

CHAPTER 53.

An Act to enable effect to be given to the Agreements made on the twentieth day of August, nineteen hundred and thirty-two, at the Imperial Economic Conference held at Ottawa, and to a certain announcement made at that Conference on behalf of His Majesty's Government in the United Kingdom, by imposing and providing for the imposition of certain duties of customs and otherwise, to make further provision for Imperial preference, and for purposes consequential on and connected with the matters aforesaid. [15th November 1932.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons in Parliament assembled, with a view to the giving of effect to the agreements made on the twentieth day of August, nineteen hundred and thirty-two, at the Imperial Economic Conference held at Ottawa (being the agreements set out in the First Schedule to this Act), and to the announcement made at that Conference on behalf of His Majesty's Government in the United Kingdom (being the announcement set out in Part VIII of the said Schedule), have freely and voluntarily resolved to give and grant unto Your Majesty the duties for which provision is hereinafter contained; and do therefore most humbly beseech Your Majesty that it may be enacted, and be it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1.—(1) With a view to the fulfilment of the agreements set out in the First Schedule to this Act (hereafter in this Act referred to as the "scheduled agreements") and the announcement set out in Part VIII of that Schedule, there shall be charged on the importation into the United Kingdom of goods of the classes and descriptions specified in the first column of Part I of

fied in
Second
Schedule.

the Second Schedule to this Act, the duties of customs respectively specified in the second column of that part of that Schedule, subject to the provisions of Part II of that Schedule.

(2) If at any time the Treasury are satisfied with respect to any duty chargeable under this section that the duty can be repealed, or the rate thereof reduced, as regards goods of any class or description (whether being a class or description specified in Part I of the Second Schedule to this Act or a subsidiary class or description comprised in a class or description so specified) without contravening any of the scheduled agreements for the time being in force, the Treasury shall, unless it appears to them that the repeal or reduction would be inconsistent with the announcement aforesaid, by order direct that, as from such date as may be specified in the order, that duty, as the case may be, shall not be charged on goods of that class or description, or shall be charged thereon at such reduced rate specified in the order as appears to the Treasury to be the lowest rate at which the duty can be charged without contravening any of the scheduled agreements for the time being in force.

(3) If, at any time after an order has been made under the last foregoing subsection, the Treasury are satisfied that the reimposition, or the increase of the rate, of the duty specified in the order is necessary for the fulfilment of any of the scheduled agreements for the time being in force, the Treasury shall by order direct that, as from such date as may be specified in the order, the duty shall again be charged or, as the case may be, shall be charged at such increased rate specified in the order as appears to the Treasury to be the lowest rate at which the duty can be charged without contravening any of the scheduled agreements for the time being in force:

Provided that nothing in this subsection shall authorise any such duty to be charged on goods of any class or description at a rate higher than the rate specified in relation thereto in Part I of the Second Schedule to this Act.

(4) Subject to the provisions of this Act, the duties of customs chargeable on any goods under this section shall be charged in addition to any other duties of customs for the time being chargeable thereon or on any of the components thereof:

Provided that—

(a) nothing in this subsection shall affect the provisions of paragraph (a) of subsection (2) of section one of the Import Duties Act, 1932 (which exempts from the general ad valorem duty certain goods for the time being chargeable with a duty of customs by or under any enactment other than that Act); and

22 & 23
Geo. 5. c. 8.

(b) while any goods are chargeable with duty under this section, any order in force under the Import Duties Act, 1932, at the date when those goods become so chargeable shall, if and so far as it imposes an additional duty on those goods, cease to have effect.

(5) Notwithstanding anything in the last foregoing subsection—

(a) the Import Duties Advisory Committee may recommend, subject to and in accordance with section three of the Import Duties Act, 1932, that an additional duty ought to be charged on goods of any class or description for the time being chargeable with a duty of customs under this section, as if the duty chargeable under this section were the general ad valorem duty, and the Treasury may make an order under that section accordingly; and

(b) the provisions of the enactments set out in Part III of the Second Schedule to this Act shall, subject to the provisions of that Part of that Schedule, apply for the purposes of this section as they apply for the purposes of the Import Duties Act, 1932:

Provided that this subsection shall not apply to goods which, immediately before they became chargeable with duty under this section, were exempt from the general ad valorem duty by virtue of the provisions of paragraph (a) of subsection (2) of section one of the said Act.

2.—(1) Neither the duties chargeable under the foregoing provisions of this Act nor the general ad valorem duty nor, subject as hereinafter provided, any additional duty shall be charged in the case of goods

which are shown to the satisfaction of the Commissioners to have been consigned from any part of the British Empire and grown, produced or manufactured in any country the Government of which is a party to one of the scheduled agreements for the time being in force:

Provided that if at any time the Treasury are satisfied with respect to any such country that an additional duty chargeable on goods of any particular class or description can, without contravention of any of the scheduled agreements for the time being in force, be charged on goods of that class or description which are shown as aforesaid to have been consigned from a part of the British Empire and to have been grown, produced or manufactured in that country, the Treasury may by order direct that, as from such date as may be specified in the order, that duty shall be charged on such goods, either at the full rate or at such lower rate as may be so specified.

