to notify
cases of
tuberculosis.

(4) Every dairyman who supplies milk within the city and has in his dairy any cow affected with or suspected of or exhibiting signs of tuberculosis of the udder shall forthwith give written

notice of the fact to the medical officer stating his name and address and the situation of the dairy or premises where the cow is. A.D. 1901.

Any dairyman failing to give such notice as required by this subsection shall be liable to a penalty not exceeding forty shillings.

(5)—(A) It shall be lawful for the medical officer or any person provided with and if required exhibiting the authority in writing of such medical officer to take within the city for examination samples of milk produced or sold or intended for sale within the city. Power to take samples of milk.

(B) The like powers in all respects may be exercised outside the city by the medical officer or such authorised person if he shall first have obtained from a justice having jurisdiction in the place where the sample is to be taken an order authorising the taking of samples of the milk which order any such justice is hereby empowered to make.

(6)—(A) If milk from a dairy situate within the city is being sold or suffered to be sold or used within the city the medical officer or any person provided with and if required exhibiting the authority in writing of the medical officer may if accompanied by a properly qualified veterinary surgeon at all reasonable hours enter the dairy and inspect the cows kept therein and if the medical officer or such person has reason to suspect that any cow in the dairy is suffering from tuberculosis of the udder he may require the cow to be milked in his presence and may take samples of the milk and the milk from any particular teat shall if he so requires be kept separate and separate samples thereof be furnished. Power to inspect cows and to take samples of milk.

(B) If the medical officer is of opinion that tuberculosis is caused or is likely to be caused to persons residing in the city from consumption of the milk supplied from a dairy situate within the city or from any cow kept therein he shall report thereon to the Corporation and his report shall be accompanied by any report furnished to him by the veterinary surgeon and the Corporation may thereupon serve on the dairyman notice to appear before them within such time not less than twenty-four hours as may be specified in the notice to show cause why an order should not be made requiring him not to supply any milk from such dairy within the city until the order has been withdrawn by the Corporation.

(C) If the medical officer has reason to believe that milk from any dairy situate outside the city from which milk is being sold or suffered to be sold or used within the city is likely to cause tuberculosis in persons residing within the city the powers conferred by this subsection may in all respects be exercised in the case of such dairy Provided that the medical officer or other authorised

A.D. 1901. — person shall first have obtained from a justice having jurisdiction in the place where the dairy is situate an order authorising such entry and inspection which order any such justice is hereby empowered to make.

(D) Every dairyman and the persons in his employment shall render such reasonable assistance to the medical officer or such authorised person or veterinary surgeon as aforesaid as may be required by such medical officer person or veterinary surgeon for all or any of the purposes of this subsection and any person refusing such assistance or obstructing such medical officer person or veterinary surgeon in carrying out the purposes of this subsection shall be liable to a penalty not exceeding five pounds.

(E) If in their opinion the dairyman fails to show cause why such an order may not be made as aforesaid the Corporation may make the said order and shall forthwith serve notice of the facts on the county council of any administrative county in which the dairy is situate and on the Local Government Board and if the dairy is situate outside the city on the council of the city or district in which it is situate.

(F) The said order shall be forthwith withdrawn on the Corporation or their medical officer being satisfied that the milk supply has been changed or that it is not likely to cause tuberculosis to persons residing in the city.

(G) If any person after any such order has been made supplies any milk within the city in contravention of the order or sells it for consumption therein he shall be liable to a penalty not exceeding five pounds and if the offence continues to a further penalty not exceeding forty shillings for every day during which the offence continues.

(H) A dairyman shall not be liable to an action for breach of contract if the breach be due to an order under this section.

(I) The dairyman may appeal against an order of the Corporation under this subsection or the refusal of the Corporation to withdraw any such order either to a petty sessional court having jurisdiction within the city or at his option if the dairy is situate outside the city to the Board of Agriculture who shall appoint an officer to hear such appeal. Such officer shall fix a time and place of hearing within the city and give notice thereof to the dairyman and the town clerk not less than forty-eight hours before the hearing. Such officer shall for the purposes of the appeal have all the powers of a petty sessional court.

The Board of Agriculture may at any stage require payment to them by the dairyman of such sum as they deem right to secure the payment of any costs incurred by the Board of Agriculture in the matter of the appeal. A.D. 1901.

