

CHAPTER xxx

An Act to confirm a Provisional Order under the Private Legislation Procedure (Scotland) Act 1936 relating to Clyde Navigation. [28th July 1950.]

WHEREAS the Provisional Order set forth in the schedule hereunto annexed has been made by the Secretary of State under the provisions of the Private Legislation Procedure (Scotland) Act 1936 and it is requisite that the said Order should be confirmed by Parliament: 26 Geo. 5. & 1 Edw. 8. c. 52.

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. The Provisional Order contained in the schedule hereunto annexed is hereby confirmed. Confirmation of Order in schedule.

2. This Act may be cited as the Clyde Navigation Order Short title. Confirmation Act 1950.

SCHEDULE

ARRANGEMENT OF SECTIONS

PART I

Preliminary

Section.

1. Short title and citation of Acts.
2. Division of Order into Parts.
3. Incorporation of general Acts.
4. Interpretation.

PART II

New works etc.

5. Power to execute works.
6. Power to make subsidiary works.
7. Power to deviate in construction of works.
8. Period for completion of new works.
9. Power to alter apparatus etc. temporarily.
10. New dock tramways to form part of Trustees' undertaking.
11. Revival of powers for compulsory purchase of land.
12. Transfer of deviation railway to British Transport Commission.
13. Certification by Minister.
14. For protection of British Transport Commission.
15. Correction of errors omissions etc.
16. Power to acquire servitudes compulsorily in certain cases.
17. Extinction of private rights of way.
18. Period for compulsory purchase of lands.
19. For protection of South West Scotland Electricity Board.
20. For protection of Glasgow Corporation.

PART III

Rates and charges

21. Rates and charges.
22. Amendment of section 25 of Act of 1929.
23. Revision of rates.
24. For further protection of Glasgow Corporation.

PART IV

Financial

Section

25. Power to apply corporate funds to purposes of Order.
26. Power to borrow money.
27. Provisions of certain Clyde Navigation Acts applied to borrowing powers of this Order.
28. Application of money borrowed.
29. Extending to this Order certain provisions of Clyde Navigation Act 1883.
30. Saving for emergency restrictions on borrowing.

PART V

Miscellaneous

31. Saving for town and country planning.
32. Repeals.
33. Costs of Act.

SCHEDULES.

CLYDE NAVIGATION

Provisional Order to authorise the Trustees of the Clyde Navigation to execute new works to amend the provisions of the Clyde Navigation Acts 1858 to 1929 relating to rates dues tolls rents and charges and for other purposes

21 & 22 Vict.
c. cxlix.

WHEREAS the Trustees of the Clyde Navigation (hereinafter called "the Trustees") were incorporated by the Clyde Navigation Consolidation Act 1858 and powers have been conferred upon them by the Clyde Navigation Acts 1858 to 1949 including powers with reference to the construction improvement and maintenance of quays wharves docks and other works within the limits of the jurisdiction of the Trustees as defined by the said Act of 1858 as subsequently amended from time to time:

4 & 5 Geo. 5.
c. clxxix.

And whereas the Trustees were authorised by the Clyde Navigation Order 1914 to construct amongst other works two tidal basins on the south side of the river Clyde on the lands of Shieldhall and other lands adjoining thereto described in that Order and therein referred to as Tidal Basin No. 1 and Tidal Basin No. 2:

And whereas the Trustees have constructed Tidal Basin No. 1 and now intend to proceed with the construction of Tidal Basin No. 2:

And whereas in connection with the construction of the said tidal basin and with the further improvement of the undertaking of the Trustees it would be of public and local advantage if the Trustees were authorised to divert a portion of the Glasgow and Renfrew District Railway belonging to the British Transport Commission and to construct additional dock tramways and it is expedient that the Trustees be empowered to execute the works in that behalf described in this Order:

20 Geo. 5. c. xx. And whereas it is expedient that the rates dues tolls rents and charges (hereinafter referred to as "rates") authorised by the Clyde Navigation Act 1929 should be increased or revised and that the Trustees be authorised to demand and recover new and additional rates as provided in this Order:

And whereas it is expedient that the Trustees should be authorised to borrow further sums of money for the purposes of the works authorised by the said Order of 1914 and for the purposes of this Order and the general purposes of their undertaking:

And whereas it is expedient that the further powers mentioned in this Order should be conferred on the Trustees:

And whereas a plan and sections showing the lines situations and levels of the works to be constructed under the powers of this Order and a book of reference to such plan containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of the lands required or which may be taken for the purposes or under the powers of this Order were duly deposited with the sheriff clerks of the counties of Renfrew and Lanark respectively and with the town clerk of the county of the city of Glasgow and such plan sections and book of reference are hereinafter respectively referred to as the deposited plan sections and book of reference:

And whereas the purposes aforesaid cannot be effected without an Order confirmed by Parliament under the provisions of the Private Legislation Procedure (Scotland) Act 1936 :

26 Geo. 5. &
1 Edw. 8. c. 52.

Now therefore in pursuance of the powers contained in the last-mentioned Act the Secretary of State orders as follows:—

PART I

PRELIMINARY

1. This Order may be cited as the Clyde Navigation Order 1950. Short title and citation of Acts.
The Clyde Navigation Acts 1858 to 1949 and this Order may be cited together as the Clyde Navigation Acts 1858 to 1950.

2. This Order is divided into Parts as follows:—

Division of
Order into
Parts.

Part I.—Preliminary.

Part II.—New works etc.

Part III.—Rates and charges.

Part IV.—Financial.

Part V.—Miscellaneous.

3. The following Acts and parts of Acts so far as the same are applicable for the purposes and are not inconsistent with the provisions of this Order are incorporated with and form part of this Order and this Order shall be deemed to be the special Act for the purposes of the said incorporated enactments (that is to say):—

Incorporation of
general Acts.

The Lands Clauses Acts except sections 120 to 124 (inclusive) and section 127 of the Lands Clauses Consolidation (Scotland) Act 1845 ; 8 & 9 Vict. c. 19.

The Railways Clauses Consolidation (Scotland) Act 1845 with respect to the temporary occupation of lands near the railway during the construction thereof ; 8 & 9 Vict. c. 33.

Part 1 (relating to construction of a railway) of the Railways Clauses Act 1863 : 26 & 27 Vict. c. 92.

Provided that for the purposes of this Order the expression “the railway” where used in the last-mentioned Act of 1845 and in the said Act of 1863 shall be deemed to mean the works authorised by this Order and the expression “the company” where used in the said Acts shall mean the Trustees.