Any order made under this subsection may be varied or revoked by a subsequent order.

(2) For the purposes of the last foregoing subsection, any territory in respect of which a mandate of the League of Nations is being exercised by, or which is administered under the authority of, the Government of any country shall be treated as if it were a part of that country.

(3) In the case of goods which are shown to the satisfaction of the Commissioners to have been consigned from any part of the British Empire and grown, produced or manufactured in the Irish Free State, the duties chargeable under the foregoing provisions of this Act, or under any order made under section three of the Import Duties Act, 1932, by virtue of the foregoing provisions of this Act, shall not become chargeable until the earliest date on which no order is in force by virtue of which duties are chargeable under the Irish Free State (Special Duties) Act, 1932, or such later date as may be fixed by resolution of the Commons House of Parliament.

(4) The duties chargeable under the foregoing provisions of this Act shall not be charged in the case of goods which are shown to the satisfaction of the

Commissioners to have been consigned from any part of the British Empire and grown, produced or manufactured in any part of the British Empire to which section four of the Import Duties Act, 1932, does not apply.

(5) During the period of three years from the passing of this Act, or such further period as may be prescribed, any copper produced in any part of the British Empire but refined outside the British Empire, being copper to which this subsection applies, shall, subject to proof being given in the prescribed manner that it has been so produced and that it has been consigned from the country in which it was refined, be treated for the purposes of this section as if it had been consigned from a part of the British Empire.

This subsection applies to any kind of copper to which it is declared to apply by regulations made by the Board of Trade, after consultation with the Treasury, for the purposes of this subsection, and the expression "prescribed" in this subsection means prescribed by regulations made as aforesaid, and different regulations may be made with respect to different parts of the British Empire and different kinds of copper.

(6) Goods shown to the satisfaction of the Commissioners to have been consigned from the port of Beira in Portuguese East Africa and shown as aforesaid, by means of a certificate signed by a Customs officer in the service of the Government of Southern or Northern Rhodesia or of Nyasaland, to have been grown, produced or manufactured in Southern or Northern Rhodesia or Nyasaland, as the case may be, shall be treated for the purposes of this section and of section five of the Import Duties Act, 1932, as if they had been consigned from a part of the British Empire.

(7) The provisions of section six of, and the Third Schedule to, the Import Duties Act, 1932 (being supplementary provisions as to Imperial preference), shall apply for the purposes of this section as they apply for the purposes of sections four and five of that Act, as if references to any duty chargeable under that Act or any provision thereof included a reference to any duty chargeable under the foregoing provisions of this Act.

Provided that—

- (i) if at any time the Treasury are satisfied that none of the scheduled agreements for the time being in force would be contravened if the words “one shilling per gallon” were substituted in paragraph (b) of this subsection for the words “two shillings per gallon,” the Treasury shall by order direct that that paragraph shall have effect as if those words were so substituted, so, however, that any such order shall be revoked if and

Provided that—

(a) if at any time the Treasury are satisfied that none of the scheduled agreements for the time being in force would be contravened if the words “two shillings and fourpence per hundredweight” were substituted in this subsection for the words “nine shillings and fourpence per hundredweight,” the Treasury shall by order direct that this subsection shall have effect as if those words were so substituted, so, however, that any such order shall be revoked if and when the Treasury are satisfied that any such agreement is being contravened by the order; and

Security of preferences granted in fulfilment of Canadian agreement against action by foreign countries.

5.—(1) If at any time the Board of Trade are satisfied that any preferences granted by this Act in respect of any particular class or description of goods, being preferences granted in fulfilment of the agreement set out in Part I of the First Schedule to this Act, are likely to be frustrated in whole or in part by reason of the creation or maintenance, directly or indirectly, of prices for that class or description of goods through State action on the part of any foreign country, the Board of Trade may by order prohibit the importation into the United Kingdom of goods of that class or description grown, produced or manufactured in that foreign country.

(2) Any order made under this section shall be revoked by a subsequent order made in like manner if and when the Board of Trade are satisfied that the further operation of the order is no longer necessary to make effective or to maintain the preferences granted as aforesaid in respect of the class or description of goods to which the order relates.

(3) No order shall be made under this section except with the concurrence of the Treasury, given after consultation with any other Government Department which appears to the Treasury to be interested.

(4) The Board of Trade may make regulations prescribing, either generally or in relation to goods of any particular class or description, the conditions which must be fulfilled in order to establish that goods have not been grown, produced or manufactured in a foreign country with respect to which an order is in force under this section, and, while any such order is in force with respect to any foreign country, it shall be lawful for the Commissioners, on the importation of any goods which, if produced or manufactured in that country, would be prohibited by the order to be imported, and which are consigned either from that country or from such other countries as the Board of Trade may direct, to require the importer to furnish to the Commissioners, in such form as the Commissioners may prescribe, proof that the conditions so prescribed by the Board have been fulfilled, and if such proof is not furnished to the Commissioners' satisfaction, the goods shall be deemed to be goods grown, produced or manufactured in the first-mentioned country.