The court or the Board of Agriculture as the case may be may confirm vary or withdraw the order which is the subject of the appeal and may direct to and by whom the costs of the appeal (including any sum paid or payable to the Board of Agriculture as aforesaid) are to be paid but pending the decision of the appeal the order shall remain in force unless previously withdrawn by the Corporation.

(J) If an order of the Corporation under this subsection is made without due cause or if the Corporation unreasonably refuse to withdraw the order the dairyman shall if not himself in default be entitled to recover from the Corporation full compensation for any damage which he has sustained by reason of the making of the order or of the refusal of the Corporation to withdraw the order.

The court or the Board of Agriculture may determine and state whether an order the subject of appeal has been made without due cause and whether the Corporation have unreasonably refused to withdraw the order and whether the dairyman has been in default.

Any dispute as to the fact whether an order of the Corporation under this subsection has been made or maintained without due cause or as to the fact of default where any such fact has not been determined by the court or Board of Agriculture or as to the fact of damage or as to the amount of compensation shall be determined in the manner provided by section 308 of the Public Health Act 1875 and that section shall accordingly apply and have effect as if the same were herein re-enacted and in terms made applicable to any such dispute as aforesaid.

(7) The Corporation shall cause to be given public notice of the effect of the provisions of this section by advertisement in local newspapers and by handbills and otherwise in such manner as they think sufficient and this section shall come into operation at such time not being less than one month after the first publication of such an advertisement as aforesaid as the Corporation may fix. (2) The Corporation shall transfer to the redemption fund and shall accumulate at compound interest at the rate on which the equal annual sums payable under subsection (3) of this section are calculated the sums in respect of the principal moneys set out in column twelve of the Second Schedule hereto and in the case of all principal moneys for repayment of which provision shall not be made by the payment of equal annual instalments of principal or of principal and interest combined they shall each year throughout the prescribed periods respectively pay into such fund a sum or sums equal to the aggregate amount of all sums payable in that year for the purpose of providing within the prescribed periods respectively sums equal in amount to the respective amounts of the principal moneys for the repayment of which the fund is established.

(3) The yearly sums to be paid into the redemption fund in respect of each amount of the principal moneys for the repayment of which the redemption fund is established shall be—

(A) The equal annual sum which if accumulated at compound interest at a rate not exceeding three per centum per annum would together with the sums transferred and the accumulations thereon as in subsection (2) of this section is provided be sufficient after payment of all expenses to repay that amount in the prescribed period ;

(B) The accumulations of the said equal annual sums at compound interest at the rate per centum on which the said equal annual sum is calculated :

The said yearly payments in respect of each amount of the principal moneys shall be continued throughout the prescribed period.

(4) If it appears to the Local Government Board at any time that the said several yearly sum or sums as aforesaid or any of them are insufficient to provide within the prescribed periods sums equal in amount to the amount of the principal moneys in respect of which such yearly sum or sums respectively are paid the amount of such yearly sum or sums shall be increased to such extent as the Local Government Board may determine and the Corporation with the consent of that Board may at any time reduce such yearly sum or sums either temporarily or permanently in any case in which it appears to the Local Government Board that such yearly sum or

sums would if maintained be more than sufficient to provide within the prescribed period a sum equal in amount to the amount of the principal moneys in respect of which such yearly sum or sums are required to be paid and if the amount paid into the redemption fund at any time in respect of any particular amount of the principal moneys is in the opinion of the Local Government Board sufficient with the accumulations to arise thereon to provide within the prescribed period a sum equal in amount to the amount of such principal money the Corporation with the consent of the Local Government Board may discontinue the payment of the yearly sum or sums to the redemption fund in respect of that amount of the principal moneys. A.D. 1901.

(5) For the purposes of this section the amount of any principal moneys represented by irredeemable stock irredeemable annuities or otherwise raised or secured in such manner that except by arrangement with the holder the same cannot be paid off or redeemed shall be calculated to be such as shall be equal to the full market value thereof.

43. Unless the Local Government Board otherwise direct the Corporation shall pay into the redemption fund and then shall carry to the proper separate account forming part of the general account of the said fund all such money being capital or in the nature of capital and not being wholly or in part otherwise appropriated or required to be otherwise applied as shall from time to time arise from any sale lease or other disposition of land or other property of the Corporation and as shall from time to time arise from any other source. Payment of sale money &c. to redemption fund.

