Electric Supply Company's Act, 1921.

A.D. 1921. (London Sheet LXVIII.) and forming or intended to form the site of a roadway) specified in the schedule to this Act adjoining the lands acquired by them under the powers of the Romford Order as aforesaid and it is expedient that the Company should be empowered to exercise with reference to the said additional lands (subject as regards the said strip of land to their acquiring the same) the like powers of erecting generating stations and otherwise as are exerciseable under the powers of the Romford Order and the Act of 1918 with reference to the said lands acquired under the powers of the Romford Order :

And whereas it is expedient that the Company should be authorised to constitute the generating station and works authorised by the Romford Order (with the additional powers of user conferred by the Act of 1918) and by this Act and certain other works as a separate undertaking with a separate and distinct capital and borrowing powers as hereinafter provided :

And whereas by the Act of 1918 powers of paying interest out of capital were conferred on the Company and provision was made as to the basis of compensation to be paid to the Company in case any station or works constructed under the powers of the Romford Order or of the Act of 1918 should be purchased within seven years from the passing of that Act otherwise than by agreement by any public body or trustees and it is expedient that the said powers should be amended and that the said provisions should be repealed and other provisions made in lieu thereof as by this Act provided :

And whereas the purposes aforesaid cannot be effected without the authority of Parliament :

May it therefore please Your Majesty that it may be enacted and be it enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows (that is to say) :—

Short title. 1. This Act may be cited as the County of London Electric Supply Company's Act 1921.

Interpretation. 2. In this Act—

Provided also that nothing in this Act shall relieve the Company from the necessity for obtaining the consent of the Electricity Commissioners under section 11 of the Electricity (Supply) Act 1919 to the erection of any such generating station as aforesaid.

For protec-
tion of
Barking
Town Urban
District
Council.

4. For the protection of the Barking Town Urban District Council (in this section referred to as "the council") the following provisions shall unless otherwise agreed in writing between the council and the Company apply and have effect (that is to say) :—

(1) If requested by the Company so to do within two years after the obtaining of the consent of the Electricity Commissioners referred to in the second proviso to the section of this Act of which the marginal note is "Extended powers of erecting generating stations" the council shall convey to the Company free of charge the strip of land described in the first proviso to that section and within six months after such conveyance the Company shall provide and make suitable for traffic to the reasonable satisfaction of the council—

(i) A temporary road for vehicular traffic commencing by a junction with River Road at the western boundary of the property of the Company and terminating by a junction with Ripple Lane at the point marked A on the signed plan hereinafter referred to; and

(ii) A footpath having a width of ten feet and made up with a foundation of hard core and a surface of binding hoggin between the points and in the lines shown in pink on the plan signed by the Most Honourable the Marquis of Bristol the Chairman of the

Committee of the House of Lords to whom the Bill for this Act was referred of which plan copies have been deposited (a) in the Parliament Office of the House of Lords (b) in the Private Bill Office of the House of Commons (c) with the Company and (d) with the council : A.D. 1921.
—

- (2) On the completion of the temporary road and footpath referred to in subsection (1) of this section the Company may stop up so much of the footpath extending from the north-western corner of the enclosure numbered 192 on the $\frac{1}{2500}$ scale Ordnance map edition of 1894-96 (London Sheet LXVIII.) in an easterly and south-easterly direction along the western boundary of that enclosure and thence in an easterly direction along the river wall of the River Thames as is situate upon the lands described in the schedule to this Act and the lands situate on the eastern side of those lands and now belonging to the Company or any part of such lands :

As from the date of such stopping up all rights of way over the said portion of footpath shall be extinguished and the site and soil thereof shall vest in the Company :

- (3) Within two years after such conveyance as aforesaid the Company shall construct a permanent road of a width of seventy feet (with all necessary embankments thereto) and in such line and according to such level and with such gradients and of such materials as may be agreed upon between the Company and the council or as failing agreement shall be determined by an arbitrator to be appointed by the Minister of Transport on the application of the Company or the council (after notice in writing to the other of them) and when so completed to the reasonable satisfaction of the council such road shall become a public highway repairable by the inhabitants at large Upon such completion the Company may stop up the roadway or track and the footpaths described in the next subsection of this section and the temporary road referred to in subsection (1) of this section

A.D. 1921.

or so much thereof as is not on the site of the said permanent road and as from the date of such stopping up all rights of way over the said roadway or track and footpaths and the said temporary road or such part thereof as aforesaid shall be extinguished and the site and soil thereof shall vest in the Company in so far as such site and soil is or may not be already so vested :

- (4) The roadway or track and footpaths referred to in the preceding subsection of this section are as follows :—

(A) The roadway or track in the parish of Barking in the urban district of Barking Town and county of Essex extending from the north-western corner of the enclosure numbered 192 referred to in subsection (2) of this section in a north-easterly direction across and beyond that enclosure or so much of that roadway or track as is situate on the lands described in the schedule to this Act or on the lands situate on the eastern side of those lands and now belonging to the Company ;