(5) Goods prohibited to be imported by virtue of an order made under this section shall be deemed to be included among the goods enumerated and described in the table of prohibitions and restrictions inwards contained in section forty-two of the Customs Consolidation Act, 1876, and the provisions of that Act and of any Act amending or extending that Act shall apply accordingly.

ARTICLE 1.

His Majesty's Government in the United Kingdom undertake that Orders shall be made in accordance with the provisions of section 4 of the Import Duties Act, 1932, which will ensure the continuance after the 15th November, 1932, of entry free of duty into the United Kingdom of goods consigned from any part of the British Empire, and grown, produced or manufactured in Canada, which by virtue of that Act are now free of duty subject, however, to the reservations set forth in Schedule A appended hereto.

ARTICLE 2.

ARTICLE 5.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to modify the conditions at present governing the importation into the United Kingdom of live cattle from Canada on the lines already agreed upon in principle between themselves and His Majesty's Government in Canada.

ARTICLE 6.

His Majesty's Government in the United Kingdom declare that it is their intention to arrange, as soon as possible after receiving the report of the Commission now sitting on the reorganisation of the pig industry in the United Kingdom, for the quantitative regulation of the supplies of bacon and hams coming on to the United Kingdom market, and undertake that in any legislation which they may submit to Parliament for regulating the supplies of bacon and hams from all sources into the United Kingdom, provision will be made for free entry of Canadian bacon and hams of good quality up to a maximum of 2,500,000 cwt. per annum.

ARTICLE 7.

His Majesty's Government in the United Kingdom will invite Parliament to pass legislation which will secure for a period of ten years from the date hereof to tobacco, consigned from any part of the British Empire and grown, produced or manufactured in Canada, the existing margin of preference over foreign tobacco, so long, however, as the duty on foreign unmanufactured tobacco does not fall below 2s. 0½d. per lb., in which event the margin of preference shall be equal to the full duty.

ARTICLE 9.

His Majesty's Government in Canada will invite Parliament to pass the legislation necessary to substitute for the duties of Customs now leviable on the goods specified in Schedule E the duties shown in that schedule, provided that nothing in this Article shall preclude His Majesty's Government in Canada from reducing the duties specified in the said schedule so long as the margin of British preference shown in that schedule is preserved or from increasing the rates under the intermediate or general tariff set out in the said schedule.

ARTICLE 10.

His Majesty's Government in Canada undertake that protection by tariffs shall be afforded against United Kingdom products only to those industries which are reasonably assured of sound opportunities for success.

ARTICLE 11.

His Majesty's Government in Canada undertake that during the currency of this Agreement the tariff shall be based on the principle that protective duties shall not exceed such a level as will give United Kingdom producers full opportunity of reasonable competition on the basis of the relative cost of economical and efficient production, provided that in the application of such principle special consideration may be given to the case of industries not fully established.

ARTICLE 12.

His Majesty's Government in Canada undertake forthwith to constitute the Tariff Board, for which provision is made in the Tariff Board Act, 1931.

His Majesty's Government in Canada undertake that United Kingdom producers shall be entitled to full rights of audience before the Tariff Board when it has under consideration matters arising under Articles 13 and 14 hereof.

ARTICLE 16.

ARTICLE 17.

His Majesty's Government in Canada undertake that all existing surcharges on imports from the United Kingdom shall be completely abolished as soon as the finances of Canada will allow. They further undertake to give sympathetic consideration to the possibility of reducing and ultimately abolishing the exchange dumping duty in so far as it applies to imports from the United Kingdom.

ARTICLE 18.

His Majesty's Government in Canada undertake to modify the existing regulations governing the importation of pedigree stock from the United Kingdom into Canada in a manner already agreed upon in principle between themselves and His Majesty's Government in the United Kingdom.

Provided that His Majesty's Government in Canada shall not be bound to continue to accord any preferences to any colony or protectorate which, not being precluded by international obligations from according preferences, either (i) accords to Canada no preferences, or (ii) accords to some other part of the Empire (in the case of Northern Rhodesia, excepting the Union of South Africa, Southern Rhodesia and the territories of the South African High Commission) preferences not accorded to Canada.

ARTICLE 20.

Nothing in this Agreement shall prejudice or diminish any of the benefits enjoyed by any of the parties thereto under the Canada-West Indies Trade Agreement dated the 6th July, 1925.

ARTICLE 21.

This Agreement is made on the express condition that, if either Government is satisfied that any preferences hereby granted in respect of any particular class of commodities are likely to be frustrated in whole or in part by reason of the creation or maintenance directly or indirectly of prices for such class of commodities through state action on the part of any foreign country, that Government hereby declares that it will exercise the powers which it now has or will hereafter take to prohibit the entry from such foreign country directly or indirectly of such commodities into its country for such time as may be necessary to make effective and to maintain the preferences hereby granted by it.

ARTICLE 22.

This Agreement between His Majesty's Government in the United Kingdom and His Majesty's Government in Canada is to be regarded as coming into effect as from the date hereof (subject to the necessary legislative or other action being taken as soon as may be practicable hereafter). It shall remain in force for a period of five years, and if not denounced six months before the end of that period shall continue in force thereafter until a date six months after notice of denunciation has been given by either party.