44. The Corporation may at any time apply the whole or any part of the redemption fund as follows (that is to say):— Application of redemption fund.

(1) In or towards the discharge of the principal moneys or any of them for the repayment of which the fund is established provided that the yearly sums to be paid to the fund shall not be affected by such application:

(2) Where the Corporation are authorised by any statutory borrowing power to raise money for any purpose they may instead of exercising such borrowing power by the issue of any fresh security in respect thereof exercise the said power and raise the said money either wholly or partially by using for such purpose any money for the time being forming part of the redemption fund and moneys so raised shall for the purposes of

A.D. 1901.

this Act be deemed to be moneys borrowed under a statutory borrowing power Provided that when exercising this power the Corporation shall—

- (A) Withdraw from the redemption fund a sum equal to the amount of the statutory borrowing power proposed to be exercised by the use of moneys from such redemption fund ;
- (B) Credit the proper account or accounts in the redemption fund with the discharge of an amount of the principal moneys for the repayment of which the fund is established equal to the sum withdrawn from the redemption fund and thereupon the amount so credited shall be deemed to be principal moneys discharged by application of the redemption fund under subsection (1) of this section ;
- (c) Debit the account of the statutory borrowing power proposed to be exercised with an amount of the principal moneys equal to the sum withdrawn from the redemption fund and thereupon the statutory borrowing power shall be deemed to have been exercised as fully as if the said amount had been raised by the issue of a fresh security and the provisions of this Part of this Act as to repayment and reborrowing shall apply thereto accordingly :

Provided also that the provisions of this subsection shall not apply to any principal moneys now outstanding and which have been raised by means of and are represented by irredeemable stock or are otherwise secured in such manner that except by arrangement with the holder the same cannot be paid off or redeemed or which have been raised by means of and are represented by annuities :

- (3) When any of the principal moneys are discharged by the application of any part of the redemption fund the principal moneys so discharged shall be deemed to be in respect of such one or more of the statutory borrowing powers under which the principal moneys for the repayment of which the redemption fund is established were borrowed and if in respect of more than one in such proportions as the Corporation shall determine Provided that the amount of principal moneys deemed to be discharged in respect of any statutory borrowing power shall not exceed the amount which according to the actual price paid or credited for the discharge thereof could

(3) Section 85 (Power to Corporation to issue coupons) of the Leeds Improvement Act 1877 shall extend and apply to all mortgages issued by the Corporation in exercise of any statutory borrowing power.

Payment off
of or sub-
stitution for
existing
securities.

52.—(1) Where any principal money is outstanding the Corporation with the consent of the person to whom the same is owing may pay off or redeem the same with money raised by Corporation stock or mortgage or they may with the consent of such person issue Corporation stock or mortgage in substitution therefor.

(2) The Corporation may in every such case make such reasonable payment as they may think fit to the said person for his consent or otherwise compensating him for the payment off or substitution as aforesaid and any such payment may be either in money stock or mortgage or partly in one and partly in the other.

(3) Section 83 (Consent of trustees of incapacitated persons &c. to conversion) of the Leeds Improvement Act 1877 shall extend and apply for the purposes of this section.

(4) Money received and stock or mortgages issued in substitution as authorised by this section shall in the hands of the person to whom the same is paid or issued be subject to the like trusts powers testamentary and other dispositions provisions and incumbrances as the outstanding principal money was subject to in the hands of the said person immediately before the payment off or substitution and every deed or other instrument and any testamentary or other disposition accordingly shall take effect with reference to the whole or a proportionate part of the money stock or mortgage received or substituted as the case may be.

(5) The Corporation may create and issue stock or issue mortgages to such amount as may be requisite for the purposes of this section and such stock or mortgages shall be deemed to be created and issued and any money raised thereby shall be deemed to be raised by virtue of the statutory borrowing power under which the principal money so to be paid off or dealt with is owing and any money so raised shall be applied for the purposes of this section.

Protection of
lender from
inquiry.

53. A person lending money to the Corporation shall not be bound to inquire as to the observance of the conditions attaching to

the statutory borrowing power under which the money is borrowed or be bound to see to the application or be answerable for any loss or non-application of the money lent or of any part thereof. A.D. 1901.

54. Section 84 (Corporation not to regard trusts) of the Leeds Improvement Act 1877 shall apply with respect to all principal moneys. Corporation not to regard trusts.

