

CHAPTER lxxxvii.

An Act to confirm a Provisional Order under the Land Drainage Act 1914 relating to the River Ouse in the County of Norfolk. A.D. 1915.
[29th July 1915.]

WHEREAS the Board of Agriculture and Fisheries have made the Provisional Order set forth in the schedule hereto under the provisions of the Land Drainage Act 1914: 5 Geo. 5. c. 4.

And whereas it is requisite that the said Order should be confirmed by Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. The Order as amended and set out in the schedule hereto shall be and the same is hereby confirmed and all the provisions thereof shall have full validity and force. Order in schedule confirmed.

2. This Act may be cited as the Land Drainage (Ouse) Provisional Order Confirmation Act 1915. Short title.

A.D. 1915.

S C H E D U L E.

LAND DRAINAGE ACT 1914.

Ouse Provisional Order.

The Board of Agriculture and Fisheries being of opinion that the execution of the works specified in the First Schedule to this Order is desirable for the improvement or protection of an area situate in the counties of Cambridge Huntingdon Isle of Ely Norfolk and West Suffolk which is drained by the River Ouse and under the jurisdiction of the drainage authorities required by this Order to contribute to expenses incurred under the powers hereby conferred and that provision for the execution of the said works should be made under the powers conferred by the Land Drainage Act 1914 do hereby by virtue and in exercise of the powers vested in them under the said Act make the following Provisional Order:—

Constitution
and incor-
poration of
Board.

1.—(1) For the purposes of this Order a body shall be constituted in manner herein-after appearing as a body corporate under the name of the Lower Ouse Drainage Board having perpetual succession and a common seal with power to make contracts and to sue and be sued in that name and to hold and dispose of land subject to the provisions of this Order and such body is in this Order referred to as “the Board.”

(2) The Board shall consist of members nominated or elected in the numbers and by the authorities or persons specified in the Second Schedule to this Order A nominated member shall remain in office until his resignation or death or the determination of his nomination by the authority nominating him.

(3) The day time and place of the first meeting of the Board shall be fixed by the Board of Agriculture and Fisheries and the Board shall come into office on that day.

(4) The quorum proceedings and place of meeting of the Board or any committee of the Board shall subject as aforesaid be such as the Board by regulation or otherwise direct and the chairman at any meeting of the Board or a committee shall have a second or casting vote.

(5) No act or proceeding of the Board shall be questioned on account of any vacancy in the Board and any defect in the qualification or nomination of any person acting as a member of the Board

Provisional Order Confirmation Act, 1915.

shall not vitiate any proceedings of the Board or a committee of the Board in which the person has taken part. A.D. 1915.

(6) The provisions of the Commissioners' Clauses Act 1847 with respect to the appointment and accountability of the officers of the commissioners shall be incorporated with this Order which with the Act confirming it shall constitute the special Act for the purposes of the incorporated provisions.

2.—(1) The Board shall have power subject to the provisions of this Order to execute the works specified in the First Schedule to this Order and to maintain the same and for any such purpose to acquire land by agreement or to acquire land compulsorily if so authorised by an order of the Development Commissioners made under the powers vested in those commissioners by the Land Drainage Act 1914 and the Board shall have power to sell exchange or lease any land so acquired and not required for the purposes of this Order. Authorised works.

(2) The Board of Agriculture and Fisheries shall not in relation to any work issue any approval required by the First Schedule to this Order unless and until the Board have deposited plans and sections of the proposed work for public inspection at such place and for such period and in such form as the Board of Agriculture and Fisheries shall direct and have given such notice of the deposit by advertisement or otherwise as may be directed by the Board of Agriculture and Fisheries and unless and until the Board of Agriculture and Fisheries have considered by means of a local inquiry or otherwise all objections duly made to that board in relation to the proposed works but this provision shall not prohibit the issue of an approval subject to modifications of plans and sections which have been deposited if in the opinion of the Board of Agriculture and Fisheries the modifications are insufficient to require any further deposit or notification.

(3) Nothing in this section shall authorise the Board to enter on or execute any work upon any land without the consent of the person entitled thereto until the Board have acquired the land or an easement authorising the entry or execution of the work.

3.—(1) Expenses incurred by the Board in the execution or maintenance of or otherwise in relation to the Work No. 1 in the First Schedule to this Order or in respect of any loan raised for the purpose of defraying those expenses shall be defrayed by the Board out of contributions to be made by the drainage authorities specified in the Third Schedule to this Order in the proportions specified in such Schedule: Expenses of the Board.