ARTICLE 5.

The duties provided in this agreement on foreign wheat in grain, copper, lead and zinc on importation into the United Kingdom are conditional in each case on Empire producers of wheat in grain, copper, lead and zinc respectively, continuing to offer those commodities on first sale in the United Kingdom at prices not exceeding the world price.

ARTICLE 6.

His Majesty's Government in the United Kingdom and His Majesty's Government in the Commonwealth of Australia agree that arrangements shall be made for the regulation of imports of frozen mutton and lamb and frozen and chilled beef into the United Kingdom in accordance with the declaration by His Majesty's Government in the United Kingdom which is appended as Schedule H.

SCHEDULE H.

DECLARATION BY UNITED KINGDOM GOVERNMENT.

1. The present wholesale prices of frozen meat are at a level which has resulted in grave depression in the livestock industries of the United Kingdom and the Dominions. This depression is likely, if continued, to bring about a serious decline in production and consequent ultimate injury to the consumer.

2. Such a position is so serious that it is essential to take whatever steps may appear feasible to raise the wholesale prices of frozen meat in the United Kingdom market to such a level as will maintain efficient production.

3. With a view to the earliest possible improvement of the position, His Majesty's Government in the United Kingdom will, during the currency of the Ottawa Agreement, arrange for the regulation of importations of meat into the United Kingdom, the regulation, in view of the close inter-relationship of all kinds of meat in determining the price level, to be applied to all the meats referred to in Section 5.

4. The policy of His Majesty's Government in the United Kingdom in relation to meat production is, first, to secure development of home production, and, secondly, to give to the Dominions an expanding share of imports into the United Kingdom.

5. In order to co-operate with His Majesty's Government in the United Kingdom in the carrying out of this policy, His Majesty's Government in the Commonwealth of Australia agrees to limit the export of frozen mutton and lamb to the United Kingdom for the year 1933 to an amount equivalent to the total imports from Australia during the year ended the 30th June, 1932, in consideration of the United Kingdom Government—

- (a) Arranging for the regulation of the importation of foreign meat in accordance with a programme (hereinafter referred to as the "agreed programme") agreed between His Majesty's Government in the United Kingdom and His Majesty's Government in the Commonwealth of Australia and including within its scope frozen mutton and lamb, frozen beef and chilled beef.
- (b) Arranging, as soon as possible after receiving the Report of the Commission now sitting on the reorganisation of the pig industry in the United Kingdom, for the quantitative regulation of the supplies of bacon and hams coming on to the United Kingdom market.
- (c) Undertaking that no restriction will be placed upon the importation of any meat from Australia during the period named in the agreed programme referred to in Section 5 (a) of this Declaration.

AUSTRALIA—*continued.*

6. During the year 1933 and in the light of the experience gained, His Majesty's Government in the United Kingdom will consider, in consultation with His Majesty's Government in the Commonwealth of Australia, the best means of ensuring an improved price situation and the more orderly marketing of supplies.

7. Should no permanent policy be agreed upon as the result of the consultation referred to above, His Majesty's Government in the United Kingdom undertakes, after the expiry of the period named in the agreed programme referred to in Section 5 (a) of this Declaration and during the remainder of the period of the Agreement concluded at Ottawa—

- (a) To arrange for the continuance, unless otherwise agreed between the Governments concerned, of the regulation of the imports of foreign meat at the rates in force at the end of the period named in the agreed programme.
- (b) In any action affecting the imports of meat into the United Kingdom which the United Kingdom Government may take on behalf of United Kingdom agriculture, to have regard to the policy set out in Section 4 hereof.

8. Should it appear to His Majesty's Government in the United Kingdom after enquiry that, at any time in consequence of a restriction upon foreign imports, the supplies of meat of any kind are inadequate to meet the requirements of consumers in the United Kingdom, then His Majesty's Government may remove any such restriction until supplies are again adequate.

The Agreed Programme referred to in Section 5 (a) of the Declaration by United Kingdom Government.

that the object of the above regulation of imports into the United Kingdom is to raise the price level of frozen meat, undertakes to use its best endeavours to ensure that during the year 1933 the exports of frozen beef from Australia to the United Kingdom shall not be increased to an extent exceeding 10 per cent. of the quantities exported for the year ending the 30th June, 1932.

PART III.

UNITED KINGDOM—NEW ZEALAND AGREEMENT.

WE, the representatives of His Majesty's Government in the United Kingdom and of His Majesty's Government in New Zealand, hereby agree with one another, on behalf of our respective Governments, as follows :—

ARTICLE 1.

His Majesty's Government in the United Kingdom undertake that Orders shall be made in accordance with the provisions of section 4 of the Import Duties Act, 1932, which will ensure the continuance after the 15th November, 1932, of entry free of duty into the United Kingdom of New Zealand goods and the goods of the mandated territory of Western Samoa which comply with the laws and statutory regulations for the time being in force affecting the grant of Imperial preference, and which by virtue of that Act are now free of duty subject, however, to the reservations set forth in Schedule A appended hereto.

