2.—(1) Where at any time between the first of December nineteen hundred and four and the first of September nineteen hundred and five the guardians of any union have, with the sanction of the Local Government Board, provided a supply of seed potatoes for the use of any district electoral division of their union, and have sold any such potatoes to any occupier or cultivator of land in that electoral division, the sale shall be deemed to have been legally made, and any sum due to the guardians on account thereof shall be paid by two equal instalments, and the guardians shall certify the amount of each instalment to the council of the county comprising the electoral division affected.

(2) For obtaining payment of each instalment due from any person the county council or urban district council, as the case may be, shall levy the amount, where the person is rated to the poor rate, by a special rate to be added to the poor rate assessed on the tenements occupied by him and to be collected therewith.

(3) Where any such person is not rated to the poor rate, the county council or urban district council shall make a special rate for the purposes of this Act to which he shall be rated.

(7) The first instalment payable by each purchaser of seed potatoes shall be due on the day on which the first of such special rates is made, and the second instalment shall be due on the day on which the second of such special rates is made.