4. In this Order unless there be something in the subject or context repugnant to such construction the several words and expressions to which meanings are assigned by the Acts wholly or partly incorporated herewith have in relation to the relative subject matter the same respective meanings And—

“the Act of 1858” means the Clyde Navigation Consolidation Act 1858 ;

“the Act of 1929” means the Clyde Navigation Act 1929 ;

“the Clyde Navigation Acts” means the Clyde Navigation Acts 1858 to 1949 ;

PART I
—cont.10 & 11 Geo. 6.
c. 49.

“the commission” means the British Transport Commission and any reference to the commission in relation to any functions of the commission which are for the time being delegated to an executive in pursuance of section 5 of the Transport Act 1947 shall be construed as a reference to that executive;

9 & 10 Geo. 5.
c. 57.
21 Geo. 5.
c. 11.
10 & 11 Geo. 6.
c. 51.

“the Lands Clauses Acts” means the Lands Clauses Acts as modified by the Acquisition of Land (Assessment of Compensation) Act 1919 as such last-mentioned Act is amended by the Acquisition of Land (Assessment of Compensation) (Scotland) Act 1931 and by the Town and Country Planning (Scotland) Act 1947;

4 & 5 Geo. 5.
c. clxxix.

“the Minister” means the Minister of Transport;

“the Order of 1914” means the Clyde Navigation Order 1914;

All distances and lengths stated in any description of works powers or lands in this Order shall be read and have effect as if the words “or thereby” were inserted after each such distance and length.

PART II

NEW WORKS ETC.

Power to
execute works.

5. Subject to the provisions of this Order the Trustees may make and maintain in the lines and in accordance with the levels shown on the deposited plan and sections the works described in this section with all necessary works and conveniences connected therewith and may enter upon take and use such of the lands delineated on the deposited plan and described in the deposited book of reference as may be required for those purposes and for any other purposes connected with their undertaking (that is to say):—

60 & 61 Vict.
c. clxxi.54 & 55 Vict.
c. lxxxix.

(1) A deviation railway 1 mile 0 furlongs 9.49 chains in length being a diversion of the commission's Glasgow and Renfrew District Railway (No. 1) authorised by the Glasgow and Renfrew District Railway Act 1897 commencing in the parish of Paisley in the county of the city of Glasgow by a junction with the commission's Shieldhall branch railway authorised by the Glasgow and South-Western Railway Company (Additional Powers) Act 1891 at a point 223 yards south-east of the south-west corner of enclosure 1326 on the 1/2500 ordnance survey map of Lanarkshire (edition of 1935) sheet V.12 and 15 and terminating in the parish of Govan in the said county by a junction with the said Glasgow and Renfrew District Railway at a point 80 yards south-east of the north-east corner of enclosure 324 on the said map sheet V.8:

(2) A dock tramway (No. 1) 3 furlongs 9.39 chains in length commencing in the said parish of Paisley by a junction with the said Shieldhall branch railway at a point 93 yards south of the north-east corner of enclosure 1328 on the said map sheet V.12 and 15 and terminating in the said parish of Govan 82 yards eastward of the southern corner of enclosure 465 on the said map and sheet:

(3) A dock tramway (No. 2) 5 furlongs 0.07 chains in length commencing in the said parish of Paisley by a junction with the said Shieldhall branch railway at a point 66 yards south-eastward of the north-eastern corner of enclosure 1324 on the said map sheet V.12 and 15 and terminating in the said parish of Govan at a point 48 yards north-east of the southern corner of the said enclosure 465:

(4) A dock tramway (No. 3) 7 furlongs 7.27 chains in length commencing in the said parish of Paisley by a junction with the said Shieldhall branch railway at a point 120 yards south-east of the south-western corner of enclosure 1326 on the said map sheet V.12 and 15 and terminating in the said parish of Govan at a point 247 yards south-east of the western corner of enclosure 327 on the said map sheet V.8.

The works described in paragraphs (1) and (4) of this section will be situated in the parishes of Govan Renfrew and Paisley the burgh of Renfrew the county of the city of Glasgow and the county of Renfrew and the works described in paragraphs (2) and (3) of this section will be situated in the parishes of Govan and Paisley and the county of the city of Glasgow.

6. Subject to the provisions of this Order the Trustees may upon lands belonging to them make and maintain on in over under or in connection with the works authorised by this Order or any of them all necessary and convenient railways tramways sidings rails junctions bridges crossings turntables roads accesses approaches gates retaining and other walls offices weighing machines sewers drains watercourses culverts pipes electric lines and other works machinery and conveniences or any of them: Power to make subsidiary works.

Provided that any electric lines and other works made and maintained by the Trustees under the provisions of this section shall be so constructed maintained and used as to prevent any interference with any telegraphic line (as defined by the Telegraph Act 1878) belonging to or used by the Postmaster-General or with telegraphic communication by means of any such line. 41 & 42 Vict. c. 76.

7. In constructing the works authorised by this Order the Trustees may deviate from the lines shown on the deposited plan to the extent of the limits of deviation marked thereon and may deviate vertically from the levels of the works shown on the deposited sections to any extent not exceeding eight feet. Power to deviate in construction of works.

8. If the deviation railway and the dock tramways authorised by this Order are not completed within ten years from the date of the passing of the Act confirming this Order then on the expiration of that period the powers by this Order granted to the Trustees for making and completing the same respectively or otherwise in relation thereto shall cease except as to so much thereof as shall then be completed. Period for completion of new works.

9. The Trustees may for the purposes and during the execution of the works authorised by this Order and in maintaining the same and subject to the provisions of this Order temporarily from time to time break up or cross over or under alter or stop up remove Power to alter apparatus etc. temporarily.

PART II
—cont.

or otherwise interfere with any railways sewers drains watercourses gas and water mains and pipes and electric telegraphic or telephonic apparatus in any of the lands shown on the deposited plan and specified in the deposited book of reference with which they may from time to time find it expedient for any of those purposes so to interfere providing when possible a proper temporary substitute before interrupting the traffic on any such railway or the flow of sewage water gas or electric telegraphic or telephonic communication in any such sewer drain watercourse main pipe or apparatus and shall make compensation to all persons injuriously affected by the exercise of such powers except in cases where the right to such compensation has been renounced or taken away by agreement or otherwise:

Provided that the Trustees shall not alter remove or interfere with any telegraphic line (as defined by the Telegraph Act 1878) belonging to or used by the Postmaster-General except in accordance with and subject to the provisions of paragraphs (1) to (8) of section 7 of the Telegraph Act 1878.