ARTICLE 2.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to impose on the foreign goods specified in Schedule B appended hereto, the duties of customs shown in that schedule in place of the duties (if any) now leviable.

ARTICLE 3.

His Majesty's Government in the United Kingdom undertake that the general ad valorem duty of 10 per cent. imposed by section 1 of the Import Duties Act, 1932, on the foreign goods specified in Schedule C shall not be reduced except with the consent of His Majesty's Government in New Zealand.

ARTICLE 4.

In regard to frozen mutton, lamb and beef, the understanding between the Governments concerned is set out in the letter* dated the 19th August, 1932, addressed by the Rt. Hon. J. G. Coates, M.P., to the Rt. Hon. Stanley Baldwin, M.P.

COPY OF LETTER REFERRED TO IN ARTICLE 4 OF AGREEMENT.

New Zealand Delegation,
Ottawa, Canada, August 19, 1932.

Dear Mr. Baldwin,

I HAVE given further consideration to the matter of an agreement between His Majesty's Government in the United Kingdom and His Majesty's Government in New Zealand. In my conversations with you and your Ministers we have agreed that a policy will be adopted that will have for its definite objective the two-fold purpose of raising the price of meat to a remunerative level and of progressively increasing the share of the Dominions in the United Kingdom market. I accept your undertaking that effective steps will be taken to secure these results.

2. For the purpose of restricting foreign supplies of mutton and lamb, the arrivals, as compared with the corresponding periods of the year ending the 30th June, 1932, as I understand the United Kingdom proposal, are to be reduced by at least 10 per cent. for the quarter ending the 31st March, 1933, 15 per cent. for the quarter ending the 30th June, 1933, 20 per cent. for the quarter ending the 30th September, 1933, 25 per cent. for the quarter ending the 31st December, 1933, 30 per cent. for the quarter ending the 31st March, 1934, and 35 per cent. for the quarter ending the 30th June, 1934, and thereafter, unless otherwise agreed between the Governments concerned, for the remainder of the period of the agreement concluded at Ottawa by not less than 35 per cent.

3. During the year 1933, and in the light of the experience gained, His Majesty's Government in the United Kingdom will consider, in consultation with His Majesty's Government in New Zealand, the best means of ensuring an improved price situation, and the more orderly marketing of supplies.

4. To assist in the orderly marketing of supplies the Dominion will give a reliable estimate of shipments of mutton and lamb as early as possible in each export season. This season will neces-

NEW ZEALAND—*continued.*1st SCH.
—*cont.*

sarily cover the period the 1st October in one year to the 30th September in the following year. For the season 1932-33 we estimate our exports of frozen mutton and lamb at 200,000 tons, with a 5 per cent. increase in each of the following two years. For the calendar year 1933 you may take it that our shipments of frozen mutton and lamb will be the same as those of the twelve months ended the 30th June, 1932, i.e., of the year which ended with the month immediately preceding the opening of the conference.

5. It is understood that, in consideration of this undertaking on our part, no restriction will be placed by His Majesty's Government in the United Kingdom upon the importation of any meat from New Zealand during the period ending the 30th June, 1934.

6. In frozen beef, we estimate our exports for the season 1932-33 at not more than 22,000 tons, representing a maximum increase over the previous season of approximately 10 per cent.

7. With regard to bacon and other pig products, I am informed that your Government are now dealing with the re-organisation of this industry, and that an effective policy of control of foreign imports will be adopted. This policy, as I understand it, will provide for some expansion of Home and Dominion supplies of pig products. New Zealand is already an exporter of pork and bacon carcasses and will be granted a reasonable share of the expansion made possible by the reduction of foreign imports.

8. All frozen beef (carcasses and boned beef) from foreign sources is to be subject to the same reductions as are specified in paragraph 2.

9. No increase of chilled beef imports from foreign sources into the United Kingdom in excess of the twelve months the 1st July, 1931, to the 30th June, 1932, will be permitted during the period January 1933 to the 30th June, 1934, and the rate of importation will not thereafter be increased during the period of the Ottawa agreement except with the concurrence of the Governments concerned.

10. Should it appear to His Majesty's Government in the United Kingdom after an enquiry that, at any time, in consequence of a restriction upon foreign imports, the supplies of meat of any kind are inadequate to meet the requirements of consumers in the United Kingdom, then His Majesty's Government may remove any such restriction until supplies are again adequate.

Yours sincerely,

(Signed) J. G. COATES.

The Right Hon. Stanley Baldwin, M.P.,
United Kingdom Delegation,
Imperial Economic Conference.

ARTICLE 1.

His Majesty's Government in the United Kingdom undertake that Orders shall be made in accordance with the provisions of section 4 of the Import Duties Act, 1932, which will ensure the continuance after the 15th November, 1932, of entry free of duty into the United Kingdom of South African goods which comply with the law and statutory regulations for the time being in force affecting the grant of Imperial preference, and which by virtue of that Act are now free of duty, subject, however, to the reservations set forth in Schedule A appended hereto.

ARTICLE 2.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to impose on the foreign goods specified in Schedule B appended hereto, the duties of customs shown in that schedule in place of the duties (if any) now leviable.