Provided that the contribution to be made by the Denver Sluice Commissioners in respect of expenses so incurred in any year before the Work No. 2 in the First Schedule to this Order is certified by the Board of Agriculture and Fisheries to have been completed shall not

(2) Expenses incurred by the Board in the execution or maintenance of or otherwise in relation to the Works Nos. 2 and 3 in the First Schedule to this Order or in respect of any loan raised for the purpose of defraying those expenses shall be defrayed by the Board out of contributions to be made by the Denver Sluice Commissioners.

(3) Expenses incurred by the Board in the execution or maintenance or otherwise in relation to the Work No. 4 in the First Schedule to this Order or in respect of any loan raised for the purpose of defraying those expenses shall be defrayed by the Board out of contributions to be made by the Conservators of the Ouse Outfall.

(4) Any contribution received by the Board under the section of this Order of which the marginal note is "Provisions for transfer of powers of maintenance of banks" shall be brought into account in determining the contribution to be made under this section by the contributory authority liable to contribute to the expenses incurred by the Board in the improvement and maintenance of the banks to which the powers and duties transferred relate.

(5) If in the execution of the powers conferred by this Order any expenses are incurred by the Board for which contributions are not recoverable under the preceding provisions of this section such expenses shall be defrayed by the Board out of contributions to be made as to eighty-eight hundredth parts by the Conservators of the Ouse Outfall and as to twelve hundredth parts by the Norfolk Court of Sewers.

(6) The Board shall keep separate accounts of the expenses referred to in the preceding subsections of this section and shall include in each such account such proportion of the cost of the officers and establishment of the Board as appears to the Board to be proper.

(7) The Board may from time to time certify the amount which in the opinion of the Board is required for defraying expenses already incurred or to be incurred within a period not exceeding one year after the date of the certificate and the contributions to be made by the several contributory authorities under the provisions of this section and on service by post or otherwise on a contributory authority of a certificate the contribution therein certified to be payable by the contributory authority shall become payable to the Board and may be recovered at any time after the expiration of three months as a debt due from the contributory authority.

(8) A certificate purporting to be sealed by the Board and to be signed by the chairman or deputy chairman of the Board shall be deemed to be a certificate made by the Board unless the contrary is shown and any such certificate may be served on the clerk of a contributory authority on its behalf or sent to the principal office of the authority. A.D. 1915.

4.—(1) The Board may apply for advances under the Development and Road Improvement Funds Act 1909 or any Act amending that Act and may from time to time in connexion with any such advance or otherwise borrow with the consent of the Board of Agriculture and Fisheries on the security of the contributions payable to the Board under this Order such sums as may be required for any work or thing which the Board are hereby authorised to execute or do and the cost of which ought in the opinion of the Board of Agriculture and Fisheries to be spread over a term of years. Borrowing powers of the Board.

(2) A loan under this section shall be repaid in such manner and within such period not exceeding thirty years as the Board with the consent of the Board of Agriculture and Fisheries determine in each case.

(3) The clauses of the Commissioners' Clauses Act 1847 with respect to mortgages to be created by the commissioners shall form part of and be incorporated with this Order which with the Act confirming it shall constitute the special Act for the purposes of the incorporated provisions and any mortgagee or assignee may enforce payment of his principal and interest by appointment of a receiver.

(4) In addition to the consent above required the consent of the Treasury shall during the continuance of the present war and twelve months thereafter be required for the exercise of any borrowing power given by this section.

5.—(1) The accounts of the Board shall subject as herein-after provided be balanced in each year to the thirty-first day of December and shall forthwith be audited by a chartered or incorporated accountant (not being a member of the Board) who shall be appointed by the Board with the approval of the Board of Agriculture and Fisheries. A copy of the audited accounts with the report (if any) of the auditor thereon shall as soon as possible be sent to each drainage authority liable under this Order to contribute to the expenses of the Board. Accounts and audit.

(2) The first audit shall extend to the accounts from the commencement of the proceedings of the Board to the thirty-first day of December nineteen hundred and sixteen.

(3) A copy of the accounts duly made up and balanced together with all books contracts vouchers receipts and other documents referred to in the accounts shall be deposited at the office of the Board and

A.D. 1915. — notice of such deposit shall be given to each drainage authority so liable to contribute fourteen days at least before the date of audit and any officer authorised by any such authority shall during the period of deposit be at liberty to inspect the accounts and documents and to take copies of or extracts from the same and may be present at the audit and make any objection to the accounts before the auditor.

Compensation for damage caused by works.

