

CHAPTER clxxv.

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Bath Rural District Brynmawr Chippenham Eastleigh and Bishopstoke Hanwell Southgate Urban District Tamworth Walton-le-Dale Watford and Widnes (Amendment).

A.D. 1904.

[15th August 1904.]

WHEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act :

45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament :

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament :

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows :—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 2) Act 1904.

Short title.

2. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the

Orders in
schedule
confirmed.

[Ch. clxxv.] *Electric Lighting Orders Confirmation* [4 Edw. 7.]
(No. 2) Act, 1904.

A.D. 1904. — said schedule shall from and after the passing of this Act have full validity and effect.

For protection of
Somersetshire County
Council.

3.—(1) Nothing in the Bath Rural District Electric Lighting Order 1904 confirmed by this Act shall in any way limit or affect the powers of the Somersetshire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of
Lancashire County
Council.

4.—(1) Nothing in the Walton-le-Dale Electric Lighting Order 1904 confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

A.D. 1904.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgmaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised to do so) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

5.—(1) Nothing in the Watford Electric Lighting Order 1904 confirmed by this Act shall in any way limit or affect the powers of the Hertfordshire County Council to rebuild alter widen or repair the structure of any bridge or the approaches thereto upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

For protec-
tion of Hert-
fordshire
County
Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor for the time being of the county of Hertford necessary to temporarily remove any mains electric lines works or appliances belonging to the Undertakers from such bridge then the Undertakers shall at their own expense

[Ch. clxxv.] *Electric Lighting Orders Confirmation* [4 Edw. 7.]
(No. 2) Act, 1904.

A.D. 1904. — temporarily carry their lines across such bridge overhead or at the side thereof in such a manner that the same will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council. Provided that the county council shall not be liable to make compensation to the Undertakers in respect of any expense or loss incurred by the Undertakers by reason of the rebuilding altering widening or repairing such bridge.

(3) When the said works of the county council shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the said works were commenced.

(4) If any dispute arises between the county council and the Undertakers with regard to the doing of any work by this section authorised or required to be done the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protec-
tion of Wilts
County
Council.

6.—(1) Nothing in the Chippenham Corporation Electric Lighting Order 1904 confirmed by this Act shall in any way limit or affect the powers of the Wilts County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor or county bridgemaster necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have

A.D. 1904.

SCHEDULE.

*Eastleigh and
Bishopstoke.*
Maximum
prices.

Revision of
prices.

6. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Third Schedule to this Order.

7.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for in this section; or

(b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

Commence-
ment of Order.

8. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

SCHEDULES.

A.D. 1904

*Eastleigh and
Bishopstoke.*

FIRST SCHEDULE.

AREA OF SUPPLY.

The urban district of Eastleigh and Bishopstoke in the county of Southampton as constituted at the commencement of this Order.

SECOND SCHEDULE.

List of Streets and parts of Streets throughout which the Undertakers are to lay down suitable and sufficient Distributing Mains for the purposes of general supply within a period of Two Years after the commencement of this Order:

Leigh Road from the corner of Cranbury Road to the London and South Western Railway Station and Southampton Road from the corner of Bishopstoke Road to the corner of Factory Road.

THIRD SCHEDULE.

MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter For any amount up to twenty units thirteen shillings and fourpence and for each unit over twenty units eightpence.

SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of supply.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the railway and tramway mentioned in the Second Schedule to this Order. Power to break up railway &c.

6. The street throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply Compulsory works.

[Ch. clxxv.] *Electric Lighting Orders Confirmation* [4 Edw. 7.]
(No. 2) Act, 1904.

A.D. 1904. within a period of two years after the commencement of this Order as
Walton-le- mentioned in section 21 of the schedule to the Electric Lighting (Clauses)
Dale. Act 1899 is that mentioned in the Third Schedule to this Order.

Maximum
prices. 7. The maximum prices which may be charged by the Undertakers as
mentioned in section 32 of the schedule to the Electric Lighting (Clauses)
Act 1899 are those stated in the Fourth Schedule to this Order.

Revision of
prices. 8.—(1) The Undertakers shall so soon as the annual statement of
accounts of the undertaking under this Order has been filled up in the
form prescribed by the Board of Trade under the Electric Lighting Act 1882
publish in a newspaper circulating in the urban district a notification that
such statement of accounts has been filled up and that copies of it can be
obtained at the offices of the Undertakers at a price not exceeding one
shilling a copy and such publication shall be in addition to and not in
substitution for any publication prescribed by the Board of Trade under the
Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete
financial year after they have commenced to supply electrical energy under
this Order and on the expiration of each third succeeding year reconsider
and if necessary revise and thereafter maintain the scales of prices charged
for electrical energy under this Order so that so far as is reasonably
practicable no rate will be required for the purpose of defraying the future
expenses of the said undertaking during the next *three years Provided
nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices
which may be charged under this Order;

(b) the scales of prices so reconsidered and revised may be from
time to time in like manner reconsidered and revised by the
Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers
from entering into contracts for periods which may extend beyond the
periods at which any revision may take place under the provisions of this
section on special terms under special circumstances not applicable to ordi-
nary consumers but each such contract shall provide that the price to be
charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for
in this section; or

(b) vary in the same proportion as the prices charged to ordinary
consumers:

Provided that the Undertakers shall not without their consent be
required to accept any price lower than the minimum price mentioned in
such contract.

(4) There shall not be made against the district rate or any other rate
for energy used by the Undertakers for street lighting or any other purpose

a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply. A.D. 1904.

9. This Order shall come into force upon the day when the Act confirming this Order is passed and that day for the purposes of the Electric Lighting (Clauses) Act 1899 shall be the commencement of this Order.

Revision of
prices.

(2) The Undertakers shall on the expiration of the third complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order and under the Watford Electric Lighting Order 1897 respectively so that so far as is reasonably practicable no rate will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

(a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order and the Watford Electric Lighting Order 1897 respectively ;

(b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

(a) be subject to revision at the next triennial revision provided for in this section ; or

(b) vary in the same proportion as the prices charged to ordinary consumers :

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate for energy used by the Undertakers for street lighting or any other purpose a charge at a higher price than that charged to consumers using energy for similar purposes and for the like hours of supply.

7. In the application of the provisions of the principal Order to so much of the area of supply as is added by this Order the expression "commencement of this Order" shall mean the day on which the Act confirming this Order is passed.

Application of
principal Order
to added area.

A.D. 1904.

Watford.