ARTICLE 4.

His Majesty's Government in the United Kingdom undertake that the general ad valorem duty of 10 per cent. imposed by section 1 of the Import Duties Act, 1932, on the foreign goods specified in Schedule D shall not be reduced, except with the consent of His Majesty's Government in the Union of South Africa, and that the existing preferential margin on sugar and wine (except as otherwise provided in this Agreement) shall not be reduced without the like consent.

UNION OF SOUTH AFRICA—*continued.*1ST SCH.

ARTICLE 5.

The duty on copper provided in this agreement is conditional on the Empire producers of copper continuing to offer this commodity on first sale in the United Kingdom at a price not exceeding the world price.

ARTICLE 6.

His Majesty's Government in the United Kingdom will invite Parliament to pass legislation which will secure for a period of ten years from the date hereof to tobacco, which complies with the laws and statutory regulations for the time being in force affecting the grant of Imperial preference, the existing margin of preference over foreign tobacco so long, however, as the duty on foreign unmanufactured tobacco does not fall below 2s. 0½*d.* per lb., in which event the margin of preference shall be equal to the full duty.

ARTICLE 7.

His Majesty's Government in the United Kingdom, in applying any powers which they may obtain from Parliament for the quantitative regulation of imports of mutton and lamb into the United Kingdom, will make provision for the importation of South African mutton and lamb.

ARTICLE 8.

His Majesty's Government in the United Kingdom will invite the Governments of the non-self-governing colonies and protectorates, to accord to the Union of South Africa any preference which may, for the time being, be accorded to any other part of the British Empire.

ARTICLE 9.

His Majesty's Government in the Union of South Africa will invite Parliament to pass the legislation necessary to secure to United Kingdom goods of the kinds specified in Schedule E, the margins of preference over similar foreign goods shown in that schedule.

ARTICLE 10.

His Majesty's Government in the Union of South Africa will invite Parliament to impose on foreign goods of the kinds specified in Schedule F, the specific duties shown in that schedule, and undertake not to make, or to invite Parliament to pass legislation involving, any alterations in the existing rates of duty on similar United Kingdom goods which would result in a decrease in the margin of preference now accorded.

UNION OF SOUTH AFRICA—*continued*.

His Majesty's Government in the Union of South Africa undertake not to lower the existing margins of preference over similar foreign goods now accorded to the United Kingdom goods of the kinds specified in Schedule G.

Provided that His Majesty's Government in the Union of South Africa shall not be bound to accord any preferences to any Colony or Protectorate which, not being precluded by international obligations from according preferences, either (i) accords to the Union of South Africa no preferences, or (ii) accords to some other part of the Empire preferences not accorded to the Union of South Africa.

ARTICLE 13.

For the purposes of this agreement the mandated territory of South-West Africa shall be deemed to be part of the Union of South Africa.

ARTICLE 14.

This Agreement between His Majesty's Government in the United Kingdom and His Majesty's Government in the Union of South Africa is to be regarded as coming into effect as from the date hereof (subject to the necessary legislative or other action being taken as soon as may be practicable hereafter). It shall remain in force for a period of five years, and if not denounced six months before the end of that period shall continue in force thereafter until a date six months after notice of denunciation has been given by either party.

UNITED KINGDOM-NEWFOUNDLAND AGREEMENT.

WE, the representatives of His Majesty's Government in the United Kingdom and of His Majesty's Government in Newfoundland hereby agree with one another, on behalf of our respective Governments, as follows :—

ARTICLE 1.

His Majesty's Government in the United Kingdom undertake that Orders shall be made in accordance with the provisions of section 4 of the Import Duties Act, 1932, which will ensure the continuance after the 15th November, 1932, of entry free of duty into the United Kingdom of Newfoundland goods which comply with the law and statutory regulations for the time being in force affecting the grant of Imperial preference, and which by virtue of that Act are now free of duty, subject however to the reservations set forth in Schedule A appended hereto.

ARTICLE 2.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to impose on the foreign goods specified in Schedule B appended hereto the duties of customs shown in that schedule in place of the duties (if any) now leviable.

ARTICLE 3.

His Majesty's Government in the United Kingdom undertake that the general ad valorem duty of 10 per cent. imposed by section 1 of the Import Duties Act, 1932, on the foreign goods specified in Schedule C shall not be reduced except with the consent of His Majesty's Government in Newfoundland.

ARTICLE 4.

His Majesty's Government in the United Kingdom will invite the Governments of the non-self-governing colonies and protectorates to accord to Newfoundland any preference which may for the time being be accorded to any other part of the British Empire, provided that this clause shall not extend to any preferences accorded by Northern Rhodesia to the Union of South Africa, Southern Rhodesia, and the Territories of the South African High Commission by virtue of the Customs Agreement of 1930.

ARTICLE 6.

His Majesty's Government in Newfoundland will undertake a general revision of the customs tariff to come into force as from the 1st July, 1933, and, if and in so far as budgetary considerations permit, will incorporate in the legislation which Parliament will be invited to pass, giving effect to such revision, provision for new and more favourable conditions in regard to the valuation of the pound sterling for customs purposes.