New dock
tramways to
form part of
Trustees'
undertaking.

10. Subject to the provisions of this Order the dock tramways authorised by this Order shall for all purposes (including the power to levy and recover rates dues tolls and rents and all other charges) be and be deemed to be part of the undertaking of the Trustees and all the powers rights and authorities of the Trustees shall apply to and may be exercised with respect to the said tramways as fully and freely in all respects as such powers rights and authorities are applicable to and exercisable in any other part of their undertaking.

Revival of
powers for
compulsory
purchase of
land.

11.—(1) The power conferred on the Trustees by section 6 (Power to execute works) of the Order of 1914 to enter upon take and use the land hereinafter mentioned is hereby revived and the period limited by that Order for the compulsory purchase of that land is hereby extended until the first day of October one thousand nine hundred and fifty-three but on that date the power for such compulsory purchase shall cease except so far as the power has then been exercised.

The land to which this section applies is the land forming the site of Railway No. 6 authorised by the Glasgow and Renfrew District Railway Act 1897 being the properties numbered 18 31 36 and 42 in the parish of Govan on the plans deposited in connection with the draft Order of 1914.

(2) Nothing in this section shall authorise the Trustees without the consent in writing of the commission to enter upon take or use any part of the land to which this section applies other than so much thereof as is shown and coloured red on the plan signed in duplicate by John Wilson on behalf of the Trustees and by Miles Beevor on behalf of the commission.

Transfer of
deviation
railway to
British
Transport
Commission.

12.—(1) On the completion to the satisfaction of the commission of the deviation railway authorised by this Order the Trustees shall at the request of the commission transfer the said deviation railway to the commission and on and after such transfer the said deviation railway shall vest in the commission and shall for the purposes of tolls rates and charges and for all other purposes whatsoever be

part of the undertaking of the commission as if the said deviation railway had been authorised by and constructed under the powers of the Glasgow and Renfrew District Railway Act 1897.

PART II
—cont.

(2) On the transfer of the said deviation railway as aforesaid so much of the Glasgow and Renfrew District Railway as will be rendered unnecessary by the construction of the said deviation railway and the site thereof shall cease to form part of the undertaking of the commission and all the powers and obligations conferred or imposed on the commission by or under any enactment conveyance contract agreement or otherwise with respect to that portion of the railway shall cease and determine and on and after such transfer the Trustees provided that they have acquired or served notice to treat in respect of the said portion of railway may appropriate and use the same for such of the purposes of their undertaking as they may think fit and may remove the rails and other works forming part thereof.

(3) The transfer of the said deviation railway by the Trustees to the commission in pursuance of this section shall be upon such terms as may be agreed between them or as failing agreement determined by an arbiter to be appointed by the Minister on the application of either party after notice in writing to the other.

(4) If in the opinion of the arbiter the said deviation railway transferred by the Trustees to the commission in pursuance of this section is of less value than the value of the portion of railway referred to in subsection (2) of this section and the land referred to in section 11 (Revival of powers for compulsory purchase of land) of this Order any difference in value shall be paid by the Trustees to the commission. Provided that such values shall in all cases be ascertained as at the date of the passing of the Act confirming this Order and shall be assessed in accordance with the provisions of subsection (4) of section 81 of the Town and Country Planning (Scotland) Act 1947.

(5) Notwithstanding anything in this Order or in any Act wholly or partly incorporated herewith the Trustees shall not be obliged or required to pay any compensation to the commission in respect of the acquisition under the powers of this Order of the portion of railway referred to in subsection (2) of this section or the land referred to in section 11 (Revival of powers for compulsory purchase of land) of this Order other than as provided in this section.

13. A line of tramway constructed under this Order shall not be used for the public conveyance of passengers until it has been certified by the Minister to be fit for that use.

14. Notwithstanding anything in this Order or shown upon the deposited plan and sections the following provisions shall apply and have effect:—

(1) In this section—

“the deviation railway” means the deviation railway authorised by section 5 (Power to execute works) of this Order;

PART II
—cont.

“ the dock tramways ” means the dock tramways authorised by the said section 5 ;

“ the works ” means—

(a) the deviation railway ; and

(b) so much of the dock tramways and of any other work authorised by this Order as may be situated upon across under or over the railways lands or property of the commission or may interfere with or injuriously affect such railways lands or property or the operation or use thereof ;

and includes the construction and (except in relation to the deviation railway) the renewal of such works ;

“ the engineer ” means an engineer to be appointed by the commission :

- (2) The Trustees shall not under the powers of this Order acquire compulsorily any lands of the commission shown within the limits of deviation on the deposited plan (other than the portion of the Glasgow and Renfrew District Railway rendered unnecessary by the construction of the deviation railway) but they may acquire and the commission shall if so required by the Trustees grant to the Trustees such servitudes or rights of constructing maintaining renewing and using or removing the works (other than the deviation railway) in under or over the said lands of the commission as the Trustees may reasonably require for the purposes of this Order and the provisions of the Lands Clauses Acts shall (subject to the provisions of this Order) extend and apply to the acquisition of such servitudes or rights as if the same were lands within the meaning of those Acts :

Provided nevertheless that the Trustees shall not during the continuance of the lease entered into between the Trustees and the London Midland & Scottish Railway Company (predecessors in title of the commission) dated the seventh and thirteenth days of October one thousand nine hundred and thirty-one enter upon take or use for the purposes of this Order any part of the lands which were thereby leased by the Trustees to the said railway company unless the Trustees have previously entered into an appropriate agreement with the commission regarding the existing railways sidings and accessories thereon and any new railways sidings and accessories required in consequence of the works :

- (3) The Trustees shall be entitled (subject to the provisions of this section) to enter upon the lands of the commission for the purpose of constructing so much of the deviation railway as will be situated upon such lands without making any payment therefor but they shall compensate the commission for the depreciation in value of such land resulting from the construction of the deviation railway thereon and the value of that land and of the land of the commission used for the construction of Dock Tramway No. 3 authorised

by this Order shall for the purposes of compensation be assessed as if it were land to which the provisions of subsection (4) of section 81 of the Town and Country Planning (Scotland) Act 1947 applied:

PART II
—cont—

- (4) The Trustees shall before commencing any of the works furnish to the commission proper and sufficient plans sections drawings and specifications thereof for the reasonable approval of the engineer and shall not commence those works until such plans sections drawings and specifications shall have been approved in writing by the engineer or in case of a difference between the engineer and the Trustees until the same shall have been settled by arbitration:

Provided that if within twenty-eight days after such plans sections drawings and specifications have been furnished to the commission the engineer has not intimated his approval or disapproval thereof he shall be deemed to have approved the same:

- (5) If within twenty-eight days after such plans sections drawings and specifications have been furnished to the commission the commission give notice to the Trustees that they desire themselves to construct any part of the works the commission shall construct the same with all reasonable dispatch on behalf of and at the expense of the Trustees in accordance with the plans sections drawings and specifications approved or deemed to be approved or settled as aforesaid:
- (6) Upon signifying his approval or disapproval of the said plans sections drawings and specifications the engineer may specify any temporary or permanent works which in his opinion should be carried out before the commencement of the works to ensure the stability safety or proper functioning of the commission's railways or to protect the property of the commission from injury and such of the said temporary or permanent works as may be reasonably necessary for those purposes shall be constructed with all reasonable dispatch by the commission on behalf and at the expense of the Trustees and the Trustees shall not commence the works until the engineer has notified the Trustees that such temporary or permanent works have been completed:
- (7) The Trustees shall give notice in writing to the engineer of their intention to carry out any part of the works situated upon the property of the commission or so as to affect their railways and such works shall be carried out only at such time or times as the engineer shall determine:
- (8) All accommodation works on the deviation railway shall be subject to the approval of the engineer before such works are agreed upon or arranged by the Trustees with third parties and all other agreements or arrangements entered into by the Trustees with third parties which may require to be implemented by the commission as owners of the deviation railway after its construction shall be subject to the like approval:

PART II
—cont.

- (9) No junction of any railway tramway or siding of the Trustees with the commission's railways (including the deviation railway) shall be made without the consent in writing of the commission and if such consent is given the junction shall be made only upon such terms and conditions as may be agreed between the Trustees and the commission:
- (10) The works (or so much thereof as are carried out by the Trustees) shall when commenced be carried out with all reasonable dispatch in accordance with the plans sections drawings and specifications approved or deemed to be approved or settled as aforesaid and under the supervision (if given) and to the reasonable satisfaction of the engineer and in such manner as to cause as little damage to the commission's railways or other property as may be and so as not to interfere with or obstruct the free uninterrupted and safe use of the commission's railways or the traffic thereon and if any damage to any of the commission's property or any such interference or obstruction is caused or takes place the Trustees shall notwithstanding any such approval as aforesaid forthwith make good such damage and pay to the commission all costs and expenses to which they may be put and compensation for any loss which they may sustain by reason of any such damage interference or obstruction:
- (11) The dock tramways shall when completed be maintained by the Trustees at their own expense to the satisfaction in all respects of the engineer except that unless otherwise agreed any junctions of the dock tramways with the commission's railways shall not be maintained by the Trustees but by the commission on behalf and at the expense of the Trustees who shall repay to the commission on demand the cost of maintaining such junctions as certified by the engineer:
- (12) The Trustees shall at all times afford facilities to the engineer for access to the works during their construction and shall supply him with all such information as he may reasonably require with regard to the works or the method of construction thereof:
- (13) If any alterations or additions either permanent or temporary to any railway works or apparatus on land belonging to the commission are necessary in consequence of the works (except alterations or additions for the purpose of dealing with increased traffic over the commission's railways) such alterations and additions may be effected by the commission and the Trustees shall repay to the commission on demand the cost thereof as certified by the engineer including a capitalised sum representing the increased or additional cost of maintaining working and when necessary renewing any such alterations or additions:
- (14) The Trustees shall repay to the commission on demand all costs charges and expenses certified by the engineer

to have been incurred by the commission in connection with the works—

PART II
—cont.

(a) in respect of the construction by the commission of any part of the works on behalf of the Trustees as provided by subsection (5) of this section or of any temporary or permanent works under the provisions of subsection (6) of this section ;

(b) in respect of the employment during the period of the construction of the works and within a reasonable period after their completion of any inspectors signalmen watchmen and other persons whom it may be reasonably necessary to appoint for supervising inspecting signalling watching and lighting the commission's railways and other property and for preventing as far as may be all interference obstruction danger or accident ; and

(c) in respect of any special traffic working or the substitution or diversion of services during and within the periods aforesaid :

- (15) The Trustees shall be responsible for and make good to the commission all costs charges damages and expenses not otherwise provided for in this section which may be occasioned to the commission or to their railways or other property or to the traffic thereon or otherwise by reason of the works or failure thereof or by reason of any act or omission of the Trustees or of any persons in their employ or of their contractors or others whilst engaged upon the works and the Trustees shall effectively indemnify and hold harmless the commission from and against all claims or demands arising out of or in connection with the works or any failure thereof or act or omission as aforesaid and the fact that any work or thing may have been done by the commission on behalf of the Trustees or in accordance with any plan section drawing or specification approved by the engineer or in accordance with any requirement of the engineer or under his supervision shall not (if it was done without negligence on the part of the commission or of any person in their employ or of their contractors or others whilst engaged upon the deviation railway or the works) excuse the Trustees from any liability under the provisions of this section :
- (16) Any expense which the commission may reasonably incur in widening altering reconstructing or maintaining their railways in the vicinity of the works in pursuance of any powers existing at the passing of the Act confirming this Order additional to the expense which the commission would have incurred in so doing had the works not been constructed shall be repaid by the Trustees to the commission on demand :
- (17) The Trustees shall pay to the commission on demand the cost as certified by the engineer of maintaining (except as regards ordinary wear and tear) the deviation railway for one year after the opening of the same for public traffic :

PART II
—cont.

