

**CHAPTER xlvi.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 and 1888 relating to Brixham Brumby and Frodingham Dawlish Horbury Hucknall-under-Huthwaite Newton-in-Makerfield Orrell Scunthorpe Sidmouth and Yeovil.

A.D. 1903.

[30th June 1903.]

WHEREAS under the authority of the Electric Lighting Acts 1882 and 1888 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act :

45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament :

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament :

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows :—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 2) Act 1903.

2. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed and all the provisions thereof in manner and form as they are set out in the said schedule shall from and after the passing of this Act have full validity and effect.

Orders in
schedule
confirmed.

A.D. 1903.

For protec-
tion of
Lancashire
County
Council.

3.—(1) Nothing in any Order confirmed by this Act shall in any way limit or affect the powers of the Lancashire County Council to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised may be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county bridgemaster necessary to remove temporarily the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge has been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

Power to
supply elec-
tricity to
waterworks
outside area
of supply.

4. The Undertakers for the purposes of the Scunthorpe Electric Lighting Order 1903 confirmed by this Act may supply electricity to their waterworks which are situate outside their area of supply and for that purpose may with the consent of the authority or person by whom the street is repairable and subject to and in accordance with such of the provisions of the Electric Lighting (Clauses) Act 1899 incorporated with that Order as relate to the breaking up of streets break up any street leading from their area of supply to their waterworks.

SCHEDULE.

A.D. 1903.