(B) The footpath extending from the said roadway or track at a point at or near the north-eastern corner of the last-mentioned enclosure in a northerly direction across the enclosure numbered 186 on the said Ordnance map to Ripple Lane ;

(C) The footpath extending from the north-western corner of the said enclosure numbered 192 to and along the western and northern boundaries of the enclosure numbered 194 on the said Ordnance map to Ripple Lane :

- (5) It shall be lawful for the Company if and whenever it so requires to lay down maintain repair renew and use—

(A) Such lines of rail crossing the said new road on the level as may be agreed between the council and the Company or as failing agreement may be determined by the Electricity Commissioners to be necessary for affording convenient communication by rail for the conveyance of materials ; and

(B) Such conduits pipes cables wires and apparatus in and under or across the said road as the Company may require;
 and for all or any of those purposes to open and break up or otherwise interfere with the said road Provided that such rails conduits pipes cables wires and apparatus shall where they cross the said road be laid down maintained repaired renewed and used in accordance with the regulations for the time being in force of the Ministry of Transport and the Electricity Commissioners respectively :

A.D. 1921.

- (6) If at any time after the council shall have conveyed to the Company the strip of land referred to in subsection (1) of this section Ripple Lane shall cease to be available for use as a footpath the Company shall if and when so requested by the council construct and make up with a foundation of hard core and a surface of binding hoggin a new footpath ten feet in width commencing at the north-eastern end of the said new road passing along the eastern side of and parallel with Ripple Lane and terminating on the south side of the London Tilbury and Southend branch of the Midland Railway.

5. For the protection of Lawes Chemical Manure Company Limited their successors and assigns (in this section referred to as "the protected company") the following provisions shall notwithstanding anything contained in this Act and unless otherwise agreed in writing between the Company and the protected company apply and have effect (that is to say):—

For protection of
 Lawes

Thirdly in payment of the interest on all mortgages or debenture stock granted or issued by the Company on or in respect of the separate undertaking;

Fourthly in payment of dividends on the separate capital or upon so much thereof as may be from time to time paid up or if any maximum rate shall be attached by the Company as aforesaid to the separate capital or any part thereof dividends at such maximum rate;

Fifthly to such purposes as the Company may have determined to apply the surplus profits of the separate undertaking :

- (5) The separate undertaking and the revenue arising therefrom and the separate capital shall not be liable for any mortgage or debenture debt or other charge upon any other part of the undertaking of the Company or for the payment of interest thereon or be chargeable with or liable for any debts or engagements or liabilities of the Company except such as are incurred by the Company directly in relation to the separate undertaking and the undertaking of the Company (other than the separate undertaking) and the revenue arising therefrom and the capital of the Company (other than the separate capital)

A.D. 1921.
—

shall not be chargeable with or liable for any debts engagements or liabilities in respect of the separate undertaking :

- (6) The mortgages from time to time granted by the Company in respect of the separate capital shall on the face thereof distinctly denote that each such mortgage is a mortgage only upon the separate undertaking :
- (7) The holders of shares and stock in the separate capital shall in regard to the election of directors and to any matters affecting the separate undertaking or the holders of such shares or stock separately from or in common with the general undertaking of the Company or the holders of shares or stock therein but not in regard to any other matter be entitled to vote at any meeting of the Company and to exercise any other rights and powers pertaining to the holders of shares or stock of the Company :
- (8) Shares and stock in the separate capital shall be entitled to dividends (not exceeding such maximum rate if any as shall be attached thereto by the Company as aforesaid) only out of the profits of the separate undertaking applicable for dividends and the certificates of such shares or stock shall distinctly denote that such shares or stock are entitled to dividends (at such maximum rate if any as aforesaid) only out of those profits :
- (9) It shall not be lawful for the holders of shares or stock in the general capital of the Company to vote at any meeting of the Company or exercise any other rights or powers pertaining to the holders of shares or stock of the Company in regard to any matters affecting exclusively the separate undertaking or the holders of shares or stock in the separate capital.

Amend-
ment and
extension of
section 4 of
Company's
Act of 1918.

13.—(1) Section 4 (Power to pay interest out of capital) of the Act of 1918 shall apply and have effect as if the words "eight per centum per annum or such higher rate as the Electricity Commissioners may allow" were inserted therein in lieu of the words "six per centum per annum" and as if the words "three hundred and sixty thousand pounds except with the consent of the

“ Electricity Commissioners ” were inserted therein in lieu of the words “ one hundred and fifty thousand pounds except with the consent of the Board of Trade.” A.D. 1921.
—

(2) The powers conferred by the said section 4 as amended by this section shall extend and apply to mortgages and debentures and any other form of security or acknowledgment of indebtedness which may have been or may be granted or issued by the Company as security for the borrowing of money for the purposes of the Romford Order and the Act of 1918 and this Act or any of them as if such mortgages debentures security or acknowledgment had been referred to in the said section 4 in addition to shares and debenture stock.