- (18) The Trustees shall also pay to the commission on completion of the deviation railway a capitalised sum in respect of the increased annual cost to the commission of maintaining the deviation railway as compared with the cost of maintaining the portion of railway superseded by the deviation railway such sum if not agreed between the Trustees and the commission to be determined by arbitration:
- (19) The deviation railway to be transferred to the commission pursuant to section 12 (Transfer of deviation railway to British Transport Commission) of this Order shall include all necessary fences gates bridges drains culverts works and appurtenances and shall be constructed with a formation not less than 30 feet wide across the shoulders of any embankments and across any cuttings and suitable in all respects to enable the deviation railway to be widened subsequently by the commission to a double line of railway and sufficient land shall be included in such transfer to enable such widened railway to be provided within the limits of such land:
- (20) The Trustees shall on the completion of the deviation railway deliver to the commission plans sections drawings and specifications of so much thereof as has been constructed by the Trustees and valid titles to so much of the land on which the deviation railway and appurtenances and equipment have been constructed as is not in the ownership of the commission and all agreements and other writings affecting the deviation railway which continue in operation after it has been opened for public traffic:
- (21) The Trustees shall be responsible for applying for all licences permits and consents from the appropriate authorities which may be necessary for the acquisition of the materials to be used (whether by themselves or by the commission on their behalf) in constructing any of the works:
- (22) Nothing in section 9 (Power to alter apparatus etc. temporarily) of this Order shall authorise the Trustees to break up or cross over or under alter or stop up remove or otherwise interfere with any railway sewer drain watercourse gas or water main or pipe or electric telegraphic or telephonic apparatus of the commission except subject to and in accordance with the provisions of this section (so far as the same are applicable thereto) and for the purposes of this section such breaking up or other interference as aforesaid shall be deemed to be included in the expression "the works":
- (23) Any difference arising under this section between the Trustees and the commission (other than a difference to which the provisions of the Lands Clauses Acts apply) shall be determined by an arbiter to be mutually agreed upon between the Trustees and the commission or (failing agreement) to be appointed on the application of either party by the President of the Institution of Civil Engineers.

15.—(1) If there is any omission misstatement or erroneous description of any lands or of the owners lessees or occupiers of any lands shown on the deposited plan or specified in the deposited book of reference the Trustees after giving ten days' notice to the owners lessees and occupiers of the lands in question may apply to the sheriff of the county in which the said lands are situated for the correction thereof.

PART II
—cont.

Correction
of errors
omissions etc.

(2) If on any such application it appears to the sheriff that the omission misstatement or erroneous description arose from mistake he shall certify the same accordingly and he shall in his certificate state the particulars of the omission and in what respect any such matter is misstated or erroneously described and the decision of the sheriff in such matter shall be final.

(3) The certificate of the sheriff shall be deposited in the office of the sheriff clerk of the said county and thereupon the deposited plan and book of reference shall be deemed to be corrected in accordance with the certificate and it shall be lawful for the Trustees to take the lands and execute the works in accordance with such certificate.

(4) Any certificate deposited under this section shall be kept by such sheriff clerk along with the other documents to which the same relate.

16. Notwithstanding anything in this Order or in any Act wholly or partly incorporated herewith the Trustees may purchase and acquire such servitudes or rights of constructing maintaining renewing and using or removing the works authorised by this Order in under or over any railway watercourse drain dyke or sewer as they may require for the purposes of this Order without the Trustees being obliged or compellable to purchase any greater interest in under or over the same respectively and the provisions of the Lands Clauses Acts shall extend and apply to such servitudes and rights as if the same were lands within the meaning of those Acts.

Power to
acquire
servitudes
compulsorily
in certain cases.

17. All private rights of way over any lands which under the powers of this Order are acquired compulsorily shall as from the date of such acquisition be extinguished:

Extinction of
private rights
of way.

Provided that the Trustees shall make compensation to all persons interested in respect of any such rights and the compensation shall be settled in manner provided by the Lands Clauses Acts with reference to the taking of lands otherwise than by agreement.

18. The powers of the Trustees for the compulsory purchase of the lands which they are authorised to acquire by this Order shall cease on the first day of October one thousand nine hundred and fifty-three.

Period for
compulsory
purchase of
lands.

19. Notwithstanding anything contained in this Order the following provisions shall apply and have effect for the protection of the South West Scotland Electricity Board (in this section called "the board") unless otherwise agreed on in writing between the Trustees and the board (that is to say):—

For protection
of South West
Scotland
Electricity
Board.

(1) Nothing in this Order shall extend to or authorise any interference with any electric lines or other works belonging to or forming part of the distribution system of the board except in accordance with and subject to the provisions of

PART II

—cont.

45 & 46 Vict.
c. 56.
62 & 63 Vict.
c. 19.

section 15 of the Electric Lighting Act 1882 and section 17 of the schedule to the Electric Lighting (Clauses) Act 1899 and such provisions shall be deemed for the purpose of this subsection to extend to and include any electric line or work of the board whether or not such line or work is under any street or place authorised to be broken up by the board and whether such line or work is placed below upon or above the level of the ground :

- (2) In this section the expressions “electric lines” and “works” have the same respective meanings as in the Electricity (Supply) Acts 1882 to 1936.

For protection
of Glasgow
Corporation.

20. Except as may be otherwise agreed in writing between the Trustees and the corporation of the city of Glasgow (hereinafter referred to as “the corporation”)—

- (1) Notwithstanding anything contained in this Order or shown on the deposited plan the Trustees shall not in the exercise of the powers conferred on them by this Order take or use or in any way interfere with the surface of Renfrew Road so far as vested in the corporation or any services belonging to or maintained by the corporation in or about the said Renfrew Road ;
- (2) The Trustees shall compensate the corporation for all loss or damage including loss or damage consequent upon any interruption impediment or interference to or with any services belonging to or maintained by the corporation in or about the said Renfrew Road which the corporation may incur caused by the construction alteration renewal repair or maintenance of (or failure to maintain) any of the works authorised by this Order and the amount of such compensation shall (failing agreement) be determined by an arbiter to be mutually agreed upon between the Trustees and the corporation or failing agreement to be appointed on the application of either party by the President of the Institution of Civil Engineers.

PART III

RATES AND CHARGES

Rates and
charges.

21. For the First to Fifteenth Schedules to the Act of 1929 there shall be substituted respectively the First to Fifteenth Schedules to this Order and the Act of 1929 shall have effect as if—

- (1) the expression “rates” in section 6 (Interpretation) of that Act means the rates dues tolls rents and charges or any of them authorised by this Order ;
- (2) references in Part II (Rates etc.) of the Act of 1929 to the schedules to that Act were references to the schedules to this Order and references in the said Part II to any of the schedules to that Act hereinbefore specified were references to the corresponding schedule to this Order ; and
- (3) references in the Act of 1929 to rates prescribed or authorised by or levied or leviable or authorised to be levied by the Trustees under the authority of that Act were references

to the rates prescribed or authorised by or levied or leviable or authorised to be levied by the Trustees under the authority of this Order ;

PART III
—cont.

and the Clyde Navigation Acts and this Order shall be read and construed accordingly.

22. Section 25 (Registered tonnage of tugs) of the Act of 1929 is hereby amended by the substitution of the words “ thirty-six pounds ” for the words “ eighteen pounds ” in that section. Amendment of section 25 of Act of 1929.

23.—(1) If it is represented by application in writing to the Minister— Revision of rates.

