CHAPTER 2.

An Act to apply a sum out of the Consolidated Fund to the service of the year ending on the thirty-first day of March one thousand nine hundred and one, and to appropriate the Supplies granted in this Session of Parliament.
[15th December 1900.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland, in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

Issue of
16,000,000l.
out of
Consolidated
Fund.

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand nine hundred and one, the sum of sixteen million pounds.

Power for
Treasury to
borrow.

2. The Treasury may borrow from any person, and the Bank of England and the Bank of Ireland may advance to the Treasury on the credit of the said sum, any sum or sums not exceeding in the whole the sum of sixteen million pounds, and the Treasury shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed.

Any moneys so borrowed shall be placed to the credit of the account of the Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

• Appropriation of Grants.

3. All sums granted by this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by Schedule (A.), in the aggregate, to the sum of sixteen million pounds, are appropriated and shall be deemed to have been appropriated as from the date of the passing of this Act, for the services and purposes expressed in Schedule (B.) annexed hereto.

Appropriation of sums voted for supply services.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, the department entrusted with the control over the said service shall forthwith make application in writing to the Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the Treasury may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the military department has obtained the sanction of the Treasury to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said department, shall be laid before the House of Commons with the appropriation accounts of army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for army services be not exceeded.

The Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for army services.

5. This Act may be cited for all purposes as the Appropriation Act, 1900, Session 2. Short title.