6. Compensation shall be made by the Board for any damage caused by the execution of any work hereby authorised and the amount of such compensation shall in case of dispute be settled subject to this provision of this Order by arbitration in manner provided by the Arbitration Act 1889 by an arbitrator appointed by the Board of Agriculture and Fisheries.

Agreements between Board and other authorities.

7. The Board may agree with any drainage or other authority which has power to execute or maintain any work which is hereby authorised for the execution or maintenance of the work by the authority upon such terms as to payment or otherwise as may be agreed and any sums paid by the Board in pursuance of this section shall be treated as expenses incurred by the Board in the execution or maintenance of the work.

Provisions for transfer of powers of maintenance of banks.

8.—(1) The Board and any authority empowered or required to maintain the banks of the River Ouse below a point one quarter of a mile above Denver Sluice or any part of such banks (in this Order referred to as a "bank authority") may agree for the transfer to the Board of all or any of the powers and duties of the bank authority in relation to the banks and of any estate or interest of the bank authority in the banks or in lands adjoining the banks upon such terms as may be agreed subject to the approval of the Board of Agriculture and Fisheries and subject and in accordance with the provisions of any agreement so made and approved the Board may instead of the bank authority exercise any power which under statute or otherwise is vested in the bank authority.

(2) If a bank authority desires that all or any of its powers and duties in relation to the banks which it is empowered or required to maintain should be transferred to the Board and the Board and the bank authority fail to agree to such transfer or to the terms of transfer the Board of Agriculture and Fisheries may on the application of the bank authority by order direct such transfer on such terms as the Board of Agriculture and Fisheries consider to be equitable and subject to and in accordance with the provisions of any order so made the Board may instead of the bank authority exercise any power which under statute or otherwise is vested in the bank authority.

(3) An agreement or order under this provision shall not transfer any power of assessment or rating and any contribution which shall be made to the Board by a bank authority under any such agreement or

[5 & 6 GEO. 5.] *Land Drainage (Ouse)* [Ch. lxxxvii.]
Provisional Order Confirmation Act, 1915.

order shall be treated as expenditure incurred by the bank authority in the maintenance of the banks which it is empowered or required to maintain and be raised and defrayed accordingly. A.D. 1915.

9. The Board may without making any payment or compensation therefor appropriate and dispose of any shingle sand clay or other matter removed in the execution of any work for the purpose of widening dredging or deepening the River Ouse as authorised by this Order and deposit the same on the banks of the River Ouse or use the same in any other manner for the maintenance or improvement of those banks or in or about the execution of any other work authorised by this Order. Provided that no matter so removed shall be deposited on the towing paths upon the banks of the River Ouse so as to obstruct the use of such paths or on the said banks so as to affect the same injuriously. Provided further that no matter so removed shall be deposited in any place below high-water mark otherwise than in such position and under such restrictions as may be fixed by the Board of Trade.

Powers in connexion with dredging &c.

10.—(1) For the purpose of defraying any contribution payable under this Order a contributory authority may subject to the provisions of this section levy taxes or rates in the same manner as taxes or rates are leviable by the authority for their general expenses and notwithstanding any statutory limitation of the taxes or rates that may be so levied and by means of a separate tax or rate or of an increased tax or rate.

Extension of rating powers of drainage authorities.

(2) The proceeds of any tax or rate or part of a tax or rate levied by a contributory authority under the additional powers conferred by this section shall be applied only to paying the costs of raising the tax or rate or the part of the tax or rate and to defraying contributions payable under this Order and shall not be subject to any charge or incumbrance affecting taxes or rates levied by the contributory authority under any other power.

(3) The authority of the drainage commissioners required by the Ouse Outfall Act 1860 for the levying by the Conservators of the Ouse Outfall of a tax for the purposes of that Act shall not be required for the levying by such conservators of a tax for the purposes of this Order.

(4) Lands on which the Denver Sluice Commissioners are authorised by the Ouse Outfall Act 1860 to levy taxes for the purposes of that Act shall not be liable to any tax or part of a tax levied by the Conservators of the Ouse Outfall for the purpose of defraying contributions in respect of Work No. 1 in the First Schedule to this Order.

(5) Lands on which the Conservators of the Ouse Outfall are authorised by the Ouse Outfall Act 1860 to levy taxes for the purposes

A.D. 1915. of that Act shall not be liable to any tax or rate or part of a tax or rate levied by the Norfolk Court of Sewers for the purpose of defraying contributions payable under this Order.

Works below
high-water
mark to be
subject to
approval of
Board of
Trade.