(a) by any chamber of commerce or shipping or any representative body of traders or shipowners ; or

(b) by any person who in the opinion of the Minister has a substantial interest in the trade of the river Clyde as defined by the Act of 1929 and is a proper person to make an application ; or

(c) by the Trustees ;

that in the circumstances then existing the authorised rates should be revised in whole or in part the Minister if he thinks fit may make an order revising all or any of the authorised rates referred to in the application and may fix the date as from which such order shall take effect and thenceforth such order shall remain in force until the same expires or is revoked or modified by a further order of the Minister made in pursuance of this subsection.

(2) An application made to the Minister under subsection (1) of this section shall be accompanied by such information and particulars as the Minister may consider relevant certified in such manner as he may require.

(3) Where upon an application under subsection (1) of this section an order has been made or the Minister has decided not to make an order no further application for a revision of any of the rates to which the application related shall be made within twelve months from the date of such order or decision as the case may be.

(4) Before making an order under subsection (1) of this section the Minister shall consult with such bodies or persons as aforesaid as appear to him to be appropriate including the Trustees where they are not the applicants and for the purpose of ascertaining such bodies or persons may require public notice of the application to be given and where an objection to an application is made by the Trustees or by any such body or person as aforesaid and is not withdrawn the Minister unless it appears to him that the objection is of a trivial nature shall cause an inquiry to be held in reference to the application.

(5) Subject to the proviso to this subsection the Minister shall not by an order under subsection (1) of this section make any such revision of the authorised rates as in his opinion would so far as can be estimated be likely to result in the annual revenue of the Trustees being insufficient or more than sufficient to enable the

PART III
—*cont.*

Trustees with efficient management of their undertaking to make adequate provision for paying all proper expenses of and connected with the working management and maintenance of their undertaking including interest on loan capital (regard being had by him to any capital which the Trustees may reasonably be expected to expend) making good depreciation providing for any contributions which the Trustees may reasonably and properly carry to any reserve fund contingency fund or sinking fund and meeting all other costs charges and expenses if any properly chargeable to revenue:

Provided that in any case where the Minister is satisfied that there are special circumstances affecting the undertaking of the Trustees taking into account their financial condition during such period preceding the date on which an application is made under subsection (1) of this section as the Minister considers to be appropriate the Minister may revise the authorised rates in such manner as he thinks just and reasonable with due allowance for such special circumstances notwithstanding that such revision is likely to result in the revenue of the Trustees being insufficient to enable the Trustees to make adequate provision for all of the matters referred to in the foregoing provisions of this subsection.

(6) The authorised rates as revised by an order under subsection (1) of this section shall not in any case be less than the maximum rates which the Trustees were authorised to levy demand and recover under or by virtue of the Clyde Navigation Acts 1858 to 1929.

10 & 11 Geo. 6.
c. 43. (7) Section 355 of the Local Government (Scotland) Act 1947 shall apply to inquiries which the Minister may cause to be held under this section as if they were an inquiry held in pursuance of subsection (1) of the said section 355 and the Trustees were a local authority.

(8) The power of the Minister to make an order under this section shall be exercisable by statutory instrument.

(9) In this section "authorised rates" means the rates dues tolls rents and charges which the Trustees are for the time being authorised to levy demand and recover in pursuance of the Clyde Navigation Acts 1858 to 1950 or any order made under this section.

For further
protection
of Glasgow
Corporation.

25 & 26 Geo. 5.
c. xli.

24.—(1) Nothing contained in this Order shall prejudice or affect the provisions of section 56 (Exemption from tolls of vessels etc. employed in connection with sewage works) of the Glasgow Corporation Sewage Order 1935 and the exemption from rates conferred by the said section shall notwithstanding anything contained in this Order continue in full force and effect.

(2) Section 15 (For protection of corporation of Glasgow) of the Act of 1929 is hereby repealed.

PART IV

FINANCIAL

Power to
apply
corporate funds
to purposes
of Order.

25. The Trustees may apply to the purposes of this Order and of the Clyde Navigation Acts to which capital is properly applicable any moneys in the nature of capital which they now have in

their hands or which they have power to raise by virtue of the Clyde Navigation Acts and this Order and which may not be required for the purposes to which they are by any of such Acts made specially applicable.

PART IV
—cont.

26. The Trustees may borrow on the security of their undertaking and on the rates leviable by them under the authority of the Clyde Navigation Acts and this Order any sums of money not exceeding in the whole ten million pounds in addition to the sum of thirteen million four hundred thousand pounds which they are by the Clyde Navigation Acts authorised to borrow and if after having borrowed the said sum of ten million pounds or any part thereof the Trustees shall pay off the same except by means of the sinking fund or the proceeds of the sale of any land or any grassum or premium taken on any lease or feu disposition they may again borrow the like sum on the same security.

Power to
borrow money.

27. The provisions contained in sections 47 to 70 of the Act of 1858 and sections 27 28 and 29 of the Clyde Navigation (Glasgow Harbour Tramways) Act 1864 respectively relating to the form of securities and section 42 of the Clyde Navigation Act 1904 shall extend and apply to the money by this Order authorised to be borrowed as if such money had formed part of the money by the Clyde Navigation Acts or any of them authorised to be borrowed.

Provisions of
certain Clyde
Navigation Acts
applied to
borrowing
powers of this
Order.
27 & 28 Vict.
c. ccxlviii.
4 Edw. 7.
c. ccxlii.

28. All money borrowed by the Trustees under the authority of this Order and all other money in the nature of capital received by the Trustees shall be applied only in defraying the cost of the lands to be acquired and the works to be constructed under the authority of the Order of 1914 and this Order and to other purposes of the Clyde Navigation Acts and this Order to which capital is properly applicable and all rates levied by the Trustees under the authority of this Order and all other moneys in the nature of revenue received by the Trustees shall be applied in or towards carrying into execution the purposes of the Clyde Navigation Acts and of this Order and the undertakings thereby authorised to which revenue is properly applicable and to no other purpose whatsoever.

Application
of money
borrowed.

29. Sections 47 and 48 of the Clyde Navigation Act 1883 in reference to the sinking fund to be provided by the Trustees shall extend and apply to the money by this Order authorised to be borrowed as if such money had formed part of the money authorised to be borrowed by the Clyde Navigation Acts or any of them.

Extending to
this Order
certain
provisions of
Clyde
Navigation Act
1883.
46 & 47 Vict.
c. clxi.

30. It shall not be lawful to exercise the powers of borrowing conferred by this Part of this Order otherwise than in compliance with the provisions of any defence regulation within the meaning of the Supplies and Services (Transitional Powers) Act 1945 for the time being having effect by virtue of that Act or of any order for the time being in force made under section 1 of the Borrowing (Control and Guarantees) Act 1946.

