

**CHAPTER cxviii.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Banstead Walton-on-the-Hill and Kingswood Beeston and District Bradford-on-Avon Feltham and District Gelligaer (Bedlinog and Fochriw) Heanor Eastwood and District Midhurst and District and Rickmansworth and Chorleywood. A.D. 1914.

[31st July 1914.]

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act:

45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.
9 Edw. 7.
c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 4) Act 1914. Short title.

2. The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1914.

For pro-
tection of
Surrey
County
Council.

3.—(1) Nothing in the Banstead Walton-on-the-Hill and Kingswood Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Surrey County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the said Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the said Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the said Order authorised they shall prior to the commencement of such works give the Undertakers one month’s notice in writing of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For pro-
tection of
Derbyshire
County
Council.

4.—(1) Nothing in the Beeston and District Electric Lighting Order 1914 or the Heanor Eastwood and District Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Derbyshire County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by either of the said Orders authorised shall be constructed.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by either of the said Orders authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council. A.D. 1914.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

5.—(1) Nothing in the Beeston and District Electric Lighting Order 1914 or the Heanor Eastwood and District Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Nottinghamshire County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by either of the said Orders authorised shall be constructed.

For protection of Nottinghamshire County Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by either of the said Orders authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is necessary to temporarily remove the mains and other electrical appliances belonging to the

A.D. 1914. Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of
Wilts County
Council.

6.—(1) Nothing in the Bradford-on-Avon Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Wilts County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall

have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out. A.D. 1914.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

7.—(1) Nothing in the Feltham and District Electric Lighting Order 1914 confirmed by this Act shall in any way limit or affect the powers of the Middlesex County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order. For protection of Middlesex County Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month’s notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

A.D. 1914.

For protec-
tion of Hert-
fordshire
County
Council.

8.—(1) Nothing in the Rickmansworth and Chorleywood Electric Lighting Order 1914 confirmed by this Act shall take away or abridge any power to repair open or break up any road or county bridge along under or across which any pipe wire cable or electric main or apparatus is laid or any other power vested in the Hertfordshire County Council (in this section called “the council”) for any of the purposes for which the council is constituted but before commencing any work pursuant to such powers whereby any pipe wire cable or electric main will be interfered with they shall (except in cases of emergency in which cases no notice shall be necessary) give to the Undertakers notice of their intention to commence such work specifying the time at which they will begin to do so such notice to be given three days at least before the commencement of the work and shall always complete such work with all reasonable expedition and cause as little damage or inconvenience to the Undertakers as circumstances admit.

(2) The council shall not be liable to pay to the Undertakers any compensation for injury done to any pipes wires cables or electric mains or apparatus by the execution of such works or for loss occasioned thereby or for the reasonable exercise of the powers so vested in them as aforesaid.

(3) The council shall not execute such work so far as it immediately affects any pipe wire cable or electric main except under the superintendence of the Undertakers unless the Undertakers refuse or neglect to give such superintendence at the time specified in the notice for the commencement of the work or discontinue the same during the progress of the work and the council shall execute such work at their own expense and to the reasonable satisfaction of the Undertakers Provided that any additional expense imposed upon the council by reason of the existence of any pipes wires cables or electric mains or apparatus of the Undertakers in any road or place shall be borne by the Undertakers.

(4) Any difference which may arise between the Undertakers and the council under this section shall be determined by arbitration.

SCHEDULE.

A.D. 1914.

Bradford-on- period limited in that behalf in this section the Board of Trade may
Avon. revoke this Order upon the expiration of that period.

Compulsory 6. The streets throughout which the Undertakers are to lay down
 works. suitable and sufficient distributing mains for the purposes of general
 supply within a period of two years after the commencement of this
 Order as mentioned in section 21 of the schedule to the Electric
 Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule
 to this Order.

Power to re- 7.—(1) If at the expiration of three years from the commencement
 voke Order where no of this Order distributing mains shall not have been laid down in
 mains are each of the parishes comprised in the rural district of Bradford-on-Avon
 laid. mentioned in the First Schedule to this Order and forming part of
 the said area of supply the Board of Trade may if they think fit
 revoke this Order in respect of any of the said parishes where such
 mains shall not have been laid.

(2) Nothing in this section shall be construed as affecting the
 power of the Board of Trade to revoke this Order under the provisions
 contained in the schedule to the Electric Lighting (Clauses) Act 1899.

Maximum 8. The maximum prices which may be charged by the Under-
 prices. takers as mentioned in section 32 of the schedule to the Electric
 Lighting (Clauses) Act 1899 are those stated in the Third Schedule
 to this Order.

Deposit. 9. The sum to be deposited or secured in pursuance of section 5
 of the schedule to the Electric Lighting (Clauses) Act 1899 is three
 hundred pounds made up as follows (namely) Two hundred pounds
 in respect of the urban district of Bradford-on-Avon and one hundred
 pounds in respect of the rural district of Bradford-on-Avon.

