and to receive money on deposit should be increased as in this Act provided:

And whereas it is expedient that other powers be conferred on the Port Authority as in this Act contained and that the other provisions in this Act be enacted:

And whereas the objects of this Act cannot be attained without the authority of Parliament:

May it therefore please Your Majesty that it may be enacted and be it enacted by the Queen's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

Short and
collective
titles.

1.—(1) This Act may be cited as the Port of London Act 1957.

(2) The Port of London Acts 1920 to 1952 and this Act may be cited together as the Port of London Acts 1920 to 1957.

Interpreta-
tion.

2. In this Act unless the subject or context otherwise requires—

“ the Act of 1920 ” means the Port of London (Consolidation) Act 1920;

“ the Act of 1923 ” means the Port of London (Dock Charges) Act 1923;

“ the Act of 1932 ” means the Port of London (Various Powers) Act 1932 ;

“ the Act of 1950 ” and “ the Act of 1952 ” mean the Port of London Acts of those respective years;

“ the Port Authority ” means the Port of London Authority;

“ the Port Fund ” means the Port Fund established in pursuance of the Port of London Act 1908.

Increase of
landing and
rafting rates
(import).

3. The First Schedule to this Act shall be substituted for Part I of the schedule to the Act of 1923 and section 3 (Rates on goods) of the Act of 1923 shall have effect as if the First Schedule to this Act were referred to therein instead of Part I of the schedule to the Act of 1923 and the Port of London Acts 1920 to 1957 shall be read and construed accordingly.

Increase of
wharfage and
portage
rates (export)
and of port
rates on goods.

4. The maximum amounts of the rates authorised by the provisions of the Acts specified in the first column of the Second Schedule to this Act (of which rates short particulars are contained in the second column) are hereby increased by an amount equal to twenty-five per centum of the respective amounts thereof and the Port of London Acts 1920 to 1957 shall be read and construed accordingly.

Amendment
of section 98
of Act of
1920.

5. Section 98 (Power to obtain advances) of the Act of 1920 shall have effect as if the words “ two million pounds ” and “ four million pounds ” were substituted respectively for the words “ one million pounds ” and “ two million pounds ” in that section.

6. Section 99 (Power to issue bills and bonds) of the Act of Amendment 1920 shall have effect as if the words "six million pounds" were substituted for the words "three million pounds" in subsection (3) of that section. of section 99 of the Act of 1920.

7. Subsection (4) of section 20 (As to payment and receipt of transfer values by and to the Port of London Authority Pension Fund) of the Act of 1950 shall have effect as if the following paragraph were substituted for paragraph (a) thereof:— Amendment of section 20 of the Act of 1950.

"(a) In addition the Port Authority may pay and receive sums by way of transfer value for the purposes of—

(i) any regulations or rules made under subsection (1) of section 67 of the National Health Service Act 1946 subsection (1) of section 66 of the National Health Service (Scotland) Act 1947 subsection (1) of section 61 of the Health Services Act (Northern Ireland) 1948 or section 2 of the Superannuation (Miscellaneous Provisions) Act 1948; or

(ii) any scheme made under paragraph (b) of subsection (2) of section 7 of the First Schedule to the Atomic Energy Authority Act 1954;

for the time being in force and whether made before or after the passing of this Act;".

8. The enactments specified in the Third Schedule to this Act are hereby repealed to the extent specified in the second column of that schedule. Repeal.

9. All costs charges and expenses of and incident to the preparing for obtaining and passing of this Act shall be paid by the Port Authority out of the Port Fund. Costs of Act.

“ n.o.r.” means not otherwise rated.

The services and accommodation covered by the landing rate are receiving the goods on the quay from vessel alongside wharfage and delivering forthwith from quay to land conveyance alongside.

The rates are chargeable on the gross weight or measurement.

Unless otherwise stated the rates apply only to goods in packages of not less than 56 lbs. nor more than 30 cwt. each.

Goods loose or in bulk or in packages under 56 lbs. each are liable to a rate exceeding by 50 per centum the rate set out in this schedule for such goods except where the said schedule contains a particular rate for such goods loose or in bulk or in packages under 56 lbs. each.

Articles or goods in unpacked bottles tins cans carboys demijohns jars jugs or such-like utensils or in tanks may unless a rate is set out in this schedule for the article or goods as so contained be charged under the scale applicable to articles or goods not otherwise rated.

1ST SCH.
—cont.

Pieces or packages exceeding 30 cwt. each may except as otherwise herein provided be charged at the rates for heavy iron.