Saving for
emergency
restrictions on
borrowing.
9 Geo. 6. c. 10.
9 & 10 Geo. 6.
c. 58.

PART V

MISCELLANEOUS

Saving for
town and
country
planning.

31. This Order shall be deemed to be an enactment passed before and in force at the passing of the Town and Country Planning (Scotland) Act 1947 for the purposes of subsection (4) of section 11 and subsection (1) of section 112 of that Act.

Repeals.

32. On and from the date of the passing of the Act confirming this Order the First to Fifteenth Schedules to the Act of 1929 shall be repealed.

Costs of Act.

33. All costs charges and expenses of and incident to the preparing for obtaining and confirming of this Order or otherwise in relation thereto shall be paid by the Trustees out of the revenues of their undertaking.

SCHEDULES

FIRST SCHEDULE

RATES ON VESSELS ON EACH TIME OF ENTERING OR USING OR
DEPARTING FROM THE RIVER OR HARBOUR

Section	Inwards	Outwards

10 "	15 "	...	...	...	...	8	0
15 "	20 "	...	...	...	...	10	0
20 "	70 "	...	...	...	...	12	0
70 "	100 "	...	...	...	...	16	0
100 "	and upwards	...	...	...	...	1	0 0

	Capable of lifting not more than eight tons.			Capable of lifting more than eight tons.		
	£	s.	d.	£	s.	d.
The minimum charge for any single employ- ment of a crane or hoist under Class IA. (Tonnage rates) shall be—						
For the forenoon half period of four hours or any part thereof	2	0	0	3	0	0
For the afternoon half period of four hours or any part thereof	2	0	0	3	0	0
For the first half night period of four hours or any part thereof	2	0	0	3	0	0
For the second half night period of five hours or any part thereof	2	10	0	3	15	0
For any additional time worked outside the above half periods per hour or any part thereof		10	0		15	0

B.—Time rates

It shall be optional to the Trustees in place of
charging by weight to hire out any crane
capable of lifting not more than two tons
at the following rates:—

	Rates		
	£	s.	d.
For the forenoon half period of four hours or any part thereof	2	10	0
For the afternoon half period of four hours or any part thereof	2	10	0
For the first half night period of four hours or any part thereof	2	10	0
For the second half night period of five hours or any part thereof	3	2	6
For any additional time worked outside the above half periods per hour or any part thereof		12	6

The minimum charge for any single employment of a crane or hoist
shall apply to two or more vessels under the same ownership using
the same crane or hoist within a half period of four or five hours
as if they were one vessel.

The modified charge of £1 net will be made when a crane or hoist
other than a fitting-out crane is ordered but is not used.

3RD SCH.
—cont.

CLASS II

RATES FOR THE USE OF CRANES WHEN LIFTING
MACHINERY ETC. NOT BEING CARGO

		Rates. For each ton or part of a ton. £ s. d.		
(A)	For lifting masts machinery engines boilers etc. on board or out of vessels including fitting up or ;			
(B)	For lifting any other article—			
(1)	For each lift under seventy tons	15	0	
(2)	For each lift of seventy tons and under one hundred tons	1	0	0
(3)	For each lift of one hundred tons and upwards	1	5	0

	Capable of lifting not more than eight tons. £ s. d.			Capable of lifting more than eight tons. £ s. d.		
The minimum charge for the use of a crane under Class II shall be—						
For the forenoon half period of four hours or any part thereof	2	10	0	4	0	0
For the afternoon half period of four hours or any part thereof	2	10	0	4	0	0
For the first half night period of four hours or any part thereof	2	10	0	4	0	0
For the second half night period of five hours or any part thereof	3	2	6	5	0	0
For any additional time worked outside the above half periods per hour or any part thereof	12	6		1	0	0

The minimum charge for any single employment of a crane shall apply to two or more vessels under the same ownership using the same crane within a half period of four or five hours as if they were one vessel.

In each class all necessary use of a crane when employed at tonnage rates from the lifting of an article off its carriage or lighter until stowed or adjusted in the vessel or from the lifting of an article from the vessel until placed on its carriage or lighter shall be included in one lift provided that the lift is completed in one day but if the use of a

crane is required on another day or other days in the course of a lift an addition to the tonnage charge shall be made as follows:—

3RD SCH.
—cont.

	Rates per day or any part thereof. £ s. d.		
For a crane capable of lifting not more than eight tons	1	10	0
For a crane capable of lifting more than eight tons and not more than seventy tons	2	0	0
For a crane capable of lifting more than seventy tons	2	10	0

OVERTIME

When overtime is worked by cranes or hoists between 5 p.m. and 8 a.m. on weekdays except Saturdays or between noon on Saturdays and 8 a.m. on Mondays or during meal hours or on public or labour holidays the parties requesting such overtime to be worked shall in addition to the rates be charged the amount paid in wages for overtime and also the amount paid in excess of the actual time worked plus 15 per cent. in each case.

In respect of the cost of running the power stations at Prince's Dock Queen's Dock or Rothesay Dock on Sundays or on public or labour holidays a special charge will be made of £10 for the day period of 8 hours or for the night period of 9 hours or any part thereof and for any time outside these periods £2 per hour or any part thereof per vessel using the Trustees' hydraulic or electric cranes hoists or other appliances.

FOURTH SCHEDULE

RATES FOR GRABS AND MAGNETS

	Rates for each ton or part of a ton of cargo loaded or discharged s. d.						
For grabs	0	6					
For magnets—							
pig iron	0	8					
scrap iron	1	0

	Rates s. d.
1. For goods or mineral traffic to or from any part of the harbour per ton or part of a ton	0 3
2. For each horse bull cow or ox or other large animal ...	0 4
3. For each calf pig sheep or lamb or other small animal ...	0 2
4. For each passenger	0 4
5. For each single article exceeding eight tons such rate as the Trustees shall think fit.	