Power of pur- 10.—(1) The Bradford-on-Avon Urban District Council (hereinafter
 chase by called "the council") may by twelve months' notice in writing expiring
Bradford-on- at the end of 21 years or any subsequent period of five years from
Avon Urban the date of the passing of the Act confirming this Order require the
District Undertakers to sell and the Undertakers shall on the expiration of such
Council. notice sell to the council so much of the undertaking authorised by
 this Order as is within the district of the council (including all lands
 buildings works materials and plant within the said district suitable
 to and used by the Undertakers for the purpose of their undertaking
 within the said district.

(2) The price to be paid by the council shall be a sum equal to
 the total amount of capital properly expended on the said part of the
 undertaking with the addition of such an amount as together with any

sums paid or available for the payment of dividends will make up a cumulative dividend of seven per centum per annum upon such capital. A.D. 1914.
Bradford-on-
Avon.

(3) If any question arises as to the price to be paid by the council as aforesaid the same shall be determined by arbitration.

(4) The Board of Trade may determine any question which arises in reference to the purchase which is not to be determined by arbitration and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(5) From the date on which the purchase takes effect the part of the undertaking purchased (including the said lands buildings works materials and plant) shall vest in the council freed from any debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under this Order within the said district shall absolutely cease and determine and shall vest in the council.

(6) Nothing in this section shall affect the power of the council as the local authority to purchase under section 2 of the Electric Lighting Act 1888.

11. Except for the purpose of enabling the said transfer to be made this Order shall not come into force until the day when the transfer takes effect and that day shall be the commencement of this Order. Commence-
ment of
Order.

MIDHURST AND DISTRICT ELECTRIC LIGHTING.

Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to Bernard Edward Granville Bailey the Honourable Weetman Harold Miller Pearson M.P. and Thomas Stallibrass in respect of the Parishes of Cocking Easebourne Midhurst and West Lavington in the Rural District of Midhurst in the County of Sussex.

*Midhurst
and District.*

1. This Order may be cited as the Midhurst and District Electric Lighting Order 1914. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Incorporation
of Electric
Lighting
(Clauses) Act
1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are Bernard Edward Granville Bailey surgeon the Honourable Weetman Harold Miller Pearson M.P. and Thomas Stallibrass railway agent all of Midhurst in the county of Sussex.

Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Area of
supply.

5.—(1) The powers given by this Order shall not be exercised unless within twelve months or such extended period not exceeding in the whole eighteen months as the Board of Trade may allow from the date of the passing of the Act confirming this Order the Undertakers transfer the undertaking to a limited company registered under the Companies Acts 1908 and 1913.

Powers not to
be exercised
unless under-
taking is
transferred to
a registered
Company.

(2) Within that period the Undertakers may transfer and the company to whom the transfer is to be made may take a transfer of

A.D. 1914. the undertaking with the consent of and on such terms and conditions as may be approved by the Board of Trade by deed approved by that Board.

Midhurst and District.

(3) On such transfer the rights powers authorities obligations and liabilities of the Undertakers in respect of the undertaking shall be transferred to and may be exercised by and shall attach to the company to whom the transfer is made and that company shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) If the transfer has not been made before the expiration of the period limited in that behalf in this section the Board of Trade may revoke this Order upon the expiration of that period.

Power to
break up
street.

6. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the street not repairable by the local authority which is mentioned in the Second Schedule to this Order.

Compulsory
works.

7. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Power to
revoke Order
where no
mains are
laid.

8.—(1) If at the expiration of three years from the commencement of this Order distributing mains shall not have been laid down in the parishes of Cocking and West Lavington mentioned in the First Schedule to this Order and forming part of the said area of supply the Board of Trade may if they think fit revoke this Order in respect of the said parishes or either of them where such mains shall not have been laid.

(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899.

Power to use
land for
generating
station.

9. The Undertakers may use the land described in the Fourth Schedule to this Order for the purposes of the undertaking authorised by this Order and may thereon erect construct maintain work and use a station or stations together with all such buildings engines batteries dynamos accumulators and other plant machinery apparatus works and conveniences as may be suitable or necessary for generating electricity for the purpose of giving a supply under this Order.

For pro-
tection of
Governors of
Midhurst
Grammar
School.

10.—(1) Notwithstanding anything contained in the last preceding section of this Order the Undertakers shall not erect any dynamos engines gas producers or other plant for generating electrical energy or any part of any building to contain such plant on the said land

nearer than eighty-five feet to the northern side of Lambert Lane and no window capable of being opened or other opening except a door seven feet high by seven feet wide shall be made in the walls or roof of any such building in the south or east side thereof. A.D. 1914.
Midhurst and District.

(2) Any person duly authorised in writing under the hand of the clerk for the time being of the Governors of the Midhurst Grammar School may at all reasonable times enter upon and inspect any generating station erected by the Undertakers on the said land.

11. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fifth Schedule to this Order. Maximum prices.

12. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds. Deposit.

13. Except for the purpose of enabling the said transfer to be made this Order shall not come into force until the day when the transfer takes effect and that day shall be the commencement of this Order. Commencement of Order.