ARTICLE 7.

His Majesty's Government in Newfoundland will invite Parliament to pass the legislation necessary to accord to the non-self-governing colonies and protectorates, and the mandated territories of Tanganyika, the Cameroons under British mandate, and Togoland under British mandate, preferences on the commodities and at the rates shown in Schedule E, and also any preferences for the time being accorded to the United Kingdom if His Majesty's Government in the United Kingdom so request. Provided that His Majesty's Government in Newfoundland shall not be bound to accord any preferences to any colony or protectorate which, not being precluded by international obligations from according preferences, either (i) accords to Newfoundland no preferences, or (ii) accords to some other part of the Empire (in the case of Northern Rhodesia, excepting the Union of South Africa, Southern Rhodesia and the Territories of the South African High Commission) preferences not accorded to Newfoundland.

ARTICLE 8.

If under the terms of the Newfoundland-Jamaica Agreement at present in force either party would be entitled to any greater margin of preference than is hereby agreed, the parties to that Treaty shall continue during its currency to enjoy the benefits therein provided.

MR. ALDERDICE REGARDING THE USE OF NEWFOUNDLAND
WABANA IRON ORE IN THE UNITED KINGDOM.Parliament Buildings,
Ottawa, August 18, 1932.

Dear Prime Minister,

My colleagues and I recognise that an arrangement between the interests concerned for the importation into the United Kingdom of a substantial quantity of Wabana iron ore is of paramount importance to the economic life of Newfoundland.

We therefore give you our assurance, on behalf of our Government, that we shall regard the last paragraph of Article 9 of the Agreement which is being concluded between His Majesty's Government in the United Kingdom and His Majesty's Government in Newfoundland as entitling the Government of Newfoundland to give us notice that they are unable to implement the Agreement, other than Articles 4, 7 and 8 and Schedule E, on the ground that a satisfactory arrangement between the interests concerned as regards the importation of such ore into the United Kingdom has not been concluded.

In that event it is understood between us that the Agreement, other than Articles 4, 7 and 8 and Schedule E, will be regarded as at an end.

I shall be glad to learn from you at your early convenience whether you concur that this correctly represents our understanding.

Yours sincerely,

(Signed) STANLEY BALDWIN.

The Prime Minister of Newfoundland,
Room 340, Parliament Buildings,
Ottawa.

Dear Lord President,

Ottawa, August 18, 1932.

I have received your letter of to-day's date regarding the Agreement between our respective Governments and I agree with you that your letter correctly represents the understanding between us.

Yours sincerely,

(Signed) F. C. ALDERDICE.

COPY OF CORRESPONDENCE BETWEEN SIR GEORGE RAINY AND
SIR HORACE WILSON, IN REGARD TO GALVANISED SHEET.

Sir,

September 22, 1932.

When the Agreement between the British and Indian Delegations was made at Ottawa it was found necessary to postpone a final settlement of certain questions relating to iron and steel. By Article 1 of the Agreement His Majesty's Government in the United Kingdom undertook to continue after the 15th November free entry to all classes of Indian goods covered by the Import Duties Act. It was clearly understood, however, between the two Delegations that the continuance of the free entry of Indian iron and steel for a longer period than six months from the date of the Agreement was dependent on the settlement of satisfactory conditions in regard to the tariff treatment of galvanised sheet on importation into India. At the same time an understanding was reached that the conditions which would be satisfactory to His Majesty's Government in the United Kingdom were as follows :—

- (1) On the basis of present selling prices, the duties on galvanised sheet in the Indian tariff to be adjusted as follows :—

30 rupees per ton on sheet made in the United Kingdom from Indian sheet bar.

53 rupees per ton on sheet made in the United Kingdom from other sheet bar.

83 rupees per ton on sheet not made in the United Kingdom.

INDIA—*continued.*1ST SCH.
—*cont.*

- (2) In the event of further reductions in the price of sheet imported into India and not made in the United Kingdom, the Government of India, as soon as they are satisfied that a fall in prices had in fact occurred, would, without an enquiry by the Tariff Board, take prompt and effective action to meet the situation by the imposition of an additional duty. The amount of the additional duty would not necessarily be limited to the amount of the price reduction actually made, but would be sufficient to make clear the intention of the Government of India to maintain prices.
- (3) Each Government would remain at liberty to take appropriate measures to prevent sales at unfair prices by the manufacturers in the other country, or to check an unnecessary increase in prices against the consumer by a combination of manufacturers in both countries.
- (4) These arrangements to remain in force until action is taken by the Government of India following the next statutory Tariff enquiry in India into the Iron and Steel industry.

2. The Indian Delegation are now prepared to undertake, on behalf of the Government of India, that proposals will be placed before the Indian Legislature for the adjustment of the duties on galvanised sheet at the rates set forth in clause (1) above, and for obtaining the powers which are necessary to carry out the intention of clauses (2) and (3). I have been authorised by my colleagues of the Indian Delegation to make this communication to you, and I have now the honour to request that you will inform me whether the terms of the understanding have been correctly stated in this letter.

