(3) The contribution of each of the constituent councils to the common fund of the joint board shall be based—

- (a) as regards loan charges incurred by the joint board for the sites structure and equipment of their hospitals on the proportion which the rateable value of the constituent district bears to the aggregate rateable value of all the constituent districts; and
- (b) as regards the establishment expenses of the joint board on the proportion which the population of the constituent district bears to the aggregate population of all the constituent districts.

(4) For the purposes of this section—

- (a) the rateable value of a constituent district shall be the rateable value appearing in the valuation list in force on the first day of February preceding the issue of the precept; and
- (b) the population of a constituent district shall be ascertained from the last published census before the issue of the precept.

20.—(1) The charges to be made by the joint board to the constituent councils in respect of patients maintained in a hospital during any year shall be a charge per day calculated to the nearest penny and derived from the average daily cost of the upkeep of the hospital during the year divided by the average number of patients in the hospital on each day of the year.

Calculation
and payment
of charges
for patients.

(2) Within four weeks after the close of each quarter the clerk of the joint board shall transmit to the clerk of each constituent council an account showing in respect of each patient maintained during that quarter in a hospital who was admitted from the district of that council—

- (a) the name and address of the patient;
- (b) the number of days in the quarter during which the patient was an inmate of a hospital;

- (c) the estimated cost per day in respect of the patient calculated in accordance with the foregoing provisions of this section on the basis of the estimated average daily cost of the upkeep of the hospital during the year;
- (d) the payment to be made for the quarter being the estimated cost per day multiplied by the number of days in the quarter during which the patient was an inmate of a hospital;
- (e) a deduction in respect of any sum recovered by the joint board from or repaid to the joint board by or for the patient; and
- (f) the net sum payable for the quarter by the constituent council in respect of the maintenance of the patient.

(3) For the purposes of this section the day on which a patient entered a hospital and the day on which he was discharged therefrom shall both be included as days on which the patient was an inmate of a hospital.

(4) The quarterly accounts for the maintenance of patients shall be paid by the constituent authorities to the joint board within six weeks of receipt.

(5) Within three weeks after the close of each year the joint board shall calculate the average daily amount of the expenditure charged in their accounts for that year and the average number of patients in a hospital on each day of the year :

Provided that the charges and expenses referred to in paragraphs (a) and (b) of subsection (3) of section 19 of this order shall be excluded from the calculation of the average daily amount of the expenditure.

(6) The sum by which the total of the quarterly payments falls short of or exceeds a sum similarly calculated on the basis of the ascertained average daily cost of the upkeep of the hospital during the year shall be taken into account in any subsequent payments made by constituent authorities to the joint board.

Inclusion in
 precepts of
 charges for
 patients.

21. Any amount shown to be due from a constituent council by an account prepared by the clerk of the joint board under the preceding section of this order shall be paid by that constituent council and shall be included as a separate item of any precept which the joint board may issue to the constituent council under section 284 of the Public Health Act 1875 and in case of default shall be recovered in the manner authorised by that section.