55.—(1) Nothing in this Part of this Act shall affect any power or duty of the Corporation to sell lease or otherwise dispose of any land or property of the Corporation or to apply any purchase money or other money arising thereby in discharge of any charge on that land or property or the revenues thereof (other than the charge of principal moneys created under this Act) or affect any claim of any person under such first-mentioned charge. Saving for power to sell lands &c.

(2) That land or property shall in the hands of the purchaser or other person taking the same under the sale lease or other disposition be by virtue of this Act absolutely freed from the charge of principal moneys and he shall not be concerned to see to the application of the purchase money or other money or be answerable for any loss or misapplication thereof.

56.—(1) The Corporation may at any time make a scheme for prescribing one or more uniform periods within which all or any principal moneys shall be discharged and such scheme may extend or vary the periods within which such principal moneys shall be discharged and may make provision in regard to all matters incidental thereto. Scheme for fixing equated periods.

(2) No scheme made by the Corporation under this section shall have any force or effect until confirmed by the Local Government Board who may by order confirm the same with or without modifications and when so confirmed the scheme shall notwithstanding any enactment order or sanction to the contrary have full force and effect and such scheme shall be deemed to be within the powers of this Act. Provided that nothing in any scheme made under this section shall prejudice or affect the security rights and remedies of any mortgagee under any mortgage existing at the time of the confirmation of the scheme or of the holder of any Corporation stock existing at that time except with the consent of such mortgagee or holder.

A.D. 1901.

(3) Any scheme confirmed under this Act may be altered extended amended or annulled by any other scheme prepared and confirmed in like manner as the original scheme.

Information
and return
to Local
Government
Board.

57.—(1) The Corporation shall furnish all such information and returns (if any) to the Local Government Board with regard to the exercise of the powers contained in this Part of this Act as the Local Government Board shall from time to time require And in particular the city accountant shall within twenty-one days after the expiration of each year during which any sum is required to be set apart for the redemption fund or any instalment is required to be paid in respect of any of the principal moneys transmit to the Local Government Board a return in such form as may be prescribed by that Board and verified by statutory declaration if so required by them showing the amount which has been paid into the redemption fund during the year preceding the making of such return and the description of the securities upon which the same has been invested and also showing the purposes to which any portion of the moneys paid into the redemption fund has been applied during the same period and the total amount remaining invested at the end of the year together with such further information (if any) as the Local Government Board shall require and in the event of his failing to make such return the city accountant shall for each offence be liable to a penalty not exceeding twenty pounds and every penalty under this section shall be recoverable summarily on the prosecution of the Local Government Board and not otherwise.

(2) If it appears to the Local Government Board by such return or otherwise that the Corporation have failed to pay any instalment or to set apart any sum required by this Act or by the Local Government Board in virtue thereof to be paid into the redemption fund or have applied any portion of the moneys set apart for that fund to any purposes other than those authorised by this Act the Local Government Board may by order direct that a sum not exceeding double the amount in respect of which such default shall have been made shall be set apart and invested as part of the redemption fund and such order shall be enforceable by writ of Mandamus to be obtained by the Local Government Board out of the High Court.

(3) In the event at any time of there not being a city accountant the provisions of this section shall be read and have

effect as though the treasurer had been inserted in the place of the city accountant. A.D. 1901.

(4) The provisions of this section shall with the necessary modifications apply with regard to the exercise of the powers contained in the Provisional Order relating to Leeds confirmed by the Local Government Board's Provisional Orders Confirmation (No. 3) Act 1885 or in the Provisional Order (No. 2) relating to Leeds confirmed by the Local Government Board's Provisional Orders Confirmation (No. 12) Act 1898 or in section 45 of the Leeds Corporation Act 1899 (Power to issue Bills and promissory notes).

58. Nothing in this Act shall empower the Corporation to debit any account with any expenses contributions or payments with which such account is not liable to be debited under the provisions of the Corporation Acts and Orders but all expenses of the execution by the Corporation of this Act shall be defrayed and all receipts credited in like manner respectively as similar expenses and receipts are directed to be defrayed and credited respectively under the Corporation Acts and Orders and where no other provision is made shall be defrayed out of or paid into the city fund and city rate or consolidated rate as the Corporation may in their discretion having regard to the object of the expenditure deem just. As to expenses and contributions.

59. This Part of this Act except the sections with the following marginal notes—