I am, &c.

(Signed) GEORGE RAINY.

Sir Horace Wilson, K.C.B., C.B.E.,

Chief Industrial Adviser to His Majesty's
Government in the United Kingdom.

Sir,

September 22, 1932.

I have to thank you for your letter of to-day's date on the subject of the tariff treatment to be accorded to galvanised sheets imported into India, and to confirm that the terms of the understanding which has been reached in this connection by our respective Governments are accurately set out in your letter.

I am, &c.

UNITED KINGDOM-SOUTHERN RHODESIAN AGREEMENT.

WE, the representatives of His Majesty's Government in the United Kingdom and of the Government of Southern Rhodesia, hereby agree with one another, on behalf of our respective Governments, as follows :—

ARTICLE 1.

His Majesty's Government in the United Kingdom undertake that Orders shall be made in accordance with the provisions of section 4 of the Import Duties Act, 1932, which will ensure the continuance after the 15th November, 1932, of entry free of duty into the United Kingdom of Southern Rhodesian goods which comply with the law and statutory regulations for the time being in force affecting the grant of Imperial Preference, and which by virtue of that Act are now free of duty, subject, however, to the reservations set forth in Schedule A appended hereto.

ARTICLE 2.

His Majesty's Government in the United Kingdom will invite Parliament to pass legislation which will secure for a period of ten years from the date hereof to tobacco, which complies with the law and statutory regulations for the time being in force affecting the grant of Imperial Preference, the existing margin of preference over foreign tobacco, so long, however, as the duty on foreign unmanufactured tobacco does not fall below 2s. 0½d. per lb., in which event the margin of preference shall be equivalent to the full duty. They will further endeavour to take such steps as may be practicable, on the lines which have been discussed, to assist the marketing of Southern Rhodesian tobacco.

ARTICLE 3.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to impose on the foreign goods specified in Schedule B appended hereto, the duties of customs shown in that schedule in place of the duties, if any, now leviable.

ARTICLE 4.

His Majesty's Government in the United Kingdom will invite Parliament to pass the legislation necessary to secure to Southern Rhodesian coffee, which complies with the law and statutory regulations for the time being in force, affecting the grant of Imperial Preference, a margin of preference of 9s. 4d. per cwt. over foreign coffee.

SOUTHERN RHODESIA—*continued*.1ST SCH.
—*cont.*

ARTICLE 5.

His Majesty's Government in the United Kingdom undertake that the general ad valorem duty of 10 per cent. imposed by section 1 of the Import Duties Act, 1932, on the foreign goods specified in Schedule C shall not be reduced except with the consent of the Government of Southern Rhodesia.

ARTICLE 6.

The duty on copper provided in this agreement is conditional on the Empire producers of copper continuing to offer this commodity on first sale in the United Kingdom at a price not exceeding the world price.

ARTICLE 7.

His Majesty's Government in the United Kingdom will invite the Governments of the non-self-governing colonies and protectorates to accord to Southern Rhodesia any preference which may for the time being be accorded to any other part of the British Empire, and further will invite the Governments of all the colonies and protectorates which are free to grant preferences so to adjust their customs duties chargeable upon cigarettes and manufactured tobacco that a lesser duty shall be chargeable upon such articles when manufactured within the Empire from tobacco grown within the Empire than upon such articles when manufactured from foreign tobacco.

ARTICLE 8.

The Government of Southern Rhodesia will invite Parliament to pass the legislation necessary to secure to United Kingdom goods of the kinds specified in Schedule D the margins of preference shown in that schedule, and to amend the existing duties upon foreign goods of the kind specified in Schedule E so as to provide for alternative specific duties as shown in that schedule.

ARTICLE 9.

The Government of Southern Rhodesia will favourably consider, when economic and budgetary considerations permit, the further extension of preferences accorded to United Kingdom goods.

ARTICLE 10.

The Government of Southern Rhodesia will invite Parliament to accord to the non-self-governing colonies and protectorates and the mandated territories of Tanganyika, the Cameroons under

SOUTHERN RHODESIA—*continued*.

ARTICLE 11.

This agreement between His Majesty's Government in the United Kingdom and the Government of Southern Rhodesia is to be regarded as coming into effect as from the date hereof (subject to the necessary legislative or other action being taken as soon as may be practicable hereafter). It shall continue in force for a period of five years, and if not denounced six months before the end of that period, shall continue in force thereafter until a date six months after notice of denunciation has been given by either party.

In the event of circumstances arising which, in the judgment of His Majesty's Government in the United Kingdom or of the Government of Southern Rhodesia, as the case may be, necessitate a variation in the terms of the agreement, the proposal to vary those terms shall form the subject of consultation between the two Governments.

SCHEDULE A.

As regards eggs, poultry, butter, cheese and other milk products, free entry for produce of Southern Rhodesia will be continued for three years certain. His Majesty's Government in the United Kingdom, however, reserve to themselves the right, after the expiration of three years, if they consider it necessary in the interests of the United Kingdom producer to do so, to review the basis of preference, so far as relates to the articles enumerated and, after notifying the Government of Southern