SIXTH SCHEDULE

RATES FOR CAPSTANS

	Rates s. d.
1. For goods or mineral traffic for which the cranes or hoists of the Trustees are used per ton or part of a ton ...	0 3
When overtime is worked by capstans between 5 p.m. and 8 a.m. on weekdays except Saturdays or between noon on Saturdays and 8 a.m. on Mondays or during meal hours or on public or labour holidays the parties requesting such overtime to be worked shall in addition to the rates be charged the amount paid in wages for overtime and also the amount paid in excess of the actual time worked plus 15 per cent. in each case.	
2. For goods or mineral traffic for which the cranes or hoists of the Trustees are not used per ton or part of a ton	0 3
And in addition the actual wages of the men employed in connection with the capstans plus 15 per cent.	
3. (a) For each horse bull cow or ox or other large animal	0 4
(b) For each calf pig sheep or lamb or other small animal	0 2
(c) For each passenger	0 4
And in addition the actual wages of the men employed in connection with the capstans plus 15 per cent.	
4. For hire of large electric capstans at fitting-out cranes each per hour	11 0

SEVENTH SCHEDULE

RATE FOR WATER

	Rate s. d.
For the supply of water for all purposes to vessels entering and using the harbour or for the extinction of fire on board of such vessels per 100 gallons	0 6
The minimum charge for a single supply of water to a vessel shall be for 500 gallons.	

OVERTIME

When overtime is worked in connection with the supply of water between 5 p.m. and 8 a.m. on weekdays except Saturdays or between noon on Saturdays and 8 a.m. on Mondays or during meal hours or on public or labour holidays the parties requesting such overtime to be worked shall in addition to the rates be charged the amount paid in wages for overtime and also the amount paid in excess of the actual time worked plus 15 per cent. in each case.

EIGHTH SCHEDULE

RATE FOR PLANKS AND TRESTLES

	Rate s. d.
For the use of each plank or trestle per day	3 0

NINTH SCHEDULE

RATES FOR WEIGHING

<i>Cart and motor traffic</i>	Rates	
	<i>s.</i>	<i>d.</i>
For each load not exceeding one ton	0	4
For each load exceeding one ton but not exceeding six tons	0	6
For each load exceeding six tons	0	8

Weights of cargo including bunker coal by cart or motor given at the request of owners or agents of vessels and for their own purposes only shall be charged at the rate of 1½d. per ton on the total weight instead of the above rates.

Railway traffic

(a) Ballast barium rock bricks causeway stones cement clay coal coal briquettes coal duff or gum coal tar or blast-furnace pitch coke copper dross gas carbon refuse gas coal cinders granite (crushed or chips) gravel limestone magnesite rock ores (barium cobalt chrome copper iron lead magnesite manganese nickel or zinc) phosphate rock or sand pig iron pyrites rock salt salt salt cake salt waste sand scrap iron shale slag spiegel iron stones or whiting per wagon	0	6
(b) All other goods per wagon	0	10

NOTE

The rates of all traffic to be paid by the owner of the goods or vehicles if required by the collector or other officer appointed by the Trustees for ascertaining the rates provided the weight specified by such owner be found less than the real weight but if found equal to or greater than the real weight the weighing rates are not to be exigible.

OVERTIME

When overtime is worked in connection with the weighing machines between 5 p.m. and 8 a.m. on weekdays except Saturdays or between noon on Saturdays and 8 a.m. on Mondays or during meal hours or on public or labour holidays the parties requesting such overtime to be worked shall in addition to the rates be charged the amount paid in wages for overtime and also the amount paid in excess of the actual time worked plus 15 per cent. in each case.

TENTH SCHEDULE

RATES FOR GRAVING DOCKS

	First two tides	Each tide above two tides up to 24 tides in all	Each tide above 24 tides up to 36 tides in all	Each tide above 36 tides
	Per ton s. d.	Per ton s. d.	Per ton s. d.	Per ton s. d.
(1) Vessels not exceeding 3,000 tons	1 1	0 1½	0 2½	0 4
(2) Vessels exceeding 3,000 tons and not exceeding 8,000 tons	1 0	0 1½	0 2½	0 3½
(3) Vessels exceeding 8,000 tons	0 11	0 1½	0 2	0 3½

No charge shall be for less than two tides.

No charge shall be made for Sunday tides unless work is actually done.

The minimum charge for the use of a dock shall be for 1,200 tons.

Notwithstanding the progressive decreases in the rates leviable for larger tonnaged vessels no vessel whose tonnage exceeds 3,000 tons shall be charged a less amount than a vessel of 3,000 tons and no vessel whose tonnage exceeds 8,000 tons shall be charged a less amount than a vessel of 8,000 tons.

The rates shall be charged on the gross registered tonnage of each vessel on leaving the dock.

The tide in which a vessel shall enter the dock shall be counted one tide and the tide in which a vessel shall leave the dock shall also be counted one tide.

The rates include pumping a dock at the entry of each vessel the use of cap blocks shores trestles and other plant.

An additional pumping of a dock required by a vessel ... £40

The use of the dock plant is given on condition that the Trustees shall be relieved of all risk and responsibility connected with its use.

In the case of any vessel on which repairs or alterations requiring more than twenty-four tides are considered necessary special arrangements must be made before entry or after inspection in dock but before any repairs are commenced for the use by such vessel of the graving dock for any period longer than twenty-four tides.

Charges will be made for electric current or pneumatic power supplied for the use of cranes or hydraulic capstans for repair work for replacing cap blocks specially cut out for removal of rubbish and for plant damaged or destroyed.

ELEVENTH SCHEDULE

TWELFTH SCHEDULE

RATES FOR TIMBER YARDS

RATES FOR STORAGE OF WOOD GOODS

	Rates s. d.
I. On all wood goods stored in the open in the yards Merklands Prince's Dock and Shieldhall Yards— Rent per month or part of a month per ton ...	0 6
II. On all wood goods stored in the sheds in the yards Merklands and Prince's Dock Yards— Rent per month or part of a month per ton ...	1 6
Shieldhall Yard— Rent per month or part of a month per ton ...	1 0
III. On all wood goods stored in the open at any other part of the harbour and to be removed by the owners on receiving fourteen days' notice Rent per month or part of a month per ton ...	1 0

NOTES

Fifty cubic feet of pine or white wood and forty cubic feet of any other kind of wood respectively to be computed one ton for rent.

The maximum rent payable on any lot of wood goods when stored shall continue to be charged until the whole of such lot shall have been removed.

Rent will be charged from the first of the month following the completion of the storage of the wood goods.

At the end of June and December in each year rent previously incurred for storage must be paid.

When wood goods lying on the Trustees' premises are sold or transferred the party on whose application the goods were stored shall notwithstanding in addition to the rights of lien hereinbefore provided continue liable not only for the rent incurred by him previous to the date of sale or transfer but also for the rent of the then current month.

In the event of an alteration at any time of the rates of rent wood goods stored in the timber yards or elsewhere at the date of such alteration coming into operation shall not be subject thereto until the first day of the following month.