11. Subject to the provisions of this Order any of the works authorised by this Order to be constructed on over or under tidal lands below high-water mark of ordinary spring tides shall be constructed only in accordance with such plans and sections and subject to such restrictions and regulations as previous to such works being commenced have been approved by the Board of Trade in writing under the hand of one of the secretaries or assistant secretaries of the Board of Trade.

Any alteration or extension of any such works shall be subject to the like approval.

If any such work be commenced or completed contrary to the provisions of this section the Board of Trade may abate and remove the same and restore the site thereof to its former condition at the cost of the Board and the amount of such cost shall be a debt due from the Board to the Crown and shall be recoverable as a Crown debt or summarily.

Crown rights.

12. Nothing in this Order affects prejudicially any estate right power privilege or exemption of the Crown and in particular nothing herein contained authorises the Board to take use or in any manner interfere with any portion of the shore or bed of the sea or of any river channel creek bay or estuary or any land hereditaments subjects or rights of whatsoever description belonging to His Majesty in right of His Crown and under the management of the Commissioners of Woods or of the Board of Trade respectively without the consent in writing of the Commissioners of Woods or the Board of Trade as the case may be on behalf of His Majesty first had and obtained for that purpose (which consent the said Commissioners and Board are hereby respectively authorised to give).

Saving rights
of canal
owners &c.

13.—(1) Nothing in this Order shall authorise the Board—

- (a) to interfere with any sewers or other works already or hereafter made and used for the purpose of draining preserving irrigating or improving land under any local or private Act of Parliament so as to injuriously affect the same ;
- (b) to interfere with any river canal dock harbour lock reservoir or basin or the supply of water thereto so as to injuriously affect the navigation on such river canal dock harbour lock reservoir or basin or the use or maintenance thereof or to interfere with any towing-path so as to interrupt the traffic thereof in cases where any corporation company undertakers commissioners conservators trustees or individuals are by virtue of any Act of Parliament entitled

A.D. 1915.

- to navigate on or use such river canal dock harbour lock reservoir basin or towing path or in respect of the navigation on or use of which river canal dock harbour lock reservoir basin or towing path any corporation company undertakers commissioners conservators and trustees or individuals are entitled by virtue of any Act of Parliament to the receipt of any tolls or other dues ;
- (c) to interfere with the works or supply of water of any body or persons corporate or unincorporate supplying water to any town or place so as to injuriously affect the same ;
- (d) to execute any works in through or under any wharves quays docks harbours or basins belonging to the proprietor or proprietors of any inland navigation constituted by Act of Parliament or for the use of which they are entitled by virtue of any Act of Parliament to demand any tolls or dues ;
- (e) to divert any river in such manner as to injure or diminish the supply of water to any harbour under the management of conservators or other authority ;

except with the consent (which shall not be unreasonably withheld) of such corporation company undertakers commissioners conservators trustees individuals or authority as are herein-before in that behalf respectively mentioned such consent to be expressed in writing in the case of individuals under their hands in the case of a corporation under their common seal and in the case of a company undertakers commissioners conservators trustees or authority under the hand of their clerk or other duly authorised officer or agent and any dispute as to whether consent is unreasonably withheld may be determined by arbitration in manner provided by the Arbitration Act 1889 by an arbitrator to be appointed on the application of the Board by the President of the Institution of Civil Engineers who if satisfied that consent is unreasonably withheld may by his award authorise the Board to execute the proposed works without such consent upon such terms and subject to such conditions as may be specified in the award.

(2) Except with the consent of the King's Lynn Docks and Railway Company or under the authority of an award under this section and subject to the terms and conditions (if any) specified in the award the Board shall not dredge any part of the River Ouse lying within three hundred feet of the outer quay walls of the Alexandra Dock.

14. The following provisions for the protection and benefit of the Great Eastern Railway Company and the Midland and Great Northern Railways Joint Committee (herein-after in this section respectively called

For protection of railways.

A.D. 1915. the "company" and the "committee") shall unless with their respective consent in writing under their common seal apply and have effect:—

(1) In this section—

The "bridges" means the two existing bridges respectively carrying the railways of the company and the committee over the River Ouse;

The "works" means and includes the works authorised by the section of this Order the marginal note whereof is "Authorised works" and specified in the First Schedule to this Order so far as such works are to be executed under or within a distance of fifty yards of either of the bridges:

- (2) The Board shall not under the powers of this Order or of any order which may hereafter be made by the Development Commissioners under the powers vested in those commissioners by the Land Drainage Act 1914 enter upon purchase or take otherwise than by agreement any property of the company or the committee but the company or the committee may and shall sell and grant according to their respective estates and interests in and subject to all easements rights and covenants affecting the same an easement or right of constructing and maintaining any of the works:
- (3) The consideration to be paid for any easement or right to be acquired by the Board under the preceding subsection shall in case of dispute be determined in manner provided by the Lands Clauses Acts with respect to the purchase of lands otherwise than by agreement and shall include full compensation in respect of all damage loss or inconvenience which the company or the committee may suffer or sustain by or by reason of the execution of the works:
- (4) The Board shall not commence any of the works until they shall have given the company or the committee as the case may be twenty-one days' notice in writing of their intention to commence such works accompanied by plans sections and specifications showing the places at which such works are proposed to be executed and the depth width and extent thereof and such plans sections and specifications shall have been approved by the engineer of the company or the committee respectively or in case of difference by an arbitrator to be appointed as herein-after provided:
- (5) If the company or the committee after the receipt of such notice give to the Board fourteen days' notice that they themselves desire to construct any of the works referred to in the

Provisional Order Confirmation Act, 1915.

A.D. 1915.

preceding subsection the company or the committee may themselves after the expiration of such fourteen days execute such works and recover the reasonable cost thereof from the Board :

- (6) The works shall be constructed and maintained in all things at the expense of the Board and in such manner that the stability of either of the bridges shall not be endangered or the traffic upon the railways thereover in anywise impeded or interfered with and under the superintendence and to the reasonable satisfaction of the engineer of the company or the committee respectively who shall have access for the purposes of this section at all reasonable times to the works :
- (7) If at any time owing to the construction of any of the works it shall be necessary in the opinion of the said engineer to underpin protect or strengthen either temporarily or permanently either of the bridges the Board shall on being so required in writing under the hand of the said engineer make execute and provide all such works and appliances at their own costs charges and expenses but under the supervision and to the reasonable satisfaction of the said engineer and according to plans sections and specifications to be previously submitted to and reasonably approved by him and in the event of the Board failing so to do after reasonable notice from the said engineer in that behalf the company or the committee may themselves execute and provide all such works and appliances and may recover the reasonable costs thereof from the Board :
- (8) If by reason of the construction maintenance or failure of the works or any of them or otherwise the bridges or either of them or the railways thereover shall be injured or the traffic thereon impeded the Board shall compensate the company or the committee for all costs to which the company or the committee may be put in repairing the injury :
- (9) The Board shall also indemnify the company or the committee from any damage or compensation which may be recovered against them by reason of the interruption of the traffic or any accident which shall have been occasioned by the acts or defaults of the Board or any of their contractors servants or workmen :
- (10) The Board shall bear and on demand pay to the company or the committee the reasonable expense of the employment by the company or the committee during the execution of the works of such additional inspectors watchmen and signalmen as may be reasonably required to be appointed

A.D. 1915.

by the company or the committee for watching and signalling the railways and the traffic over the bridges and for preventing all interference obstruction danger or accident from any operations or from the acts or defaults of the Board or their contractors or any person in their employment respectively with reference thereto :

- (11) If at any time hereafter the company or the committee shall be desirous of extending widening or altering either of the bridges the Board shall so far as they are able give to the company or the committee all proper and reasonable facilities for that purpose and any additional expense to which the company or the committee may be put in carrying out such extension widening or alteration by reason of the construction of the works such additional expense to be ascertained in case of difference by arbitration as herein-after provided shall be repaid to the company or the committee by the Board :
- (12) The Board shall before the execution of any work of clearing deepening or widening that part of the channel of the River Ouse which is in the harbour of King's Lynn and within a distance of 50 yards of South Quay or Boal Quay give notice of the proposed work and the details thereof to the company and if the company is of opinion that any proposed work specified in such notice would injuriously affect the railways or other works belonging to the company on the said quays and shall give notice to that effect requiring the Board not to proceed with the said work in any such case the Board on receipt of the notice shall not proceed with the said work except with the consent of the company or under the authority of an award made in manner provided by this section and subject to the terms and conditions (if any) specified in the award :
- (13) Any difference arising between the Board and the company or the committee under subsections 4 to 12 inclusive of this section shall be referred to an arbitrator to be appointed unless otherwise agreed by the President of the Institution of Civil Engineers on the application of either party after notice thereof to the other :
- (14) Save in respect of matters which may be expressly provided for by this section the provisions of this section shall be in addition to and not in substitution for or derogation of any of the provisions of this Order to the benefit of which the company or the committee would have been entitled if this section had not been enacted.

15.—(1) Nothing in this Order shall take away lessen prejudice or interfere with any of the rights and powers of the King's Lynn Conservancy Board as the port and harbour authority of the port of King's Lynn.