14.—(1) Section 5 (Provision in case of future purchase) of the Act of 1918 is hereby repealed. Provision as to purchase of Barking supply.

(2) If within five years from the date of the passing of this Act a joint electricity authority or other body in lieu thereof (each of whom is in this section included in the expression “ joint electricity authority ”) shall be constituted under the provisions of the Electricity (Supply) Act 1919 or any Act amending the same for a district in which is situate the site of the generating station or stations authorised by the Romford Order and this Act and shall within that period require the Company to sell to them the Barking supply upon terms to be prescribed by the Electricity Commissioners if and when they give their consent under section 11 of the said Electricity (Supply) Act 1919 to the erection of the generating station or stations authorised by the Romford Order and by this Act the Company shall if so directed by the Electricity Commissioners sell to such joint electricity authority and such joint electricity authority shall purchase from the Company the Barking supply upon the said terms.

(3) Notwithstanding anything hereinbefore contained and except as may be otherwise agreed between the Company and the joint electricity authority (any such agreement being subject to the approval of the Electricity Commissioners) the Company shall not be required to sell the Barking supply to any such joint electricity authority as aforesaid otherwise than upon the terms referred to in subsection (2) of this section nor unless such authority shall enter into a formal agreement with the Company containing (inter alia) a provision requiring

A.D. 1921. such authority to supply to the Company upon giving reasonable previous notice such quantity of electricity as the Company may from time to time require (not exceeding the capacity of any generating station or stations comprised in the Barking supply to the erection of which the consent of the Electricity Commissioners has for the time being been given and after making due allowance for such quantity of electricity as may be required by the joint electricity authority for the fulfilment after the date of such purchase of any contract or obligation entered into by the Company before that date for the supply of electricity from the Barking supply and transferred to the joint electricity authority) at a price or prices to be agreed between the Company and the joint electricity authority or failing agreement to be determined by an arbitrator to be appointed on the application of either of the parties in difference by the Electricity Commissioners and in fixing such price or prices the arbitrator shall have regard to the cost at which the Company could itself have generated electricity at the said generating station or stations if it had been and continued to be the owner of and to operate such station or stations and the provisions of the Arbitration Act 1889 shall apply to such arbitration Provided that nothing in this subsection or in any such agreement as aforesaid shall be construed as limiting the right of the Company to require such joint electricity authority to supply to the Company any quantity of electricity in excess of such capacity as aforesaid which the Company may from time to time require.

(4) From and after such sale and purchase as aforesaid the Barking supply and all the powers of the Company in regard thereto shall vest in and be exerciseable by the joint electricity authority in lieu of and in substitution for the Company and such powers shall cease to be exerciseable by the Company.

(5) If the joint electricity authority purchase the Barking supply under the foregoing provisions of this section—

(A) There shall be transferred to the joint electricity authority the benefits and obligations of all contracts for the provision of plant or materials in connexion with the Barking supply entered into by the Company before the date of such purchase and subsisting at that date Provided

that any such contract involving the expenditure of more than two thousand pounds entered into after the joint electricity authority shall have required the Company to sell to them the Barking supply under the provisions of this section shall be subject to the approval of the Electricity Commissioners; and

A.D. 1921.

- (B) The joint electricity authority shall from time to time make all such extensions of any such generating station or stations as aforesaid and provide all such plant and apparatus as may be necessary for enabling them to furnish to the Company such quantity of electricity as it may require. Provided that nothing in this paragraph shall relieve the joint electricity authority from the necessity for obtaining the consent of the Electricity Commissioners under section 11 of the Electricity (Supply) Act 1919 for any purpose for which such consent is required under that section.

15. The Company shall be entitled to raise such moneys as it may require for the purposes of the Barking supply (from its bankers or others) temporarily on such terms as the directors may think fit. Provided that before actually raising any such moneys the Company shall from time to time furnish to the Electricity Commissioners particulars of all sums proposed to be raised and the terms upon which it is proposed to raise such sums.

Power to raise money temporarily for Barking supply.

16. If—

- (A) The Barking supply is not purchased under the provisions hereinbefore contained; and
 (B) The London County Council in the year one thousand nine hundred and thirty-one purchase the London Electricity Undertakings under the provisions of the London Electric Supply Act 1908;

Company to supply electricity to London County Council in certain events.

the Company shall if at the date of such last-mentioned purchase the Company is the owner of the Barking supply and so long as it shall continue to be such owner supply to the London County Council (if required by them so to do) the amount of electricity required for the purposes of the undertakings so purchased and supplied from the Barking supply at the said date upon terms to
